

Dear Friends and Family:

Each year as we sit to write this letter to you, there is an immense sense of pride in getting to plan another year of fundraising in Chris's memory to raise awareness and support research for blood cancer treatment. Having the privilege to do this work is ever motivated by the ways in which you have helped us keep Chris's giving and amicable spirit alive. Your unwavering support through sponsorships and participation at our multiple events throughout the years has been the driving force of the Foundation's success, and we will be forever grateful for the generosity you have repeatedly shown to our family.

As a result of the Foundation's fundraising events in 2025, we donated \$60,000 to the Fox Chase-Temple University Hospital Bone Marrow Transplant Program. The donations were again allocated toward both blood cancer research efforts and patient assistance/care access. In addition, we were able to donate \$13,000 to several entities supporting student educational needs and other non-profits. Since 2017, total contributions to Fox Chase and these other charitable causes have totaled \$655,000.

We hope that you have been enjoying the summer season and we look forward to this fall, which will mark the arrival of the 10th Annual Christopher M. Fuga Memorial Golf Classic. Please join us for this special event on Tuesday, October 6, 2026 at RiverCrest Golf Club and Preserve in Phoenixville. Let's make this an extraordinary year as we mark our 10-year milestone event! We welcome any direct contributions to the Foundation through the end of this year. Checks may be made payable to:
