

Dear Friends and Family:

This year will mark a very bittersweet milestone for our family, as it will be ten years since Chris passed away, a mere sixteen months after receiving the diagnosis of Acute Myeloid Leukemia. We do, however, feel fortunate that he remained with us during that timeframe, and that he was able to continue doing what he loved, whether golfing, traveling, or being surrounded by his friends and family. We are so proud of all the success we have experienced in raising awareness and funds to support research for blood cancer treatment in Chris's memory. Your unwavering support through sponsorships and participation at our multiple events throughout the year has been the driving force of the Foundation's success, and we will be forever grateful for the generosity you have repeatedly shown to our family.

As a result of the Foundation's fundraising events in 2024, we donated \$65,000 to the Fox Chase-Temple University Hospital Bone Marrow Transplant Program. The donations have been earmarked not only for cancer research efforts but are also being used to assist patients with needs surrounding access to medical care. To date, total contributions to Fox Chase and other charitable causes have totaled close to \$600,000.

We hope that you have been enjoying the summer season and we look forward to this fall, which will mark the arrival of the 9th Annual Christopher M. Fuga Memorial Golf Classic. Please join us for this special event on Tuesday, October 7, 2025 at RiverCrest Golf Club and Preserve in Phoenixville. It goes without saying, once more, that your generosity has been valued in immeasurable ways to our family: we welcome any direct contributions to the Foundation through the end of this year. Checks may be made payable to:
