

WE WANT TO HEAR FROM YOU

The Isleta Health Support Group has been meeting since 2010. The support group is open to the Isleta Community and provides monthly health education, resource sharing, and peer support on chronic health concerns. The support group is intended to empower individuals with knowledge and support.

Currently the group meets at the Isleta Health Center on the 2nd Tuesday of the month at 10:30am-noon OR 5pm-6:30pm, alternating the time each month. The group is currently structured with a health presentation and discussion that follows.

We would like your feedback on how we can improve the Isleta Health Support Group! Individuals who complete the survey will be entered into a drawing to win a tablet! Survey must be submitted prior to the drawing, which will take place on June 11, 2022.
