MHRC General Meeting Minutes, July 24, 2019

The meeting was called to order at 7:01 by Director Greg Duthie. Present were Greg and Kathryn Duthie, Johnny and Bonnie McCauley, Jack and Jodie Wojnowski, Randy and Sue Rohner, Laurie Abbott, Rocío Baunsgard, Leonard and Debbie Dutton, Jerry and Carol Barteaux, Mona Marsh and Orville Crull.

The Minutes from the last General Meeting were approved. There were no corrections or amendments. Jack motioned and Johnny seconded.

Kathryn gave the Treasurer's report.

Roger Hull is home.

Keith and Penny are in charge of dash plaques.

Sue announced the drive to Government Camp on Sunday 6/28. This will be one of the Driving legs for the 2020 Driving Tour. Members will meet at the Fred Meyer in Gresham at 08:30. From there the group will go to breakfast. Other driving legs will take place approximately once a month. Keith and Penny will do theirs in the Fall.

Gary Stafford invited members to a car event in Keizer. It took place on 6/21 at the Willow Lake Golf Course. It was a nice day and pleasant venue. Gary has many cars including several Cadillacs, a Model A, a Model T and a Carmen Ghia.

The Club needs to decide on having a booth at The Portland Swap Meet. Jodie motioned and Laurie seconded to participate for one more year. The motion was approved. Laurie said that prospective member Kathy Kruger was going to attend tonight's meeting. However, she didn't come. Larry Schick and Richard Fabbro were absent.

Our All Cadillac & LaSalle Car Show will take place 8/24. There were 240 flyers mailed to members in Washington, Oregon, Idaho and Northern California by the mailing committee of Greg, Kathryn, Jack & Jodie, Bonnie.

More raffle prizes are needed. Debbie will take home prizes that members brought to the meeting.

Debbie and Bonnie will investigate the High Rocks Restaurant as a prospective new venue for the General Meeting.

Bonnie brought some letters for members who donated trophies.

Johnny had a chance meeting somebody who would facilitate a channel to approach Vancouver Cadillac to request its sponsorship.

Campbell Munn's picnic party will take place August 17th. to celebrate Becky's birthday. The party is a pot luck from 2 until dark. Campbell will open up his shop and members will have a preview of his 100+ Cadillac collection before it goes into auction.

The meeting was adjourned at 7:41.

Jack:

This is my '49. Don't believe anyone in the Club has seen it. Photo taken at Cruise to the Center of Oregon on July 20; too bad no one from the Club attended ! Next year, our show will be 7/11/20. That's 2020. Mark your calendars.

It's in the shop; Eric (a mechanic at Rick Becerra's shop in PVL where many of the Club members met a few years ago) is working on the "slow-starting" issue and repairing the speedometer and vacuum windshield wiper motor.

Sorry to have missed the potluck yesterday at Campbell's :(
Best regards to Jodie !

Gary Parn (the one in Prineville)

"The deal on Roger Hull's '75 Caddy Coupe DeVille - *just got a little sweeter!*"

He will eat the \$171 he just paid last week for DEQ and new license tabs. So, the price is still \$20K to a Club member, but he or she gets to enjoy driving it for the next two years on Roger's DEQ'd, license plated, clean air producing gorgeous Cadillac. I know this evaluation is true because Roger swore to me that while waiting for a light to change by a bus stop near his home, a guy hollered out to him, "Wow! That's got to be the most beautiful 1970's Coupe DeVille in all of Oregon and several nearby states too!" Please note that, like any 45 year old car, this one also has a few personality traits. They are very few and very minor, but Roger only knows how to tell it like it is. If you would like an up close look, call Roger at 971-533-6700 for a tour.

Roger is trying to get his car sold as soon as possible. He, of course, would love to see his car go to someone in the Club. He has asked Johnny, 503-661-3299, Richard Fabbro 360-915-4689, to be the phone numbers for contact, and to help him sell it.

Over \$40,000 invested. New vinyl top, completely rebuilt engine and transmission, New leather interior, and new trunk and interior carpeting. New flawless paint. Show quality chrome. New cruise control parts ready to install. This car has less than 1000 miles on it since the engine/transmission rebuild. Receipts for all work performed. This is an outstanding example of a 1975 Cadillac. \$20,000 Firm to MHRCLC members only. Otherwise the price is \$25,000.

FOR SALE OR WANTS:

For sale: 2 sets 1951 Cadillac 331 cylinder heads \$125.00/set, 2 sets 1951 Cadillac rocker arm L&R 1949 Cadillac exhaust manifolds \$100.00/ Pair. All parts should be considered cores. Call Greg Duthie @ 206 380 0123 or wgd300@hotmail.com
