### SANDWICHES FOR MAY10

### HELP THE NEEDY

Immaculate Conception Drop-in Center is in need of food donations! They need food for every weekend. Our council has agreed to prepare and provide 200 sandwiches on May 10. The sandwiches need to be individually wrapped with a variety of fillings but **NO** peanut butter. Suggestions are, ham and cheese, egg salad etc. on white bread. Providing homemade cookies or fruit (banana's preferred) would be fantastic.

Can you and your family make 10-20 sandwiches at home? We can either collect them or have them dropped off at a 608 Renfrew St to be transported to the drop -in center for 11:30 on May10. As always please maintain food handling health standards. We have 5 members that have committed to making 80 sandwiches. Please let us know how many you can make.....we need your help.
