**Community Chaplaincy Training** is a comprehensive program designed to prepare pastors and community leaders to serve as chaplains within their local areas. Through this training, leaders are empowered to be a presence of hope and encouragement for individuals facing challenges.

Churches can benefit significantly by sending chaplains into their communities, creating deeper connections and fostering trust with those they serve. This training is ideal for churches aiming to extend their ministry beyond their walls and into everyday lives. If you're ready to prepare your team to serve as community chaplains, contact me to begin this impactful journey together.

Our focus is working with Pastors and their Leadership Teams nationally and internationally to establish or strengthen their community chaplaincy ministry.
