**ARTICLE VIII

The SFRAC-T will retain the financial reports in the Administrative Agency office, if applicable, or with the Treasurer of the Board.

Approval of Payables

- 8.02. Requests for the issuance of checks for all accounts payables shall be initiated by the RAC Administrator and approved (in signature) by two of the four SFRAC Board officers. The RAC Administrator shall make available to the Treasurer all transactions occurring within given months throughout the year. Should a Board Member, SFRAC Member or office personnel incur an unexpected cost, a reimbursement request form must be completed along with invoice and/or receipts attached. The Treasurer will review and approve payment if the amount does not equal or exceed \$2000.00, if so the incurred cost will need approval by the Board. The approval requirement in this section shall not apply to EMS County funding, as EMS County funding remains pass-through in nature.

Authority and Execution of Instruments

- 8.03. The Board, except as otherwise provided in these Bylaws, may authorize any officer or officers, agent or agents, or the SFRAC administrator to enter into any contract or execute and deliver any instrument in the name of and on behalf of the Corporation, and such authority may be general or confined to specific instances and, unless so authorized, no officer, agent or employee shall have any power or authority to bind the Corporation by any contract or engagement or in pledge its credit or to render it liable pecuniary for any purpose or to any amount, unless authorized by the Board of Directors.
- 8.04. Unless otherwise specifically determined by the Board, or otherwise required by law, formal contracts of the Corporation, promissory notes, deeds of trust, mortgages and other evidence of indebtedness of the Corporation and other corporate instruments or documents, and certificates shares of stock owned by the Corporation, shall be executed, signed or endorsed by the Chairman or Vice-Chairman, and may have the corporate seal affixed thereto.

whom the Board, by resolution shall have delegated such power, or by hand-stamped impression in the name of the Corporation.

Deposits

- 8.06. All funds of the Corporation shall be deposited from time to time to the credit of the Corporation with such banks, trust companies, or other depositories as the Board of Directors may select or as may be selected by any officer or officers, agent or agents of the Corporation to whom such power may be delegated by the Board of Directors.

Check Endorsement

- 8.07. All checks must be signed by at least two (2) of the four (4) Officers of the Board of the Corporation. Each of the four (4) Board Officers shall be designated as signatory of checks for the Corporation. A signatory cannot sign on a check made out under the same name as a signing signatory. Checks equaling or exceeding two thousand dollars shall be signed by the aforementioned and must be approved by the Board of Directors at the earliest convenience unless there is a direct impact that will affect funding or is in the best interest of the Seven Flags RAC to proceed with the issuance of such a check to conclude SFRAC business or meet specific contract requirements/obligations. The same will be allowed if there are extenuating circumstances that will directly affect or impact the Corporation financially by not issuing of a check or payment on behalf of the Seven Flags RAC and would not be feasible to have a formal meeting to obtain such an approval by the Board of Directors. In such cases, the Chairman, Treasurer, or Secretary of the Corporation may give verbal consent to issue out the check(s) after it is determined that by not issuing out the said check(s), it would not be in the best interests of the Seven Flags RAC. This section shall not apply to EMS County Funding distributions as they remain pass through funding for EMS Providers that have meet eligible requirements.

Books of Account

- 8.08. The Corporation shall keep and maintain adequate and correct accounts of its properties and business transactions, including accounts of its assets, liabilities, receipts, disbursements, gains, losses, capital surplus and shares. Any surplus, including earned surplus, paid in surplus and surplus arising from a reduction of stated capital, shall be classified according to source and shown in a separate account.

Annual Operating Budget

- 8.09. The SFRAC Regional Administrator will develop the operating budget for each year and present it to the Board of Directors for approval. The budget will be adopted when approved by the Directors.

- 8.10. The operating budget shall be composed of the following funding sources: Entity Dues (Hospitals, EMS Services, First Responder Organizations) Public & Private Donations, Fund Raising Income, and State Grant Funding (i.e., EMS County Assistance Fund and System Development Fund, as well as any other fund/award made available by DSHS in any given year or time period.)

Budget Allocations

- 8.11. The operating budget shall have the following designated percentages of funds through grant contracts, dues and donations received by the Seven Flags RAC:
- (a) 100% from the “EMS RAC Contract” (SB 911, HB 1131, HB 3588) awarded by the Texas Department of State Health Services is allowed to be used for administrative or programmatic purposes, depending on the needs and funding structure at the time.
 - (b) Up to thirty-five percent (35%) from the System Development Fund Contract awarded by the Texas Department of State Health Services may be used for administrative purposes. Percentage shall not exceed 35% as per contractual requirements.
 - (c) No less than sixty-five percent (65%) of the System Development Fund Contract awarded by the Texas Department of State Health Services is to be used for programmatic purposes.
 - (d) Entity dues collected may be used for administrative or programmatic purposes as deemed appropriate by the Board for each fiscal year.
 - (e) Public/ private donations received as well as proceeds generated through fund raising activities are to be used as determined by the SFREAC Board for administrative and or programmatic purposes unless otherwise restricted/required by donor and/or grantor.

EMS County Assistance Grant Program

- 8.12. Pursuant to the Texas Administrative Code, Title 25, Part I, Chapter 157, Rule 157.130(c)(2)(A) and 157.131(c)(2)(A), all “EMS County Assistance ” contracted funds will remain a 100% pass thru and shall not be subject to any administrative fee(s) unless previously authorized by all the eligible EMS entity(s) in writing and approved by all eligible EMS entity(s) within that specific county. To further clarify, this does not prohibit a single or several eligible EMS entity(s) from voluntarily returning a specific amount and/or percentage of their entity’s funds within a fiscal year. If an eligible entity(s) wishes to voluntarily return funds to the RAC for its operations, then, the entity(s) can do so by completing the SFRAC “Voluntarily Return of Funds Form.”
- 8.13. All eligible EMS entities shall receive an equal share of the total county funds awarded within the “EMS County RAC” contact(s) through the Texas Department of State Health Services. *Example: If county is awarded the sum of \$10,000.00 and there are five (5) eligible EMS entities, then, each EMS Service shall receive*

\$2,000.00. If an entity chooses to relinquish their share of EMS County Assistance Funds, then the total of the funds returned shall be incorporated equally among the remaining entities on the eligible recipient list within the county of which the forfeiting entity officially resides. Entities must meet all participation requirements as provided in 2.23 herein in order to become eligible to receive the aforementioned funding. Eligible entities shall be notified of their funding status at a regular meeting of the General Membership. All entities receiving funding must complete a SFRAC expenditure report (i.e., reimbursement request form) and attach all supporting invoices and/or receipts for their expenditures within the specific contract period as set forth by the Texas Department of State Health Services EMS County RAC contract(s).

Funds may be redistributed to other member providers within the Trauma Service Area under basically three conditions: 1) a provider entity has notified the SFRAC in writing that they wish return the funds initially allocated to them; 2) a provider entity is no longer in service and has notified the SFRAC in writing that they have no use for the funds; and 3) a provider entity fails to meet the reimbursement submittal deadline and other Member in Good Standing provisions prescribed in the SFRAC By-Laws. In such cases, the SFRAC may be asked by DSHS to develop and submit a redistribution plan to be approved by DSHS. Funds which are redistributed must revert back to eligible EMS entities within an affected county, only. However, if only a single member which represents a given county becomes ineligible to receive EMS County Assistance Funds during a current and active grant cycle, and there are no other member entities within that given county to have the funds in question re-allocated, re-distributed or re-assigned to them, those funds then revert back to the state (i.e., DSHS).

All reimbursement request forms and financial supporting documentation shall be submitted no later than May 31st.

System Development Grant Program

System Development Program Funds are primarily earmarked for EMS entities and hospitals within the SFRAC. If an entity, be it an EMS entity or hospital, fails to submit a timely reimbursement form for expenses incurred for purchases made under the respective programs on the deadline being May 31st of the fiscal year, then the funds from the entity(s) in question is subject to being lost and spent based on how the SFRAC Board decides as a whole. It would be up to the SFRAC Board to designate the spending of the funds for the benefit of all the eligible SFRAC members in good standing. The Board may choose to decide based on the assessments submitted by each entity or may choose to make another choice based on other criteria, provided the expenditure(s) is/are in line with allowed DSHS program purchases and costs guidelines. In such case, the administrator may be appointed to assist in the expenditure of the reallocated funds.

Receipt of Gifts and Contributions

- 8.14. The Board of Directors may accept on behalf of the Corporation any contribution, gift, bequest, or devise for the general purposes or for any specified purpose of the Corporation with no personal gain or profit.
- 8.15. The Corporation may not indemnify any person who was, is, or is threatened to be named defendant or respondent in a proceeding, whether civil, criminal, administrative, arbitative, or investigative.
- 8.16. The Corporation may undergo different types of audits according to the amount of funds received state and federally.
- 8.17. A check request form must be completed for all accounts payable and approved by the Administrator and Treasurer. Should a Board Member incur unexpected costs, a reimbursement request form must be completed along with invoice and/or receipts attached. The Treasurer will review and approve payment.

Such air travel, however, shall be limited to coach fares. First class travel rates are not considered an allowable expense and not reimbursable.
