Colossians 1:12

God wants us to be happy! Instead of looking at the Ten Commandments as being restrictive and telling us what we can't do, look at them as guides for living a joy-filled and peaceful life. Most of our problems arise when we put our own needs first or we spend most of our time trying to acquire more stuff. Instead, try putting God first in all things. We were made for God. Open your heart and let Him in!

Retirement Fund for Religious

Please give to those who have given a lifetime.

Our senior sisters, brothers, and religious order priests need your help. They have spent decades caring for those in need, but years of service for little or no pay have left many religious communities without sufficient retirement savings. Today, over 20,500 elderly religious depend on the Retirement Fund for Religious to help cover their rising health care costs, medication, and daily living expenses. Your gift can help ensure they receive the care they deserve. Please give back to those who have given a lifetime.

Catholic education has always been more than academics, it is a mission. It is the commitment to form young people who think deeply, act with integrity, and live their faith boldly in a world that desperately needs hope. In Catholic schools, students learn that excellence and holiness are not separate paths, but beautifully intertwined ones. They discover that their gifts have purpose, their voices have value, and their lives are called to service.

Here in Stark County, we are blessed with two extraordinary communities living this mission every day: St. Thomas Aquinas High School & Middle School and Central Catholic High School.

St. Thomas Aquinas High School & Middle School: A Community Rooted in Faith and Purpose

At Aquinas, students are formed in the tradition of St. Thomas himself, a scholar, a servant, and a defender of truth. Aquinas cultivates an environment where young people are encouraged to explore their faith, grow in character, and pursue excellence in the classroom, on the field, and in service to others. With a close-knit family atmosphere, Aquinas helps students recognize that they are known, valued, and created for greatness. Aquinas is proud to be the only school in the state of Ohio utilizing the full WOZ Ed STEM curriculum, a cutting-edge program designed to prepare students for the careers of tomorrow. Through hands-on learning in robotics, coding, drones, engineering, cybersecurity, and more, students don't just learn about technology—they engage with it, build it, problem-solve with it, and discover their own capacity to innovate.

Central Catholic High School: Tradition, Excellence, and Leadership

Central Catholic carries a long legacy of shaping scholars, athletes, and faith-filled leaders. Its vibrant community offers rigorous academics, athletics, the arts and meaningful opportunities for service and spiritual growth. Students at Central learn not just how to succeed, but how to serve, with humility, strength, and a commitment to becoming Christ-centered leaders in the world.

One Mission, Two Exceptional Schools

Together, Aquinas and Central stand as pillars of Catholic education, schools where values are lived, friendships are formed, and students discover who God is calling them to be. In both communities, faith is woven into every classroom discussion, every team huddle, every retreat, and every act of service. Our schools exist not only to prepare students for college and careers, but to prepare them for life.

Catholic education matters because our children matter. Their future matters. Their faith matters.

And at St. Thomas Aquinas High School & Middle School and Central Catholic High School, that mission continues, strong, vibrant, rooted in Christ, and filled with hope.

Christmas Flower Memorials:

Help adorn our churches this Christmas with beautiful flowers given in loving memory of family and friends who are no longer with us to celebrate the birth of our Lord.

An envelope for this purpose is included in your box set, but any envelope can be used. Please clearly print the names of those you wish to remember and place the envelope in the collection basket by Sunday December 7th.

A donation of \$5.00 per name or \$10.00 for three names is requested. All names will be listed in the bulletin on Christmas.

Parish Truck Needed:

As we look ahead to the coming year, our parish is in need of a new truck. Our current vehicle, now over 30 years old, requires frequent and costly repairs. If you or someone you know has a truck you would like to part with, please consider donating it to the parish. Your generous donation is tax-deductible before the end of this year and will greatly help us in continuing our daily maintenance and outreach efforts.
