You are invited to join the Junior League of Portland's mission to advance women's leadership for meaningful community impact through volunteer action, collaboration, and training.

[The Rose City Summit](#) is the Junior League of Portland's signature fundraiser, bringing together emerging and established professionals across industries and communities for a conversation about leadership, development, resilience, and building thriving communities.

Introducing the Rose City Summit

The Rose City Summit offers a distinctive opportunity to showcase your organization's commitment to advancing women, championing changemakers, and fostering inclusive leadership.

Designed as a professional development experience suitable for leaders from any industry, content is geared toward both emerging and seasoned professionals. This year's theme, **Trailblaze(Her): Resilience, Leadership, and Redefining Power**, will explore how women are shaping the future of leadership and driving meaningful change at all levels in their organizations and communities.

In 2017, the Junior League of Portland saw an opportunity to create space for candid conversations for women at all stages of leadership across intersections of business, civic engagement, and nonprofits. Our inaugural event featured **Tarana Burke, Founder of the Me Too movement**. Each year, we bring together entrepreneurs, advocates, founders, leaders, and philanthropists from across the region to learn from speakers like **Tori Dunlap, Shari Dunn, and Libra Forde**.
