ABOUT OUR PRODUCTS

- **Made from 100% Recycled Plastic Fabric (RPF)** canvas spun from used bottles—diverts plastic from landfills and oceans.
- **Climate advantage:** RPF production yields 30–60% less Greenhouse Gas Emissions · 40–70% less Energy · 20–70% less Water use than virgin cotton/polyester.
- **Crafted by local women artisans** (supports women’s income generation and skill development)
- **Built to last:** High-GSM, repairable stitching replaces hundreds of single-use bags—lower footprint per use.
- **Safe & verified:** Our recycled plastic fabric is OEKO-TEX®, GRS, and RCS Blended certified—assuring skin-safe chemistry, verified recycled content, responsible social/ environmental practices.
- **Local livelihoods:** Made locally with fair wages and skills development—more income per rupee spent.
- **Brand-ready sustainability:** Clean low-impact, high quality custom prints for responsible gifting.
- Prices vary MOQs & Finishing. Avail on Req.
