

Dear Friends and Family:

This year will mark the seventh anniversary of the Christopher M. Fuga Memorial Foundation's creation, along with the ninth anniversary of Chris's passing. We cannot believe it has been nearly a decade since he left this earth, and while we continue to feel his loss deeply, we remain proud of and grateful for all of the success we have experienced in raising awareness and funds to support research for blood cancer treatment. We have felt invigorated this year in particular, as our fundraising efforts have been off to a great start. Thanks to the planning of dedicated friends and family members, we had a blast at our annual spring events including Music Bingo and Grandpa's Jam, our music festival. We also held an extremely successful golf round auction through the organization Member For A Day. Your unwavering support through sponsorships and participation at these events has been the driving force of the Foundation's success, and we will be forever grateful for the role you have had in helping us to honor Chris's memory.

Year after year, you continue to leave us astonished at your generosity and support of the Foundation. As a result of the multiple events in 2023, we donated \$60,000 to the Fox Chase-Temple University Hospital Bone Marrow Transplant Program. The donations have been earmarked not only for cancer research efforts, but also are being used to assist patients with needs surrounding access to medical care. To date, total contributions to Fox Chase and other charitable causes have totaled over \$500,000.

We hope that you have been staying cool and look forward to the approaching autumn, which will mark the arrival of the 8th Annual Christopher M. Fuga Memorial Golf Classic. Please join us for this special event on Tuesday, October 1, 2024 at RiverCrest Golf Club and Preserve in Phoenixville. It goes without saying, once more, that your generosity has been valued in immeasurable ways to our family: we welcome any direct contributions to the Foundation through the end of this year. Checks may be made payable to:
