

MY FIRST NATURE

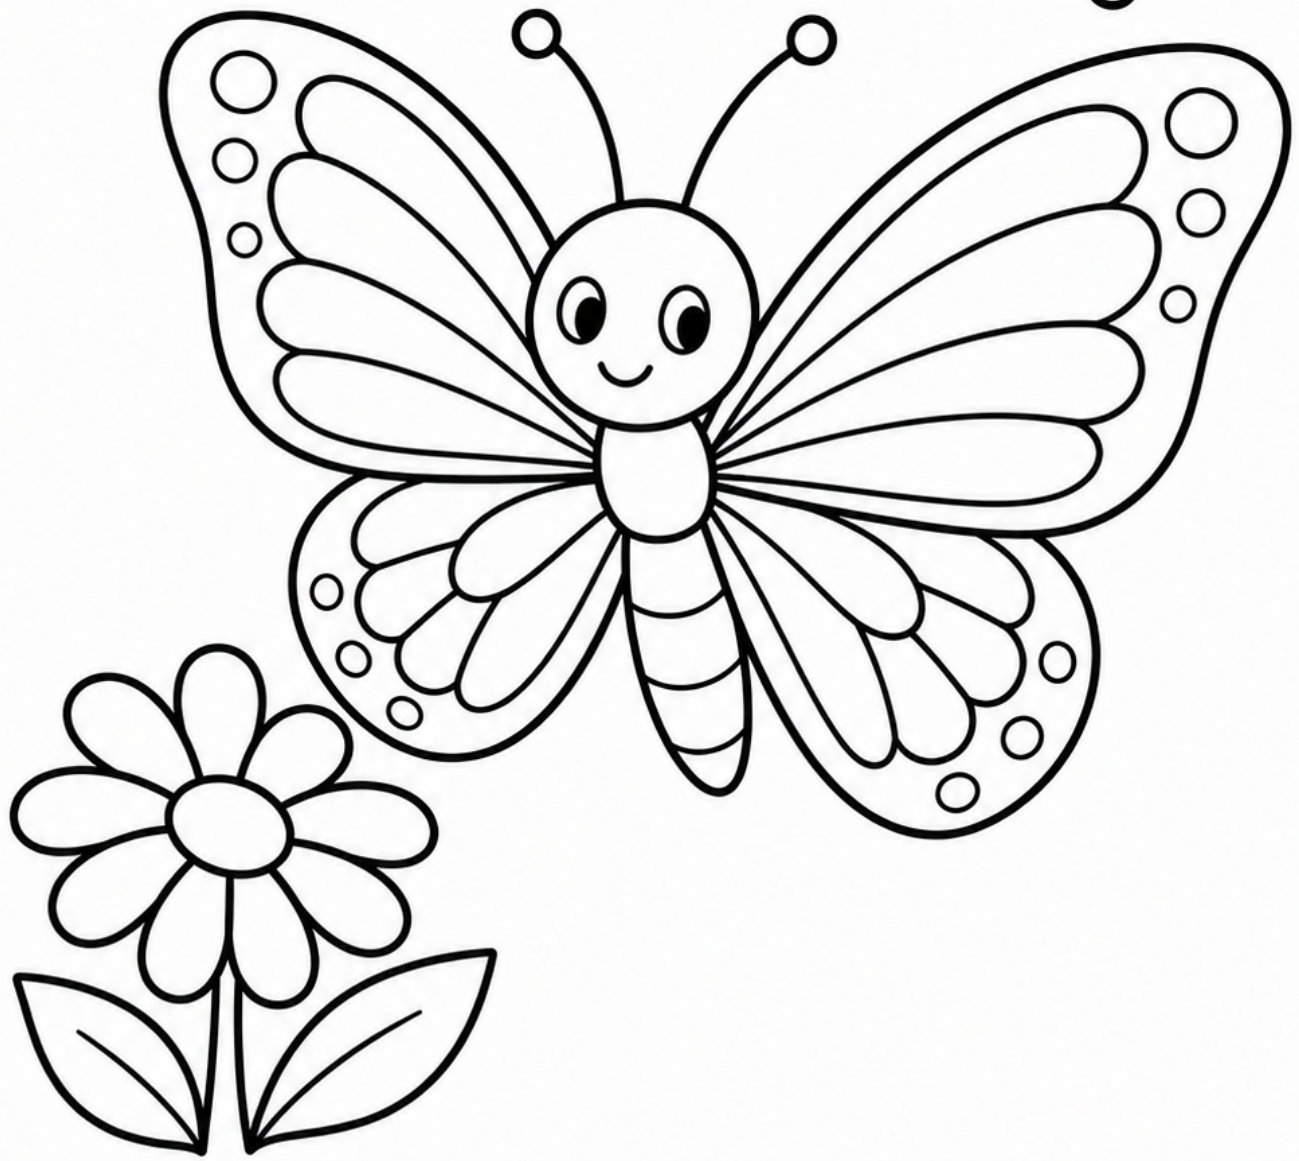

COLORING BOOK

Honeybee

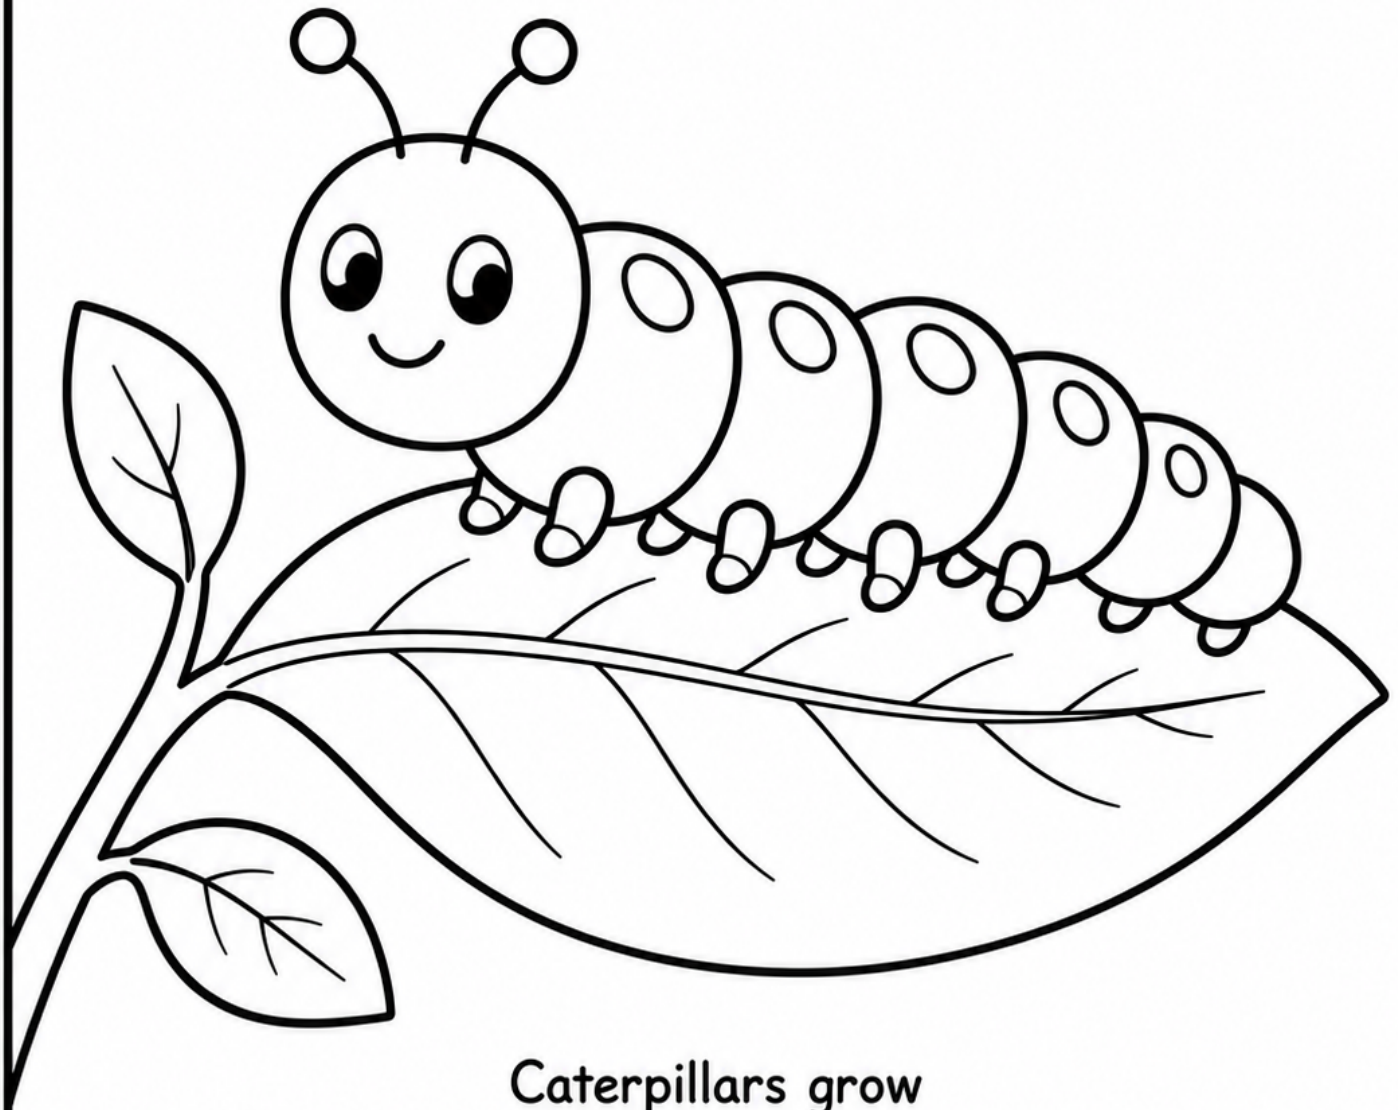

Bees help flowers grow.

Butterfly

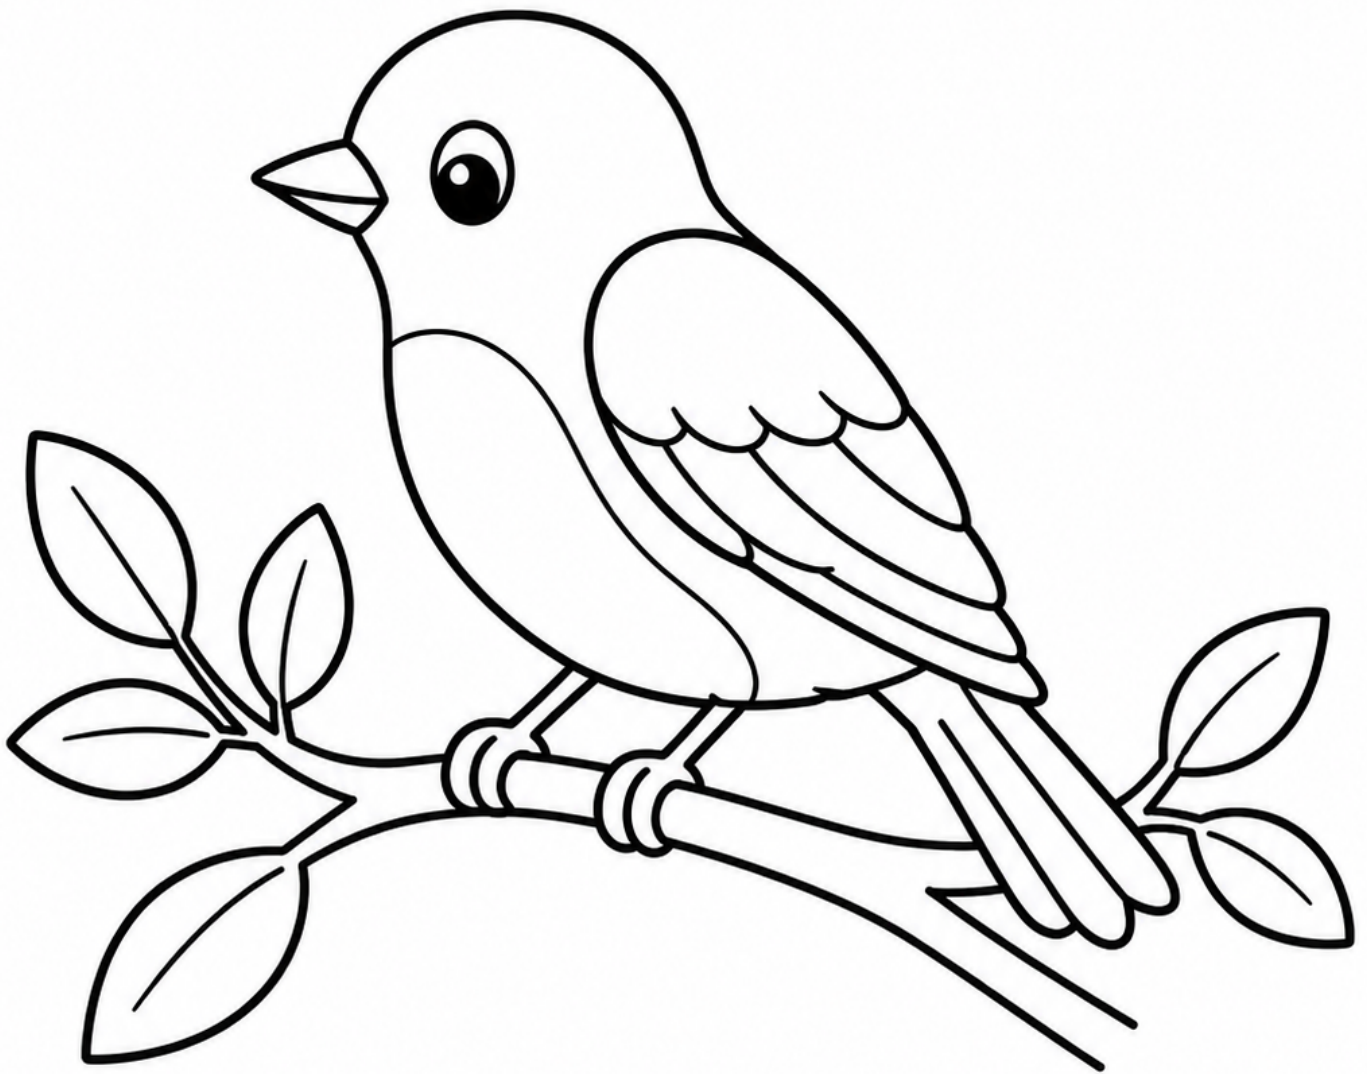

Butterflies help make nature beautiful.

Caterpillar

Caterpillars grow
and change into butterflies!

Bluebird

Bluebirds bring songs
and help our gardens!

Oak Tree

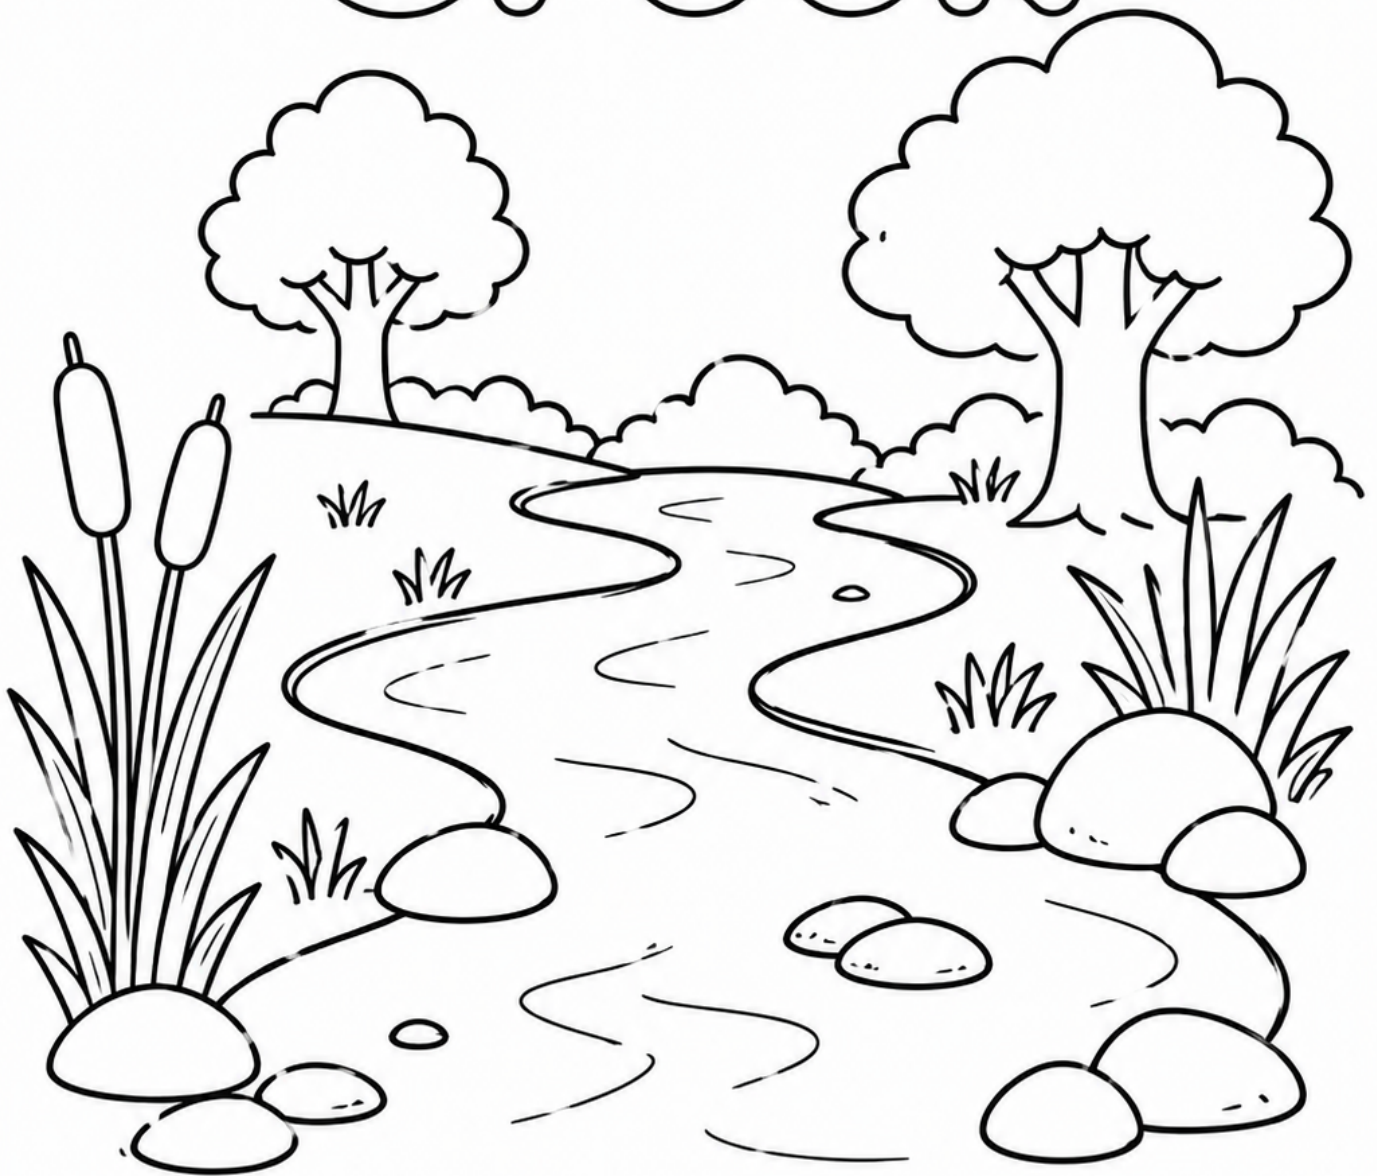

Oak trees give us shade, homes for wildlife,
and strong, beautiful wood.

Coneflower

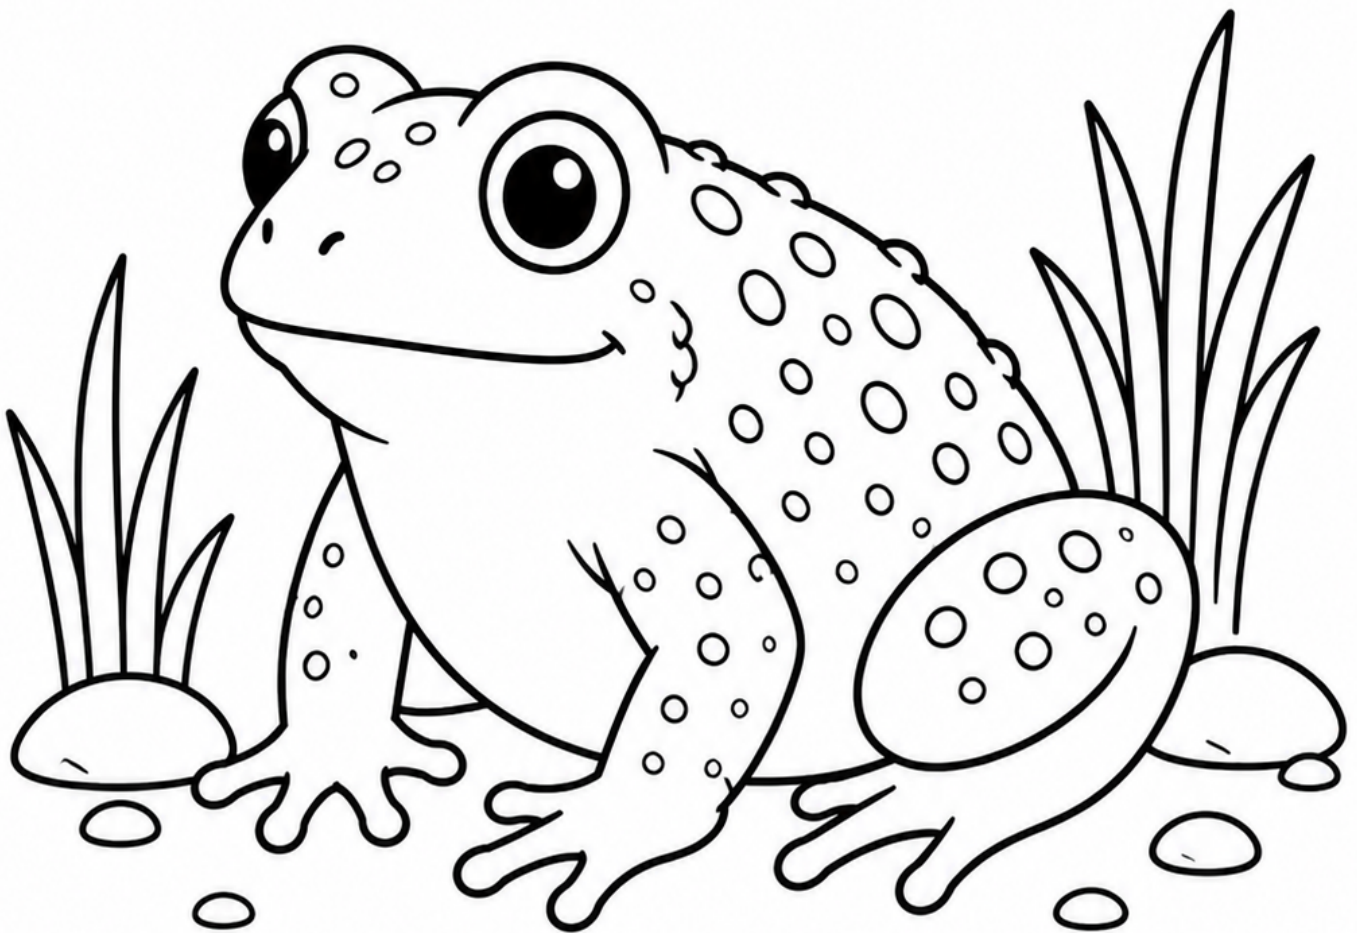

Coneflowers bloom all summer long
and help pollinators thrive!

Creek

Creeks give water to plants and animals.

Toad

Toads help keep bugs away
and our gardens healthy!

Ladybug

Ladybugs help keep plants healthy.

Tools

for Caring for Nature

Good tools help us plant, grow,
and take care of the earth.

Certificate of Completion

This certifies that

has completed the Sprouts coloring book
and is growing as a young steward of nature!
