

Turn Compassion Into Action!

Become a Red Cross Volunteer Today!

Volunteers carry out 90% of the humanitarian work of the Red Cross. Whether helping one displaced family or thousands, providing care and comfort to an ill or injured service member or veteran, or teaching others how to respond in emergencies, it's through the efforts of ordinary people that we can do extraordinary things. The Red Cross responds to an emergency every 8 minutes, and our vital work is only possible because of people like you.

Volunteers Urgently Needed for the Following Positions in Your Community:

Disaster Action Team Member

Disaster Action Team (DAT) volunteers help local families by responding to local disasters, the most common being Home Fires, and helping the community recover.

Recovery Team Member (virtual role)

Supports the Regional Disaster Cycle Services department by providing follow up and recovery planning services, including referrals, for families after events.

+ Many More

Many volunteer opportunities available from, Health Services, Blood Ambassador, Sheltering, Translation, Events, Outreach, Transportation ,

[Volunteers applying for in-person position assignments must be fully vaccinated. Instructions on providing information and supporting documentation of vaccination will be provided once you submit your application.]

Do you love to drive and help others?

Become a Transportation Specialist Today!

As a Blood Services Transportation Specialist volunteer, you will be saving lives by transporting blood products to local hospitals using a Red Cross vehicle located at Blood Centers. This is a critical need position and we need your help to deliver these blood products to those in need! Some requirements include having a valid driver's license, the ability to carry, lift and move sealed boxes up to 45 lbs, and being 18 years or older. If you meet these requirements, we need volunteers like you!
