Welcome to Our Playground Solutions

At **Play On Art**, we specialize in both custom-made and prefabricated playgrounds, offering a comprehensive turnkey service from design to installation. Our goal is to provide high-quality, safe, and engaging playgrounds that delight children.

Our services encompass everything from initial consultation and custom design to professional installation and ongoing maintenance if required.

We offer bespoke playgrounds made from durable materials such as metal, wood, or composites, tailored to your specific needs, as well as prefabricated options for quick installations.

Investing in a playground from Play On Art enhances your space, attracts families, and promotes physical activity. Our playgrounds create welcoming environments that foster a sense of community and provide endless fun for children.

● *Bespoke Playground Apparatus*

At Play On Art, we excel in creating bespoke, custom-made playground pieces that are uniquely designed to fit your specific needs and vision.

Our comprehensive turnkey service ensures every aspect, from initial consultation and design to installation and maintenance, is handled with expertise and care.

Using a wide variety of high-quality materials we craft durable and imaginative play spaces that engage children and enhance any environment.

● Applications

Some of our bespoke, custom-made play sculptures.

These installations showcase our dedication to creating unique, engaging, high-quality play spaces. Our custom playgrounds are not only visually stunning but also durable and safe, making them perfect for a variety of settings, including retail centres, businesses, restaurants, farms, residential estates, and community parks.

Imaginative and inclusive play areas foster joy, creativity, and community spirit, offering valuable recreational opportunities in all neighborhoods.

● Prefabricated Playground Solutions

Our prefabricated playground play gyms are versatile and suitable for a variety of settings, including schools, parks, residential communities, and commercial spaces. Installation is quick and there is no maintenance required.

They provide a safe and fun environment for children to play and to develop essential motor skills.

Our turnkey service ensures a seamless process from design to installation, with additional amenities like shade sails for sun protection and rubber flooring for enhanced safety.

These features not only improve the play experience but also extend the lifespan of the playground, making it a valuable investment for any space.
