

Minor to Receive Care

By law, any child under the age of 18 years old cannot be seen by a doctor without consent from a parent or legal guardian. If the minor arrives with someone other than a parent or legal guardian, we must have written permission to see the patient. This person must be appointed by the parent or legal guardian to act on your behalf.

You may complete a Minor to Receive Care Form prior to your child's Dental or Medical appointment. This form must be submitted prior to the scheduled appointment or accompany the patient and authorized adult.
