About

The Adventure Jogger Podcast is your go-to source for inspiring, funny, and downright entertaining stories from the world of trail and ultra running. We believe running should be fun—and so should running podcasts!

Every runner has a unique story, and we're here to tell them all. From elite athletes leading the pack to everyday runners finding joy in the middle or back of the pack, we celebrate the heart, grit, and humor that make this community so special. Join us for laughs, insights, and the unexpected adventures of runners everywhere!
