

Italian American Club information

*Parking is available in the main parking lot next to the building and on the street

*You may enter the Italian American Club through the parking lot entrance. There is one step at the doorway, followed by four steps with railings on both sides leading to the event room.

*The entrance closest to the street has a wider stairway with one railing and may be a better option for guests using a wheelchair or needing additional space.

*Committee members will be available to assist guests if needed. You are welcome to email us in advance if you would like assistance upon arrival, although this is not necessary.

Bathrooms are accessible from the main floor.
