Dear Potential Donor:

The Old Rail Tavern is currently fundraising for a Charity Golf Outing that they have planned for Monday, May 11th 2026 at Rancocas Country Club. 100% of the proceeds from this golf outing will be donated to our charity and we could use your help to make it as successful as possible. We are looking for businesses to sponsor our event with either sponsorships, foursomes, or baskets to raffle at the event. Your donation will help us ensure that we can continue helping those in need.

Audubon Peer to Peer Aid is a volunteer based, 501(c)3 providing support to Audubon Borough and neighboring communities since 2020. Our mission is to connect people in need with a community that can help.

Our organization started by taking requests from individuals and families that were in need and anonymously posting their request on social media asking the community to help. Volunteers collected donated items and delivered them to the requester. Our organization has grown exponentially over the past few years, and we now maintain a pantry providing non-perishable food and necessities to 31 communities in Camden County. We accept requests through calls, texts, email, and social media and our team of volunteers pack and deliver these requests typically in 1-3 days.

We rely primarily on food donations from the community to stock the pantry and frequently demand exceeds our supply. Our organization also requires financial support to cover operational costs including rent, insurance, and utility bills.

On behalf of the Audubon Peer to Peer Aid alongside the Old Rail Tavern, I thank you for your consideration and support.

Sincerely,

Kelli Aceto
