**AUCKLAND  
UNIVERSITY  
OF TECHNOLOGY**

Study in New Zealand at one of the world’s best modern universities. Located in Auckland, New Zealand’s economic powerhouse, AUT is among the top 1% of universities in the world and the top 100 universities under 50 years of age. Our mission is to create great graduates, and we have 150,000 alumni who have successful careers around the world. We offer students exceptional modern learning experiences, and industry connections and workplace experience are an important part of our programmes.

This flyer gives you an indication of the fees you need to pay as an international student at AUT. It provides an estimate for the range of costs associated with full-time study as an international student. This is based on estimates from the course selection of previous student enrolments within each qualification. This is an estimation assuming full-time study (120 points), unless otherwise indicated.

- All fees are in NZ dollars and include GST.
- Fees are subject to change year to year.
- If you’re taking courses as part of your qualification in the following academic year, you may be subject to a price increase for those courses.
- AUT reserves the right to change these published fees before enrolment to reflect any changes in government or university policy.

Scholarships for international students

There are many scholarships for international students who want to study at AUT, including scholarships for students from specific regions of the world or who are studying programmes in a particular AUT faculty. We also partner with the New Zealand government to provide Manaaki New Zealand Scholarships, as well as partnering with other external sponsorship agencies and government departments in many countries.
