Emergency Assist > JaGa Home

Home Emergency

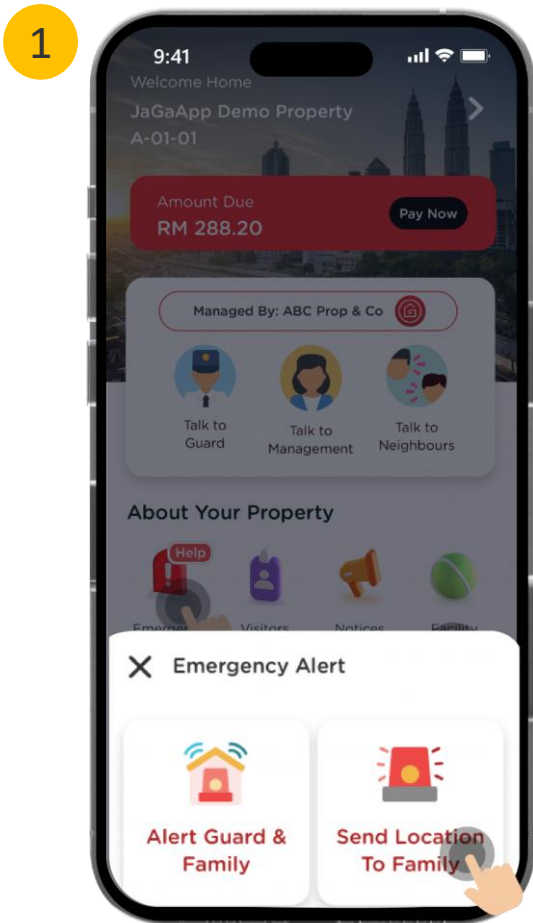

All emergency contacts including the Guard House will be alerted automatically.

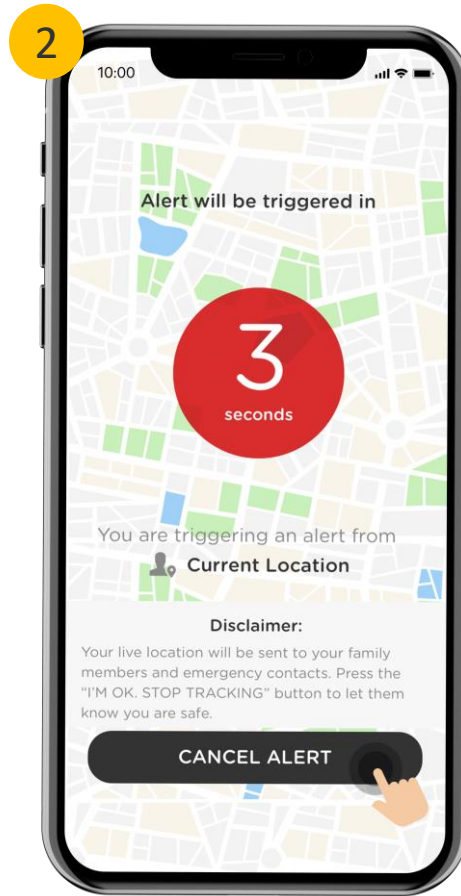

If the situation has been solved, tap on **"CONFIRM SAFETY"** and the guards will know that you are ok.

Location Emergency

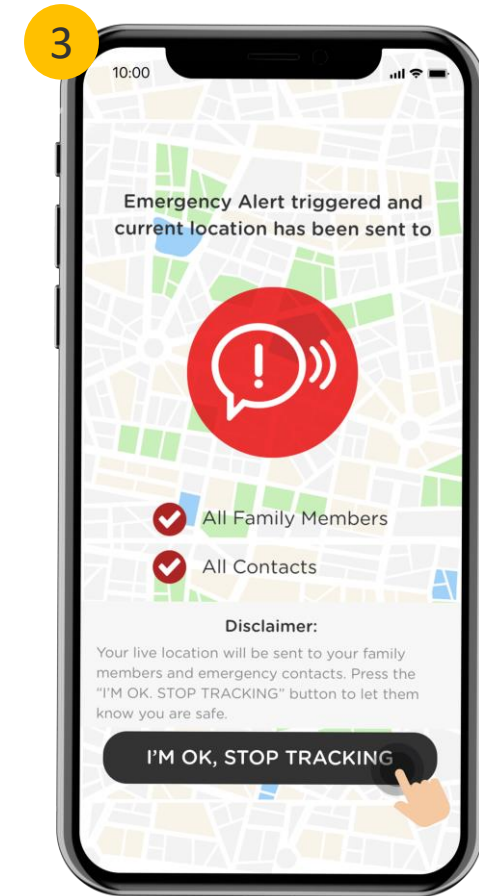

Click on “Send Location To Family” to trigger Emergency Alert

Triggering Alert

All alerts will be triggered automatically in 3 seconds.

You may click “CANCEL ALERT” for accidental press.

Location Emergency Sent

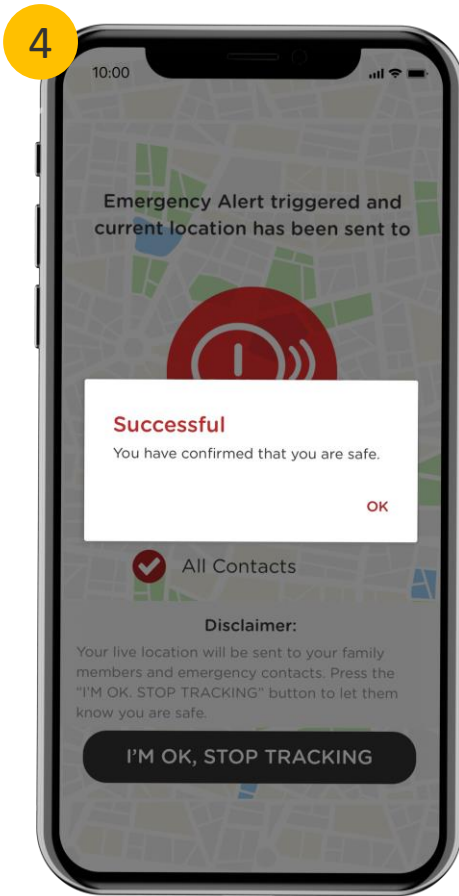

Your current location will be sent to all your emergency contacts.

Click “I'M OKAY, STOP TRACKING” to acknowledge and stop the location emergency alert.

Emergency Assist > JaGa Location

PRIVATE & CONFIDENTIAL

Location Emergency

IMPORTANT NOTES:

No charges will be charged to the user for all the SMS alert notifications of the Emergency Assist function.

When User Confirm Safety

A safety message will appear as shown. You may click on **"CALL USER"** to contact the user directly or click on **"SHOW LOCATION"** to get the user's last location via **Waze**.
