

Penn Fair Swim Club

Penn Fair Swim Club is a small, community owned and operated swim club with a 50+ year history, in the Hedgerow Woods neighborhood of Falls Township. We have many events planned throughout the summer. Our patriotic 4th of July Bike Parade and picnic is always a highlight of the summer, hotdog and pretzels on Friday evenings make for many summer memories and our S'mores Nights are not to be outdone by our RootBeer Float Days. We truly offer a little bit of everything for everyone.

We host camps Monday - Friday, offer pool parties to non-members, coordinate with local schools to host end of the year school events, host events for local places of worship and boys and girls clubs. We have swim lessons which are attended by members and non-members.

This year, we will be hosting our 2nd annual Pups at Penn Fair. This is open to any pup and occurs after the pool has closed for humans in September. Last year it was a huge success and we look forward to an even larger event in 2023!

Each year we rely heavily on the generosity of our local merchants to help support our community pool. We accept any and all donations to help offset our operating and updating costs and enhance our special, family events. We are looking to coordinate with other community clubs and members to increase our reach as well as community connections.

Supporting Penn Fair would be a fabulous way to advertise your business!

Working together in our community to support one another is what makes this a wonderful place to live, and raise our families. Thank you for your time and consideration.

Please contact our pool President, Maria Hennigan, at pennfairswim@gmail.com or 570-335-3058 to discuss any questions regarding the Penn Fair Swim Club.
