

CAREY LEADERSHIP INSTITUTE

STEPS TO SUCCESS WORKSHOPS

Workshop Requirements

1. Minimum twenty-five participants
2. Workbook for each participant
3. Six hours dedicated to the workshop

This Workshop and the entire series were developed to provide steps for personal and ministry success for believers.

Joshua – The first workshop in the series, teaches how to be successful in your personal life and leadership roles. It presents biblical and practical steps for successfully fulfilling your purpose. The six steps presented are:

Respond
Remove
Relocate
Request
Require
Respect

Effective Leadership-Enquiring & Rebuilding: Nehemiah wore three hats: he was a cupbearer, a builder, and a governor. In our workshop, we will view the enquiring & rebuilding principles from his roles as cupbearer and builder.

The Fine Art of Enquiring:

Enquiring of Others
Enquiring of God
Enquiring of Superiors

The Fine Art of Rebuilding:

Preparation
Process
Problems

These timeless principles are timely in dealing with challenges with rebuilding and restoring that today's leaders face.

Leadership Essentials – In essence, we are all leaders, be it in our homes, ministries, workplaces, or leisure places. Continual personal success and the successes of those we influence are in part connected to

Visibility
Prayer
Counsel
Faith

They should be prominently positioned in our mentoring and personal development efforts. These topics are discussed, and participants are provided with personal and group study questions. A personal audit is also provided for assessment and further development.

THE INSPIRE SERIES presents seven concepts (Intend, Negotiate, Sanctify, Pray, Influence, Relate, and Engage) derived from the acronym INSPIRE and represent one result of our interaction with Hurricane Irma, our community, faith partners, and the Holy Spirit.

This workshop takes a closer look at the verb Intend. The workshop format will be consistent throughout. The method of study is derived from the acronym STEPS.
