November 3, 2025

Greetings:

I wish to thank all the members of the Alliance for Disaster Relief and also welcome the Bar Association of Palm Beach County as a partner.

The Alliance is made up of The Jamaicans of the Palm Beaches under whose umbrella we operate, United Sports and Social Club, CAFCI, Daughters of Helen (Eastern Caribbean Group) and Grace Episcopal Church.

We are presently collecting items (see list attached) for shipment to Jamaica. These items will go to Black River, South Trelawny and parts of Westmoreland (per Delcie). We are hoping to send medical supplies, up to 1,000 hygiene care packages, 500 tarpaulins and other sundry items.

The shipment of these items will be channeled through the Diocese of Jamaica and the Cayman Islands. Going this route will avoid duties and tariffs upon arrival in Jamaica. My local contacts are the clergy of each area who knows the people and those in great need.

We will also be sending cash through the Diocese and have attached the requisite information for the designated recipients. Each group should ask their members to send cash which will be turned over to the Jamaicans of the Palm Beaches/Alliance.

All items should be delivered to Grace Episcopal Church where the packaging and packing of the trailer will take place.

Our next meeting will be on November 10, 2025 at 6:00 p.m. to set a packing date.

Sincerely

Rev. Dr. Winston Wright
Chair
