

ISLETA COMMUNITY MEMBERS

COVID-19 VACCINATION

PHASE 1b - AGE 75 AND OLDER

Isleta Health Center is excited to announce:

COVID-19 Vaccination is now available for Community Members ages 75 and older

BY APPOINTMENT ONLY

Please call 869-9720 for more information and for *appointment availability.*

Isleta Health Center anticipates vaccinating additional community members aged 65-74 in the near future dependent upon vaccine availability. Isleta community members aged 65-74 who are interested in the vaccine are recommended to call 869-9720 to pre-register.

Thank you
