"Receive the Holy Spirit!"

The words spoken to the Apostles on that first day of the week are spoken to us as we celebrate the Solemnity of Pentecost – The Birth of the Church. Throughout the Easter season, we have journeyed week after week with the Acts of the Apostles – the work of the early Church. We are called to model ourselves after their labors: to increase the number of believers, to devote ourselves to the sharing of the Word, and to be of service to others so that no one goes without. One of the opportunities provided for us to model that attribute of the early Church's care for those in need is through the Annual Diocesan Appeal: **One in Hope, One in Mission**. A little over a week ago, we reached the \$3,000,000 mark in our \$4,000,000 Appeal goal. While this is great news, the last million is always the hardest to raise.

To date, our parish family has pledged \$20,777 toward our parish goal of \$33,800. Recently, letters went out to 4,000 households who made a gift last year but had yet done so this year. We are already receiving wonderful responses to that request. If you received one of those letters, please take some time to prayerfully reflect on your ability to make a gift. Every gift of any amount helps put us closer to the goal.

On behalf of Bishop Bonnar and those served by the Appeal, thank you to everyone who has already made a gift and to those who are prayerfully considering their gift.

From Me to You....

So Jesus walks into a crowded banquet hall...no, this isn't the start of a joke. This is something to ponder.

He walks into the hall...and who would He refuse to talk to? Who would He turn His back on? The group of young people that are all pierced and inked with tattoos? Those of different races and spiritual creeds? The lesbian couple with the small children? Or the political left? Or the far out right? The liars, adulterers, cheaters? Would WE even make the cut to sit at His table?...*Not a single one would He deny.*

Let's be honest. In the worldview, a love that welcomes all is nonexistent. Funny, as I just wrote that I realized how many times, after reading the Gospels, I thought to myself - what's wrong with those people back then, why did they think he was so unusual - didn't they act civilly to one another? Hello, Patricia Rose! Welcome to 2023 with 200 plus mass shootings so far this year.

My dearest friend, face it. We follow a radical. And if we truly follow Him, we will love with abandon, with hearts that don't judge and arms that open wide to pull in as many people as we can. That is what we are called to do. Oh, if it were that easy, right?

On this Pentecost, I pray that we feel the whoosh of the Spirit, welcoming It in to transform our world. Begging. Pleading. Come Holy Spirit, we need you now more than ever. Come.
