Have you taken the first dose of the abortion pill mifepristone (also called Mifeprex or RU-486)? Do you regret your decision and wish you could reverse the effects of the abortion pill? It may not be too late!

Call 877-558-0333 to speak with a nurse for more information now, day or night.

The Safe Delivery of Newborns law allows for parents to confidentially give their infant up to 72 hours after birth to an emergency service provider or by calling 911.

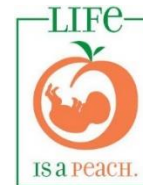

Emergency service providers are uniformed employees of a fire department, police station, or hospital that are inside the building and on duty.
