*"I have competed well; I have finished the race; I have kept the faith." (2 TIMOTHY 4:7)*

How many of us can say this? St. Teresa of Calcutta said, "God doesn't call us to be successful, he calls us to be faithful." How many times have we been blinded by the success of the world at the expense of our faith? Matthew Kelly says, "Take one minute each day to remind yourself that you are just passing through this life and will die one day; you will live more intentionally with a passion and purpose."

## Meet our Next Generation Implementation Team

St. Francis of Assisi and  
Holy Family Parishes

The Next Generation ENVISIONING TEAM  
has handed over to this Implementation  
Team the three PRIORITIES needed  
most for the life of our parishes

### Priority #1:

#### Faith Formation and Spiritual Growth

*To provide new opportunities  
for all to deepen their faith,  
nurture their personal relationships  
with Christ, and build a vibrant,  
active Catholic community.*

### Priority #2:

#### Young Adults

*To establish a comprehensive  
ministry for and with  
young adults aged 18-39.*

### Priority #3: Sunday Experience

*To increase full participation in,  
preparation for, and experience  
of community at Mass,  
so that we might  
go forth as disciples of Christ.*

**Look for opportunities in the near  
future to get involved!**

## The Office of the Pastor

Fr. Kevin Peters

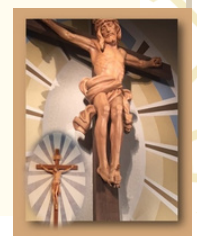

Fr. Fritz Schlueter

Deacon  
Alfredo Aguirre

Pattie Condello

In January and February of 2024, Holy Family Parish participated in the Disciple Maker Index (DMI) survey through the Catholic Leadership Institute. Parishioners were asked to reflect on their own spiritual growth and provide feedback on the efforts of the parish. The survey provided insight on faith formation & spiritual growth, parish ministries & opportunities, and the Sunday experience. The Office of the Pastor team would like to thank everyone who completed the survey.

Let's take a look at some things we learned from you in the DMI survey:

## Strong in Belief & Devotion to Prayer

Parishioners are strong in their belief that Scripture is the Word of God, the Eucharist is the Body & Blood of Christ and that the church plays a critical role in one's relationship with the Lord.

Those who responded to the survey frequently engage in individual prayer. They also reported that they attend Mass monthly or more frequently and many make time for Catholic devotions.

### Welcome & Accepted

**88% Agree or Strongly Agree that they feel welcome & accepted in the Parish**

## Opportunities to Grow

### Faith Formation & Spiritual Growth

Responses provided feedback about opportunities to grow in our formation as disciples, enriching personal prayer life, and connecting teachings with our own lives and the lives of others.

### Sunday Mass Experience

We also discovered opportunity to create a vibrant and engaging Sunday Mass experience and for parishioners to invite others to Mass, parish ministries, or events.

## Next Generation Parish

### Vision for Our Future

The Office of the Pastor team in partnership with the Catholic Leadership Institute have begun to engage parishioners in a Next Generation Parish effort that will allow Holy Family to become one, unified Catholic family, Strong in Faith, Active in Ministry, and Living as Disciples of Christ.

In the weeks and months to come, you will have many opportunities to learn more about this effort and how you can be a part of the next generation of growth in faith and fellowship here at Holy Family parish.

# Disciple Maker Index Survey

## What we learned

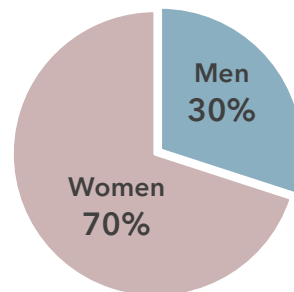

We also learned much about our parish community through the Disciple Maker Index survey. Let's explore the information that we received about who we are. Does anything surprise you or inspire questions? Watch for more opportunities to engage with what we learned from the DMI survey and how you can be involved in new & exciting ways in the church community.

**29% of average Mass-goers responded to the survey\***

### Committed to the Parish

Over 80% of parishioners who responded have been members for 10 years or more

More women than men responded to the survey

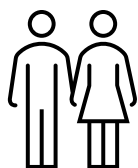

**78% of completed DMI surveys were submitted on paper forms**

### Mature in Faith

The majority of respondents are over the age of 55

### Committed to One Another

93% of those who responded to the survey are or have been married

\*Our survey response rate of 29% is within a typical range based on data provided by CLI and is slightly better than other parishes in the diocese.

## Approach to Giving: How we support the parish financially

Of those who responded to the survey, 90% shared that they do contribute to the parish financially throughout the year. About 59% responded that they make a plan for annual giving and 40% indicated that they tend to give when asked, such as the passing of the weekly collection basket or an appeal for a specific purpose.

## Vision for the Future

## Next Generation Parish

Feedback from parishioners in the Disciple Maker Index survey was used by the Envisioning Team as they began the first phase of the Next Generation Parish strategic planning process. You will have many more opportunities to learn about this process and participate in Next Generation Parish efforts. Through collaboration and prayerful consideration, under the guidance of our consultant from the Catholic Leadership Institute, the Envisioning Team have identified the following priorities. Want to learn more? We hope so!

**Faith Formation  
& Spiritual Growth**

**Young  
Adults**

Experience**
