The Bible said: Lay up for yourselves treasures in heaven. Yourself, meaning you are doing it for you. Investing in Souls. How does that work? Just think, what are you going to do with your money in the bank when you are raptured up? Do you know you can Transfer your money to treasures in heaven by winning Souls. **Souls are Gold.** God's heart is Souls, Jesus died for Souls. Help us send "God's Salvation Summons" to every household. 321 Million Households in America. Winning Souls in the mass together through our mass mailer system. America for Jesus!

Let me share with you what God showed me. **Matthew 6 19** Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal: **20** But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal: **Many laid up treasures on earth by investing in the stock market. Once the rapture takes place, the stock market will crash in a way of no return. When we lay up treasures in heaven by investing in Heaven's Market, that gives phenomenal eternal returns with no risks.** Check this out, if you have \$10,000 in the bank, when the rapture takes place, you are gone. Where does your left behind money go? Have you ever thought about that? Your money will end up with the

state, federal and antichrist. Yes, the antichrist is going to enjoy your money. The antichrist will control the banking system with your money that was left behind. Just think that money could go towards winning souls and allow you to get heavenly treasure credits. That is what the scripture means, "lay up for yourselves treasures in heaven.

Look at it like this, that person that has \$10,000 in the bank, that is just sitting there, they don't need money to pay their monthly bills, they get a weekly/monthly paycheck to live on. Since you don't know the day or hour, some may invest all or part of it. God looks at it as what you have to offer Him. One may have only \$1,000; another may have only \$100, that \$100 is just as valuable as someone else's \$10,000.

God showed me just some of the rewards in heaven, that He will reward based on our works here on earth. We are going to have superpowers. Jesus walked through doors and Jesus walked on water. Jesus's transportation are clouds that came down from heaven and took Him up. Some of us are going to be rewarded with wings. Some will fly around heaven, where others are only going to be able to walk around heaven. Some will have a big mansion, where

others have small mansions. Do you understand what I am saying? If you are ever going to do something for Jesus, it is now. When we help Jesus win these souls just before his return, we are helping ourselves by laying up treasures in heaven for ourselves.

God Himself has set up His Divine Soul Winning Operation Plan and giving the saints an opportunity to redeem themselves because the church has failed to witness. God's Soul Winning Operation is going to do a quick work, an end-time movement and a large number of souls will be saved. Guess what? If you help fund salvation for these last day souls, you are going to be rewarded with incredible heavenly treasures. You get out of it what you put into it. 321 Million

homes need to be served with God's "Don't Miss the Rapture Warning Summons". This may be their last call to escape hell. *Lord whatever you are doing in the season, don't do it without me.* Be a part of it.

This is not about putting your money in a church: when the rapture takes place the antichrist is going to get the church's money also. Why? The saints are raptured up and goneeeee! We are soldiers in God's army. When Jesus returns, don't be found NOT doing anything and sleeping on your post. Your mission is to win as many Souls as you can to Jesus Christ before it is too late. Fight for Souls!

God's Souls Winning Operation Plan Vision has already been written and it is plain on tables that you may run that readeth. (Habakkuk 2:2) We have work to do, let's get to work. This is the last thing we can do for Jesus, let's give Him our very best.
