

ISLETA HEALTH CENTER UPDATE

Isleta Health Center's priority is to keep our community healthy and safe.

Notice: Pharmacy Services Are Moving Back Inside the Health Center

Effective Monday, May 10, 2021, the pharmacy tent/drive-thru will no longer be available.

Patients can now safely pick up their prescription medication through the pharmacy window located in the Health Center's main clinic lobby.

- When entering the facility, patients must follow the COVID-19 safety practice by wearing a CDC approved face mask at all times and maintain 6-feet social distancing while waiting.

There will be limited seating available for patient's to wait for their prescriptions as necessary.

All Other Clinic Services:

If you are presenting for other services such as Dental, Medical, Optometry, Podiatry, and Audiology, you will follow the same procedure and arrive to the tent at the front entrance to check-in for services and then wait in your vehicle until a member from our provider team greets you and escorts you to your appointment.
