It provides an estimate for the range of costs associated with full-time study as an international student. This is based on estimates from the course selection of previous student enrolments within each qualification. This is an estimation assuming full-time study (120 points), unless otherwise indicated.

- All fees are in NZ dollars and include GST.
- Fees are subject to change year to year.
- If you’re taking courses as part of your qualification in the following academic year, you may be subject to a price increase for those courses.
- AUT reserves the right to change these published fees before enrolment to reflect any changes in government or university policy.
