The mission of Leadership Hancock County is to develop capable and motivated leaders to assume an active role in the growth, management, and success of our communities.

“Each of us must be the change we want to see in the world” - Mahatma Gandhi

Congratulations! You have been identified as a candidate for class membership in Leadership Hancock County by either your employer or a current member of the LHC Board of Directors. Leadership Hancock County candidates have demonstrated potential for leadership and growth within their organization. Our goal is to provide leadership graduates with awareness of community issues and skills to creatively meet those challenges. Graduates of this program will be a great asset to local businesses and organizations within Hancock County.

Throughout the years, Leadership Hancock County has been successful in making participants aware of the community. Leadership Hancock County’s 9-session program exposes each participant to key community issues and specific leadership capacities necessary for the 21st century. We continue to critique and improve our program to ensure it is among the best leadership programs offered at an affordable price. Our sessions take students through areas designed to promote skill development in the following areas: problem solving, team-building, conflict management, decision making and communication. Participants are involved in a group project outside of class days and are encouraged to participate in local boards and councils upon completion of the program.

Please carefully review, complete, and return this application form to Leadership Hancock County on or before **August 8, 2022**.

Thank you again for your interest in Leadership Hancock County. Please don’t hesitate to email info@leadhc.org.
