

Heavenly Father,

thank you for All that You do.

I come to You in prayer and ask that this prayer be everlasting and ongoing as names are added to help those in need, to heal them and to lead them to our Lord and Savior, Jesus Christ.

I pray and send blessings to those that we name and ask the Holy Spirit to heal them, set them free from all torment and illness, provide comfort for those in need and to bless them. I then ask the Holy Spirit and in Jesus' name, to cancel all rights, assignments, curses & spells in their life including those that were created in past generations all the way to Adam & Eve. I also pray the same and send blessings to all those who come in contact with the said people that are listed below whether family, friends or contacts.

I ask the Holy Spirit to force out the enemy that would torment those listed. To burn them, to blind their eyes and to confuse their language and if they refuse to leave. I ask the Holy Spirit to use Angels to force them out and to torment them until they leave and to not allow them to return.

I then ask the Holy Spirit and in the name of Jesus to build a wall of fire of protection around those listed below, including their family, friends and contacts and to not allow any enemy to return or new ones to come in.

Those I speak of, pray for and request help for, healing for and freedom for including for the guidance, protection, expulsion and more are:

"say NAMES here"

In the name of the Father, the Son and the Holy Spirit I pray,

Amen.
