

WENDY LUCAS

ABOUT

Wendy Lucas is a Portuguese-American, independent artist based near Boston. She specializes in vocal melodies that captivate audiences around the world. The soulful background vocals that she writes decorate her music and make Wendy's sound unmistakably her own. Wendy began singing at the age of eight in church, where she learned to navigate through layers of harmony, creating the blueprint of her song-writing today.

LIVE MUSIC

Wendy Lucas loves to perform live! She works closely with guitarist Andrew Stilson to present a set filled with acoustic covers of classics, old and new, as well as their own original material.
