

# Hope House Is Growing

March 2020

Do you want to hear some really exciting news? Covenant Children's Home is growing! Our second home is taking shape rapidly. CCH is experiencing unbounded hope and unbridled expectation as we begin the next chapter in our development. Will you partner with us? Saying yes will help CCH reach even more children who are suffering from neglect and abuse. For a season or two of their precious young lives these children as yet unknown to us, will experience the love, joy, and comfort of living in a Christian home with a "real Mom and Dad." YOU can be a participant in this journey with a love gift to help us on our Hope Quest. Any amount is appreciated as we embark upon this new adventure!

CCH has had an anonymous donor offer to match all gifts up to \$50,000.00! This will enable us to really begin the process of finishing Hope House! 🛠️ Will YOU partner with us, please? Children are anxiously waiting .... Thank you.

Please visit our website: [www.cchfl.org](http://www.cchfl.org) to find a convenient and easy way to donate towards the completion of Hope House. Thank you. 💕💕
