

QUARTER HORSE ASSOCIATION OF ALBERTA

Hello and Welcome to the 2025 Season! Thank you for taking the time to learn about our amazing organization and how you can help!

We know the current times are tough and many are struggling to find a sense of normalcy and support.

This includes our members who find great pride, work ethic and sense of community involvement paired with their love and partnership with their American Quarter horse.

We seek to support this relationship and not only foster the members of the organization, but to help the community come together and share in this special partnership as well. In a time when we are seeing much distress, uncertainty and fear, our love for our horses and the community activities that surround this love, we can share our values, commitment and sense of pride through competition and sharing.

Why Support the QHAA?

- The Quarter Horse Association of Alberta (QHAA) strives to preserve and promote the Horse industry, build friendships and camaraderie and encourage fun and competition.

QUARTER HORSE ASSOCIATION OF ALBERTA

- QHAA organizes shows all throughout Alberta, as well as supports clubs in other Canadian provinces.
- Our shows bring revenue to the community by bringing us all together, competitor, families and supporters who will need food, hotels, fuel and shopping opportunities.
- When we consider that Canada alone has over 240,000 Quarter horses and over 50,000 Quarter horse owners, we can see the real potential affect of our events to the communities that surround them.
- Our members and competitors demonstrate, embody and set the example of real strong values, such as:
 - Hard work – our events require members to care for their equine partners well being, even before their own. They will spend hours perfecting their skill sets and practicing to get it “just right”, and to honor the amazing and complex partnership between horse and rider.
 - Community pride – we welcome community sponsorship and involvement as well as the promotion of local business sponsors. We love to showcase these business as part of our operations.
 - Care and Connection with equine partners and inspiring good sportsmanship throughout the organization and in our daily activities.
 - To give members a safe space to share in group activities where we support and encourage one another. We help to create pride of ones self and the concept of working hard toward a goal, skill sets that are vital in life.
- To achieve these goals, the association needs your help! We are seeking to recruit sponsorship partners willing to lend their support. Please see the package options below, we welcome any assistance that fits your budget. Remember all donations may be tax deductible. (Please check with your tax professional for details)
