I Am My Brother's Keeper

Dr. C. A. Dangerfield II

How significant is this passage of scripture in your life? We are so quick to point fingers and criticize each other. But how well is our comprehension? If it was really on point our behavior would demonstrate a lot more.

John 14:6-7 KJV

[6] Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me. [7] If ye had known me, ye should have known my Father also: and from henceforth ye know him and have seen him.

Jesus was and is the walking example of God's expectations for mankind. The unfortunate thing that consistently occurs for mankind and puts him at odds with the principles of God is that we are consumed by vanity and grandeur. It's our biggest distraction and causes us to worship the wrong things. Completely STOP, examine your actions in life. The verdict that will be rendered at some point is Guilty.

Job 1:21 KJV

[21] and said, Naked came I out of my mother's womb, and naked shall I return thither: the LORD gave, and the LORD hath taken away; blessed be the name of the LORD.

We see this play out everyday someone is born as someone dies in both scenarios the transaction is the same. Between those two events what is the most important and significant thing that should transpire within that time frame?

Now ask yourself how is my relationship with God? Is it casual or deeply significant? Is it relevant enough to you to receive all promised blessings described in the scriptures rather than participating in the oppression of others? Our complacency is our silence when this one key principle is ignored. Love thy neighbor as thyself. Within this statement there is no mention of race, culture, religion or even gender.

Can we truly say we are in compliance? Or do we start by rendering excuses for not doing so?

Ladies and gentlemen, brothers and sisters God made it plain and simple.

The enemy of our souls brought in all the distractions that make it difficult because we give him audience for disobedience. This is why our world is in its current state. Get realigned with God and when we do. Each one can reach one.

A prayer for Father's Because at times we Forget

Father God, we thank you for all father's on today for without them we wouldn't be here today. We recognize that sometimes we may not acknowledge as we should, but forget all the challenges, struggles, sacrifice and fears they have endured faced today and throughout the years. Their road in life isn't always smooth traveling, but with your guidance they can and have overcome many obstacles and rough terrain that manages to get in their way. Their load may be extremely heavy at times and the expectations too, and it may feel like no one may seem to care except for you.

Within those brief moments in time, we thank you for hearing their cries for help and providing strength in their tears and prayers. Even though societies can be harsh and critical under many conditions and endured challenges that are misunderstood. Your presence has been pivotal and your grace and mercy too, has been extremely good.

Yes, they may seem to be absent at time, grumpy and moody too, shut out by emotional challenges and yet always fighting to recover and it may not be seen or understood. We pray for that spirit that is beaten, batter and bruised. Lord, continue to strengthen these boys as they press forward to become men. Allow our society to see them, provide them some love, grace and mercy as they even struggle to mend. It is with much admiration we pray for these boys as they fight to become men. Calm our critical nature, open our eyes, give us the wisdom and understanding to help us to recognize. In spite of everything that is going on our life began through them. Let's us remember and cherish the father's rather than condemn. This is our prayer in Jesus' name amen!

Stay WOKE

Wisdom is Justified in All Her Works!

Diane Simms

Being Woke in 2025 requires knowledge of the Old and the New!! Being steadfast and unmovable in what You believe and in whom You believe, while being able to discern the times. Wisdom is the principal thing but in all of Your getting, get an understanding!

The current activities in our government, in our Society, our Media and our Churches creates quite the challenge for the Children of GOD... This is why I can-not stress it enough how important Your personal relationship with GOD is. Turn knowledge into understanding and understanding into wisdom. Pray for accurate discernment to protect Yourself from deceit and deception. Dig deep and ask questions!!!

GOD is the Father, He Is the Holy Spirit, and He Is Yeshua/Jesus (which ever you are comfortable calling Him) and we can talk to the Father anytime and anywhere. However he said if you're asking for something you need to ask him (required) in his Son's name. Not difficult at all. But don't minimize the abilities of Your Father GOD to just asking for things, He also promised He would "Teach All Things" thru the Holy Spirit... Learn of him and mature, grow, learn more, get wisdom (those things only taught by the Spirit, yet easily understood). He's a mighty good teacher and an even better Father.

Father GOD being able to open blinded eyes is not limited to those who are physically visually impaired, but also Spiritual blindness as well. A solid relationship with GOD will provide insight and help You make good decisions, have good judgement in experiences, make it easier to obtain knowledge from those experiences and turn that understanding into wisdom...

GOD does provide insight into things that sometimes goes over the heads of the less connected. GOD's People cannot trust mankind nor it's fleshly (carnal) mind, not even Your own, Isaiah 1:18, ¹⁸ Come now, and let us reason together, saith the LORD: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool. That takes relationship, that takes trust, that takes participation with GOD not the World. He told us that we would have no choice but to be "IN" this world and subject to worldly temptations, lusts and desires, But our way of escape was also provided, BE NOT OF THE WORLD, John 17:16 -26. Learn the TRUTH and apply it!

Seek knowledge and make Yourself aware of the things the world has tried to hide, erase or destroy completely. Know in Your Heart that It cannot happen, if you are confident and secure in your Spiritual relationship, GOD will reveal Truth, provide direction and open doors to more and more revelations, knowledge and wisdom! GOD is not weak, nor does he take the pressures the evil one puts on his children lightly. You will also experience the correction he promised!!! I hope you know that

part as well. He chastises those he loves, just like a Father should. You will be corrected and redirected when you get off course. But GOD can and will open doors no man can shut. You must learn to block out the noise and as Yeshua told Peter keep Your eyes on him, let him lead You on this Journey after all he promised. Take him at his Word.... Remember "Either He is GOD of All or He Is Not GOD At All". Don't be scared to believe it with Your whole heart! So when You pray Doubt Nothing!

Wisdom & Knowledge are guaranteed if you participate, Matthew 5:18, For verily I say unto you, Till heaven and earth pass, ***one jot or one tittle shall in no wise pass from the law, till all be fulfilled.*** Wisdom has been described as the soundness of an action, the intention or decision with regard to the application of experience, knowledge and good judgement. Human psychology is ever changing, as a person changes their mind, or their opinion, GOD does not change so the same guidelines, the same principles that applied to Abraham, Isaac & Jacob, apply to YOU & I... Prepare yourself for the great falling away, even some Saints will rebel against GOD and their lack of faith will cause them to fail and their strength will fade.

If you are truly WOKE, what are You Awakened to... How can you reason, ask questions, develop a different opinion, grow in knowledge and obtain Wisdom if you have NO-ONE to Ask!!! John 14:26, ²⁶ But the Comforter, which is the Holy Ghost, whom the Father will send in my name, He shall "Teach You all things", and bring all things to Your remembrance, whatsoever I have said unto You, (in the Word). So it is imperative that You learn as much as You can about the Father, so You can understand the Son as We strive to be more like Him.

I stand on my watch and pray as instructed, leaning on the Lord, Trusting in His Holy WORD because He's never failed Me yet. He has said No, Not Yet, even We'll See, but He has never failed. I have an issue with patience, so I endure correction in that area, I tend to project my wants as needs sometimes and GOD does make the difference plain... so I digress and become obedient.

The clarion call for focus, participation and attention to detail is being sounded around the world, nothing that is happening should be ignored or taken lightly. Repentance and turning away are needed every stop of the way!

We need Self Control, We need Conviction, We need Commitment and We need to let GOD be GOD in our Lives... Let the Holy Ghost/Holy Spirit teach all things and you'll see Sin as Sin, Evil as Evil and detect direction towards the abundant life as GOD promised. Resist the devil and he'll flee from You. You have to be able to discern and admit when it's something in YOU or is it an attack of the enemy. Knowing and admitting Our own issues, our own flaws should remind Us that We are "Heirs to the Throne of Grace" the adopted Children of GOD and therefore, inheritors of GOD'S promises and blessings. Romans 8:17, And as Children, then heirs: heirs of GOD and joint heirs with Jesus Christ, if so be that we suffer with him that we may be also glorified together.

Being compelled by this knowledge You must activate, nurture and mature Your Holy Spirit within and watch it reveal the world and it's works so you can resist evil deeds and let GOD fight Your battles... Seek wise Council and learn OUR History, learn the Principles taught by GOD to govern our behavior and our response to the world and it's evils. Please GOD in all you do and He will bless Your gifts, Your life, Your Children, Your Finances, He will Bless You and Yours....

You have to believe He's able and He promised to be a rewarder to those who diligently seek him... Every story, every concept, every precept, every principle or direction provided in the WORD of GOD leads somewhere and there are people involved, timeframes, issues, errors, mistakes and corrections all available to establish a standard that has been set forth for Your Life and Mine...

Let GOD Lead, He is the only one who knows the way to the Blessed Life, the Abundant Life He died on that cross to provide for Us. I want to please him so I can thank him!! I am confident if I do My part, I already know and have seen proof He WILL DO HIS!!! Study to show thyself approved unto GOD, a "workman" that need not be ashamed, rightly dividing the Word of Truth. I pray it's plain and that You receive this much needed message....

WOKE

By Pastor Diane Harvell

Some people today have a problem with the term "Woke." Webster's definition is to be "fully aware of and actively attentive to certain issues of social justice." But to understand true principles, is to understand that first and foremost, God is Love and true principles come from Him. Therefore, as we begin to understand the true principles of God, let us embrace the forerunner of Jesus who proclaimed and one who cried in the wilderness and made the way straight for the coming of our Lord Jesus! One who truly made mankind "fully aware of and actively attentive" to the arrival of our Savior Jesus Christ! While new foundations and movements have their place, God's principles emphasize intimacy over formality. John knew that! He knew that not only was he introducing a new way but that he was introducing our prophesied King! And we could now know Him in a more intimate and excellent way! For Jesus showed us repentance and baptism are a requirement. The Old Testament prophets had taken their bow to the prophesied One who has now arrived, first to John to be baptized by him then John too would soon leave and take the bow of obeisance to the will of God. He too came with a different style and a new way and many thought John to be crazy or out of his mind because he wore a garment of camel's hair and a leather belt around his waist and only ate locusts and wild honey. John's agenda was not to bring attention to himself perse' but to prepare and bring a holy people to a holy Messiah!

Understanding the principles of God isn't like reading a step-by-step prepared manuscript. It's a living dialogue, full of mystery and majesty. It requires faith and humility and letting go of crazy at all.

Matthew 11:13 says, "For all the prophets and the law prophesied until John." Therefore, the prophetic era was silent for 400 years until John the Baptist came proclaiming repentance and make way for the coming of the Lord! So, between Malachi and John the prophetic error was silent. Therefore, John was not afraid to proclaim that which he knew was right and he stood up for it and was not prejudiced, arrogant nor fearful, but bold. Sometimes when one steps outside of the box and proclaims a new way, or when one introduces truth that has been suppressed but cannot be denied, it brings self-reflection and conviction. John was not a showoff nor an exhibitionist. John was simply, WOKE!

Stay Awake/Woke everybody, Jesus is soon to return!

May God Bless You All!

How Well Do We Question Ourselves?

Dr. C. A. Dangerfield II

It's true that we are created in God with purpose, provided with various gifts and abilities to fulfill our specific purpose to him. We are then placed with various parents instructed to train us up in the way we should go. Based on the principles set before us to follow. All these abilities and guidelines are for the expressed purpose of honoring God our Creator and provider. In our daily walk we become more aware of our gifts and abilities and work to perfect and activate to effectively manifest them in the allotted time of our assignment to fulfill our purpose. Sounds easy when you are focused on your mission and understanding its importance to the overall plan. Alliances are allowed to further our mission and mandate keeping the objectives directly in front of us along with the most vital component our communication and relationship with God. To ensure that the proper steps on our part are aligned with principles mandated for us to follow.

However, on this journey someone took it upon themselves to miscommunicate the expressed mandated expectation to honor the principles set before us. To change the set written process to experiment with an unauthorized path, down an uncharted course with unknown results leading to some difficult and challenging outcomes, due to the disobedience of not following the prescribed charted course. Resulting in mayhem and confusion full of unnecessary consequences. So therefore, losing sight and comfort for embarking on an uncharted path.

The major problem is we navigate to an unauthorized detour which eliminated expected connection points on God's scheduled plan which we would have learned and seen had we been obedient and followed the courses. Somewhere along the way we become impatient by pace, not recognizing we were not comprehending the lessons fully along the way. So, in our frustrations we become miserable and then complacent in our actions and even stubborn to a point. Failing to realize our purpose isn't being fulfilled but also being delayed. Which is causing a disconnect in the overall plan. We also fail to understand if broke parts can't be fixed, they can be replaced. God's work will continue with or without us if we choose not to participate. You do recall the scripture that says, "The harvest is plentiful, but the laborers are few." Unusable is not the mandate on this journey and spectators just hinder the progress, because they have chosen to stand in the way. God desires willing participation and obedience to His will as we navigate the pathway set before us. So, the question now to ask oneself is what my motive in life is. Who truly have I chosen to serve, God or man?

path and provide access to unwanted spirits of influence that throw us way off course and make it difficult to return. So, make your calling and election sure. For Christ I'll live and For Christ I'll die. We have to be that sure. Fortify your alignment and relationship with God daily.

Respect for the Righteous

There are a whole lot of unnecessary celebrations going on in Congress. When you violate the Principles of God concerning treatment of all people not just some. Then you push and celebrate by adding oppression to the people whom you are elected to serve. Furthermore, you display a posture of entitlement, selfishness and a lack of compassion. It is clear that you lack comprehension of the scriptures, especially Matthew chapter 25. Judgement will fall within the halls and offices of Congress and the White House because humility, honor, compassion and integrity must return.

Vengeance is mine sayeth the Lord I will repay. Making hardships on the needy, children and elderly removing basis essentials from their reach. What happened to do unto others as you would have done unto you? Be very careful with your answer, it's not about politics and popping your collar. It's about obedience to the Word and Principles of God. Repentance is the only recourse because judgement has already started so stop celebrating and pay attention to the true reality at hand. Because you allowed deception, bullying and fear overshadow your obedience to His Word. Check it out it's in the scriptures read it for yourself and get realigned with the power the matters, GOD!

Something To Think About and Truly Consider

Dr. C. A. Dangerfield II

I don't know about you, but I review the news outlets to be enlightened to that which is happening in our world. The scriptures instruct us to watch as well as pray. For those who study the Word of God we know when and where we are falling out of alignment with His principles. Understanding that we have to apply 2 Chronicles 7:14.

We are living in tense times now because of the blatant disobedience of mankind. We are inundated with so many distractions purposed to create chaos and confusion to remove our focus and understanding of the principles of God. Weakening our family structure and creating more division within our foundational principles which is crucial to sustaining the principles of God. Train up a child in the way they should go... Having an understanding of the true principles of God began in the home and was there to keep harmony in our society.

When we read and study the book of Colossians 3rd chapter we gain some understanding of our current situation. Where we should be in our thinking and actions, gaining a snapshot of where we are and what is necessary to return to avoid the wrath of God. God has been very merciful to mankind while nudging us back towards Him. The excessive egos of world leaders spewing rhetoric and flexing rather than compassion for the innocent who are caught in the middle rather than applying coming together and reason in the midst of confusion only incense matters due to the lack of patience, pride and ignorance of understanding.

Mankind has difficulty in identify the moving of the hand of God as He pushes to gain our attention without abruptly igniting His full wrath upon us for our disobedience. We are not paying attention to various signs and events as they are taking place. Because we have gone from the care and compassion instructed by God, to inflict hardship and oppression on those in need because of bias and a selective nature. This falls away from "Love thy neighbor as thyself" and "Do unto others as we would have done unto us." These are not exclusionary principles. We all have to pause from our forward motion and examine our alignment with God principles and not man's reasoning. Clearly, we all have to examine our relationship with God, considering our alignment with His Word. Repent for our shortcomings and make a definitive decision of choosing this day whom we will serve God or man (politician without filters world-wide).

When God destroys the earth next time it won't be water, but fire next time. Think about it, is it getting hot enough for you yet?

Let Me Bring Fitness to You

By Sgt. Nate Griffin of Sgt. Nate Fitness LLC

While we're in the middle of the summer. You may feel since you hadn't reached your fitness goal, what's the use in continuing with this gym thang. Be of good courage. I am here to help. It's never too late to regroup, refill, and refocus, and then return to your path to optimal health and wellness.

LEADERSHIP WORKSHOP 01AUG25 3 PM est.

Coming from the heart of entrepreneur, I know the challenges of starting a business, dealing with the public, hiring and needing to lay off staff, enduring the hassle of competitors clinging to you to steal ideas, and so on. I will draw from my book, **Soldier On (forging ahead despite the odds)** and share the golden nuggets that I have gathered over the 24 years I've spent in the health and wellness industry. I will host this ZOOM meeting on **Friday, August 1st. at 3 pm EST. Registration is only \$5.00**

FITNESS WORKSHOP 08AUG25 3 PM est.

If you are like so many others, who have been bombarded with countless fitness influencers on social media, doing routines that only a member of the flying trapeze in a circus can do. Or spending your days snatching workouts off YouTube and hope that they work (they look cool enough). Or maybe you have taken so many group exercise classes, that you are beginning to look like the instructor and not the image you had in mind for yourself. Allow me to direct you to a fitness workshop that I will host on **Friday, August 8th at 3 pm EST. Registration is only \$5.00.**

NUTRITION WORKSHOP 15AUG25 3 PM est.

I firmly believe that 90% of the causes of death among humans, is directly food related. This is especially true in the United States, with most of the food offered to us is processed or chemically injected or modified. However, there is plenty we can do to ensure we are feeding ourselves from the best choices available. During this ZOOM meeting, we will cover much of the current diet trends and alternatives we are faced to choose from. Plus, focus on the eating habits of the black church, where most of what we are eating is literally killing us... in Jesus' name. A Q&A session will follow the workshop. I will host this workshop on **Friday, August 15th at 3 pm est. Registration is only \$5.00.**

SELF DEFENSE FOR LADIES ONLY!!! 22AUG25 3 PM est.

Well, well, well. This workshop is geared to the ladies only. Yep! Ladies only. There is valuable information that is specific to their self-preservation and safety.
