“He instructed them to take nothing for the journey but a walking stick – no food, no sack, no money in their belts.” ~ Mark 6:8

Imagine taking nothing but a stick when you go on a trip. The Apostles must have really trusted in God’s providential care. Think of all the material things “we can’t live without” in today’s world. We make our life’s journey more difficult because of all the material baggage that we drag along. Putting God first in everything and putting our money and possessions second gives us freedom because we don’t become “slaves” to wanting to acquire more things

MISSIONARY VISIT

The Propagation of the Faith and Missions Office is pleased to announce that missionaries from around the world are sending a missionary to each one of our parishes during the months of June, July or August this summer.

20 different missionary groups, from Dominicans to Franciscans and many others, visiting from Capetown in South Africa to Patagonia in South America and even the Middle East – will share with our local parishioners the joys and challenges of evangelizing in lands where the name of Jesus Christ is not yet known, or if it is known it is often suppressed by rebels, unfriendly government or by hostile mobs. These hazards, coupled with poverty, disease and illiteracy make the grass roots evangelization an urgent need.

Each of our parish pastors schedules and welcomes a visiting priest, deacon, sister or layperson to their parish. We always enjoy their presentations, prayers and opportunities to share in their mission.

Please remember that when it comes to missions, some give by going, others go by giving! Please be generous.

Deacon Rory Desmond from India will be visiting Holy Family Parish July 27 & 28.

CREATING THE CHURCH OF TOMORROW

Archbishop Oscar Romero

It helps, now and then, to step back and take a long view. The Kingdom is not only beyond our efforts, it is even beyond our vision.

We accomplish in our lifetime only a tiny fraction of the magnificent enterprise that is God's work. Nothing we do is complete, which is a way of saying that the Kingdom always lies beyond us.

No statement says all that should be said;
No prayer fully confesses our faith;
No set of goals and objectives includes everything.

This is what we are about:

We plant seeds that one day will grow or maybe die;
We water seeds already planted, knowing that they hold future promise;
We lay foundations that will need further development;
We provide yeast that produces effects far beyond our capabilities.

We cannot do everything, and there is a sense of liberation in realizing that. This enables us to do something and to do it very well. It may be incomplete, but it is a beginning; a step along the way. It is an opportunity for divine grace to enter and do the rest. We may never see the results. We are workers, not master builders; We are prophets of a future that is not our own.
