**ADULT DAY SERVICES**

The Adult Day Services (ADS) facility operated by Catholic Charities Serving Portage and Stark Counties is open and accepting participants on a limited basis.

Our ADS offers a safe and secure environment for older adults in need of supervision or assistance with activities of daily living while family caregivers are at work or attending to other responsibilities.

We have implemented strict pandemic related protocols to help ensure the health and safety of participants and staff. Our well-maintained facility is located on the St. Joseph Senior Living Campus in Louisville.

**AS OUR SUMMER ENDS,  
 Thank You Lord!**

**Father, Creator of All,**

Thank you for summer!  
 Thank you for the warmth  
 of the sun and the  
 increased daylight.

Thank you for the beauty  
 I see all around me and  
 for the opportunity to be  
 outside and enjoy  
 your creation.

Thank you for the increased  
 time I have to be with my  
 friends and family,  
 and for the more casual pace  
 of the summer season.

Draw me closer to you this  
 summer. Teach me how I can  
 pray no matter where I am  
 or what I am doing.

Warm my soul with  
 awareness of your presence  
 and light my path with your  
 Word and Counsel.

As I enjoy your creation,  
 create in me a pure heart  
 and a hunger and thirst  
 for you. Amen.

*From Me to You....*

My Dad always said...if you are going to do a job, do it right

the first time. So is the story of the St. Clement Hall. When we discovered we could no longer safely patch the tile floor, we had to replace it. Could we have a new floor with paint peeling off the walls? Nope, so the company who painted it 15 years ago did the job, a great one too! And yet why was the paint peeling on the southern wall? As the window coverings were taken down to paint close to the glass edge, we discovered the single pane windows and frames were cracked from extended service beneath the foam board that covered them. They were the culprits that caused moisture leakage; paint to bubble and peel.

So that led us to new thermal E tinted windows, 1"thick, which will replace the old ones, giving us far better protection against the elements while reducing our heating and cooling costs.

All that said, we will now have an updated venue space in our area that can accommodate events up to 400 people. And most importantly, bring in extra income for our Parish. So here is our cost breakdown:

**Abatement Of Asbestos Floor: \$14,000**  
**Tile: \$10,685 ~ Painting: \$4,775**  
**Windows: \$8,000 (est)**

Thank you, Jim Foltz who will be installing the windows himself as a gift to the Church.

A big thank you to all who have contributed to the Building Fund for this project. We have been blessed to receive \$8,435!

And a big shout out of thanks to my Father who taught me so many great lessons in the few years I had him on this earth. Happy 100th birthday today, August 29, in heaven, Dad!!!
