HOW TO STYLE YOUR BAR CART FOR THE HOLIDAYS

We love simple ways to host friends and family at home for the holidays! Bar carts are one of our favorite pieces to utilize during holiday gatherings – they elevate the party by adding elegance & style

RECREATE IN 4 SIMPLE STEPS

1. Choose what beverages/ingredients your holiday gathering needs and display them on the cart.
2. Add a citrus element such as an orange to add freshness!
3. Display your glassware. We chose to use our vintage glassware from our Etsy shop!
4. Accessorize! We like to use fresh florals and books to add interest
