# TRAVEL SUGGESTIONS

## A few reminders:

- **Luggage:** Backpack is personal item that can fit under seat, plus 1 carry on luggage to put above seat, 1<sup>st</sup> checked bag is free. (you can buy a bag to check on return if you would like to shop in Greece)
- **Walking:** Take a comfortable pair of walking shoes and flip flops
- **Hygiene:** Islands do not allow flushing of toilet paper. Have small trash bags with you to tie up paper for better hygiene in rooms.
- **Electronics:** 2 days before travel, download any music/books/shows/movies to your phone or computer for flights in case there's no wifi
- **Check voltage** for adapter if you want to use a hairdryer. The ones I have listed are not compatible with blowdryer/straightener
- **Light packing:** We will need to carry luggage uphill to and from hotels.. Suggestions, try using packing cubes and rolling clothes vs folding
  - Sundresses, Yoga pants, 2 pairs jeans or cotton pants, cotton or dri-fit shorts, T-shirts, tank tops, cardigan, sandals vs high heels
- **Family contact:** Provide your itinerary and hotel info to a family member here at home
- **Phone:** Call cell phone provider to get a travel plan (will cost more for roaming if you do not)
- **Money:** Go to bank and order your Euros to use in Greece instead of US Dollars
  - Use a credit card when traveling instead of your ATM card in case it is stolen or fraud, there is no access to your bank account
