“Did not our hearts burn within us while He talked to us on the road, while He opened to us the scriptures?” LUKE 24:32

How often do you take the time to discern what Jesus is calling you to do with your life? Are your prayers always petitions, asking Jesus to do things for you? If so, that's a one-sided relationship. Living our faith means developing a personal relationship with Jesus. Just like any friendship, there is give and take, each side listening to each other and helping each other out. Take time, in silence, to listen to what Jesus is asking of you today.
