# Souls = Gold. What Does Heavenly Treasures Rewards Look Like?

The Bible said: Lay up for yourselves treasures in heaven. Yourselves, meaning you are doing it for you. Investing in Souls. How does that work? Just think, what will happen to your money in the bank when you are raptured up? Will the anti-christ get your money? The antichrist will control the banking system with your left behind money. Do you know you can Transfer your money to treasures in heaven by winning Souls. Souls are Gold. God's heart is Souls, Jesus died for Souls. When the rapture takes place, you are gone. Just think that money could go towards winning souls and allow you to get heavenly treasure credits. That is what the scripture means, "lay

up for yourselves treasure in heaven. Some of us are going to have superpowers. Jesus walked on water and through doors. Jesus have cloud transportation. Some of us are going to be rewarded with wings that can fly around heaven: where others are going to have to walk around heaven. Big mansions or small mansions, we are going to be rewarded with incredible heavenly treasures rewards based on your works on earth. You get out of it what you put into it. Lord whatever you are doing in the season, don't do it without me. Be a part of witnessing to residents in America. We are soldiers in God's army. Fight for
