

4TH SUNDAY IN ORDINARY TIME

Jesus rebuked him and said, "Quiet! Come out of him!"
The unclean spirit convulsed him and with a loud cry came out of him.

Mini-Fest & Drive Thru

on Friday and Saturday, June 11 & 12
We will repeat the event in some form if it is successful the weekend of July 23/24.

This event will include a one lane Drive-thru with the area between the garages and the hall blocked off to allow an "outdoor venue" with a live band, table seating and a cover charge of \$5.00 which will include a beer or pop & Pepperoni Roll.

Additional food (i.e. sausage & peppers, hot chicken sandwich, etc .) will be available for an additional charge. This will allow us to control the number of people in the area.

CDC and Stark Health Dept guidelines will be enforced.

WHAT IS A BLESSING?

What is a blessing in this life?
It is a kindly nod,
the sunshine of a special smile
bestowed on us by God.

As blessing is the timely hand
that stays calamity,
or keeps us calm and sensible
when there is a tragedy.

It is each rung we reach upon
our ladder to success,
and everything along our way
that brings us happiness.

A blessing is our loving spouse,
the baby in our arms,
and life itself upon this earth
with all its dreams and charms.

Each blessing means so
very much, we should take time
to say, a prayer of gratitude
to God for helping us each day.

From Me to You....

There's something different in the air this Spring that feels like no other to me. The flowers, the birds, the enormous sunrises, it all seems much more brilliant. It says one word to me - HOPE.

Hope that we are coming out of a long and difficult year, hope that around the corner we may be able to confidently make plans to gather together socially.

This HOPE feels heady, like the feeling you get when you first fall in love. Yet we have to remain vigilant. Among us we have snowbirds who have returned to find themselves testing positive; young families struggling to take care of one another as they pass this virus from one to the other.

Yes, keep HOPE strong and alive. As Bishop Bonnar stressed in our meeting with him, masks continue to be mandatory in Church, social distancing remains in effect and of course, sanitizing our hands. If a Service is not being held in a building within 72 hours, he said that we don't need to use our misting sanitizer. As Missals are back and singing returns, you will also note new sitting configurations. HOPE renews our care for each other.

Before Easter I was in Target and the Cashier held out a basket of little notes. She had taken it upon herself to pass HOPE onto each of her customers.

"You are the sunshine on someone's cloudy day"
it read written in her handwriting.

Random acts of kindness can remind us LOVE triumphs over our on-going pandemic fatigue. They can renew our spirit and help us move forward. Pass on a kindness. It will come back to you double-fold. I promise.
