Where the Cool Kids Retire

The Ocala Tech Club, formerly the OTOW Computer Club, has evolved to stay relevant in today's tech-driven world. Here's what we offer:

- **Thursdays - 8:30 AM** (Event Room, Hobby Building): Tech help with a member volunteer for one-on-one assistance with computers, smartphones, tablets, and wearable device issues.
- **First Friday of the month - 1 PM** (Event Room, Hobby Building): Computer basics class covering topics like apps, mail, files, folders, printers, backups, and internet safety.
- **First Saturday of the month - 9 AM** (Event Room, Hobby Building): Presentations on tech topics plus audience Q&A.
- **Other Saturdays - 9 AM** (Zoom): Online sessions with tech news, tutorials, plus seasonal presentations such as hurricane preparedness.

Special Topics: Articles in the World News on subjects like cybersecurity, smart homes, and tech tips.

Join us to explore and navigate the ever-changing world of technology!
