

Occupational Health & Safety Policy

Occupational health and safety is an integral part of Hasoon United's operation. We aim high to provide a safe and healthy workplace for all by:

- Continually and effectively preventing injury and ill health and improving our occupational health and safety performance.
- Complying with standards required by all applicable Occupational Safety and Health regulations.
- Fulfilling all occupational health and safety requirements prescribed by the company.
- Setting and reviewing occupational health and safety objectives.
- Providing necessary occupational health and safety information and instructions to enable all employees to carry out their jobs competently and safely.
- Selecting competent suppliers and monitoring their performance to ensure related standards of occupational health and safety are secured.
- Actively communicating with employees to make them aware of their individual occupational health and safety obligations.
