## Pay Attention To The Signs, God Speaks To Us In Many Ways

BY Elder Diane Harvell

When will it all really happen? “The End of the World” or “The End of the Ages?” The warning signs have been given since the beginning of time. In the beginning, God created the heavens, universe, planets, and earth using Signs and Wonders. GOD HAS ALWAYS EXISTED and HE is so **UNLIMITED** in power that time and space cannot bind Him **or** define Him. Therefore, HE has the power to begin life on earth as we know it, and HE has the power to destroy it.

### **Psalm 90:2**

**<sup>2</sup> Before the mountains were brought forth, or ever thou hadst formed the earth and the world, even from everlasting to everlasting, thou art God.**

The subject of Christ’s return has been spoken and preached about, since the beginning of time. But what makes the difference between now and then? What’s going on in our world today, that brings “The End” closer to us than ever before or what makes “The End” closer than it ever has been??. How close are we to God’s promise of His coming?

God warns us with many Signs and Wonders to alert His people to change before it is too late to take HIM seriously. In **Genesis 9:12-17** God’s RAINBOW SIGN is a Covenant between **Every living creature and all future generations**. Man says, “It won’t be water, but fire next time”?

**But scripture says:**

**The Day of the Lord~**

**II PETER 3:10-12~But the day of the Lord will come as a thief in the night, in which the heavens will pass away with a great noise, and the elements will melt with fervent heat; both the earth and the works that are in it will be burned up. 11-Therefore, since all these things will be dissolved, what manner of persons ought you to be in holy conduct and godliness, 12-looking for and hastening the coming of the day of God.**

And so, there has to be a difference from that time when God spoke the first Covenant then, and now, the time of the dispensation of grace. In my opinion it is inevitable that we acknowledge that many years have taken place since the time of the first Covenant (Rainbow) Promise.

While it is a fact that a lot of time has taken place, since the Rainbow Promise and since the Days of Daniel's prophecy and that of Mathew 24:6 the "Beginning of sorrows," I think it is also a fact that we have taken God's promise of His return for granted and have reduced its importance by depending on His grace and His mercy as if it were salvation yet without having any responsibility on our part. But Scripture clearly states, **Hebrews 9:27-"And as it is appointed unto men *once* to die, but after this the judgment."** It amazes me how so many believers and others skim over that we will stand before God and our works will be judged according to what we have done here on earth. What we have accomplished with the gift(s) He has given us, (because EVERYONE has at least one), and if we have lived our lives, in HIM. So, while we have time, while we are still "down here," it is necessary that; **"I must work the works of HIM that sent me, while it is day: the night cometh, when no man can work."** John 9:4.

In my conclusion, God has allowed dismay to occur among our nations, and perplexity to exist all around us in today's world.

Are we really paying attention to Daniel 20:9 or Revelations 13:15-17 or Matthew 24:15-"When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand)." The prophecies indicated by Daniel are indicative that history would repeat itself.

First, please note that abominations are usually committed as the result of God's apostate people. By people who have gone astray and who have imputed that man can save himself by his own works, and not acknowledge God as God altogether. It also means that when God's people intermingle with the world systems and agree with them, turn their back on God, and accept the atrocities of the world, and serve sin and other gods. Daniel prophesied of this desolation before the birth of Christ, and he also prophesied of this desolation that would come again before Christ returned. Pay attention to the signs, God *IS* speaking to us in many ways. Let us not indulge in Paganism or in Protestantism. We are now living in the time of the Christian church's final apostasy. World systems are being set up and governed in ways we have never seen or thought could ever be possible. And they are unfolding before our eyes, yet we are accepting more and more of their abominations, until, finally, desolation. We are in the midst of fulfilling prophecy therefore we are to keep our eyes open for the culmination of all things.

Daniel spoke prophetically of the New Testament and he spoke of the "new spiritual Israel", The Church of today. ([1 Peter 2:9,10](#)). "But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvelous light"

But the Christian Church today is mirroring Israel of yesterday. We are repeating many of the same sins and will consequently reap the same punishment of desolation if we do not “run to the hills.”

I pray that we as a people, God’s people, are found worthy to escape the wrath to come. ‘Pay attention to the signs, God is Speaking.’ God Bless You All!

## Trusting You

Sometimes it is hard to trust in you, when things are falling down all around me, and sometimes it is hard to believe that you know what is best for me. My heart belongs to you Lord whatever you ask me to do I will do, no matter what it is Lord I know that you will bring me through. It says in your word to trust in the Lord with all thine heart and lean not to thine own understanding, and I say Yes God; even when what you ask me to do seems so demanding. Not my will God and not my way again my soul says Yes God, not my way but your way. This road seems hard to travel but you said that you would not put more on me than I could bear, and when it seems that I have traveled alone and that I am by myself; you let me know that you were the one that carried me and that you were always there. Use me the way that you created me to be used; tell me what to say, tell me the purpose of my life show me what to do and I will obey. My strength is in you and I am weak without you, no matter what it looks like I will lean and depend on you. You are my Lord, my King, my Savior; I am glad that you are in my life, because I know that you are able. So when it seem like there is no one that knows my heart but you I am glad to know that I can put all of my trust in you.

## Watch The Sign Of The Times

Dr. Claude A. Dangerfield II

It's very apparent these days that no one is really paying attention or better yet not recognizing certain things which are taking place within the earth have been foretold in the scriptures. Yet we act as surprised by the outcomes that are revealing like it is something new. It's not that we are getting blindsided we are not paying attention to the obvious. We can not use the excuse of being naive, because it has been talked from generation to generation so we process some form of knowledge.

The trouble is we have lost focus and sight of our purpose in God. Becoming distracted by events throughout the world that overshadows our God-given assignment in the earth until such time as we come to our true self and purpose. What is taking place throughout the world is drawing us closer to the return of Christ. We are asked to forfeit the very foundation of what Kingdom means and working to establish it further here within the earth.

When you exam the effects of what's now taking place, recognizing it is a subtle shift that occurs and then once you realize what has happened you have to fight harder to reverse the effects back to a place that makes sense. We get caught up because we are not paying attention to the details and things get thrust upon us and that which we would have never endorsed or sanctioned. Sometimes these things are brought upon due to mistrust of others whom we trusted to have our best interest at heart. Most time we find out that they get sway by greed and wanting to popular with a smaller group of individuals rather than the majority in which they represent because they get caught up in false promises which create a greater loss. Not capable of being seen at that time.

We all are important in the lifecycle which we are created in, it is up to us individually to identify and live out our purpose according to God plan. In order to truly know who we are and what is our purpose, we must then establish that intimate relationship with God. It is in this relationship that we then will understand greater the signs that he is showing us because we will have established a close relationship that only He and our self will understand that unique bond and level of communication. The special language that we share with a significant other that no one else can really understand the fullness of because it is truly personal. So are responses to a certain situation, they are completely different and some might be similar. Allowing us to have a kindred spirit with others we come to know because of the commonplace which is God's love.

Some reading this may understand what I'm saying immediately and others, once they have established this close relationship, will come into the knowledge of this great comfort and understanding. They too will be able to forecast based on the signs of the times and understand their calling and assignment. Which is similar to John the Baptist, the Disciples, Apostle, and every true believer preparing the way that others to come into the knowledge of the truth which will drive you to your purpose.

Everything in life will make a way for you to stay on a path to God! You are that important to Him.

## It's Your Choice

What path will you chose what choice will you make; the end is near what path will you take? The devil lies and offers you anything when in fact he has nothing, all for the price of your soul he will offer you anything; but in the end you will still end up wanting. Waiting for a day that will never come, because you forgot about God and now you are always on the run. But God wants so much more for your life, he sent His only begotten son to die for you so that He could take away all pain and strife. All that God offers to you He said that if He promised He would do, but first you must accept His son Jesus Christ as your Savior so that your life can become new. So, who will you serve; will you choose life or death? Think very carefully about this question don't rush or try to guess. For if you choose life you will live forever, but if you choose death you will never see the kingdom of God Never! So what path will you chose what choice will you make, Jesus Christ is coming back sooner than you think; tomorrow is not promised It's Your Choice: Please chose life don't wait till it's too late.

I share this thought in an obedience to God and because the Word of God teach us that my people perish due to the lack of knowledge. The enemy of our souls has invaded our minds in such a subtle way that we feel it is normal. We have failed to recognize the tactic with in something that we view and participate in everyday. But we all have the power to make the necessary adjustments to put it in the right perspective. Here is a question for you. Do you find yourself worshipping the true and living God or is most of your emphasis on all the little god's around you, including yourself! Are you putting these things first. Have you become so vein that it's all about you and not God that has enable you. Have you lost humility to vanity and have you elevated yourself to appear greater than God himself. If the question insights anger with in you than check yourself before you wreck yourself. For the of God says I will NOT have any other gods before me. Worship the Lord with all you heart, mind and soul.

## **We Must Pay Attention The Details That Cause Distractions**

**Claude Dangerfield II, Th.D.**

Social meeting is a great tool, however when we are worshipping our possessions (little gods) cars, house, clothes and even ourselves etc. We set ourselves up for a lot of things that we wish not for. Unwanted cruelty, loss of said possession because we now become a target because of our boastful ways. Check the statistic on how many fights due to jealousy and strife. Deaths and assaults due to displaying too much online. Lost respect because of being over exposed and uneducated to how to effectively survive in a virtual world. In closing remember he is the Prince of the airwaves and like a roaring lion seeking whom he may devour. Stay prayed up and Seek God for guidance.

# And God's Word Is So

Evang. Ella J. Alexander

*“But understand this, that in the last days there will come times of difficulty. For people will be lovers of self, lovers of money, proud, arrogant, abusive, disobedient to their parents, ungrateful, unholy, heartless, unappeasable, slanderous, without self-control, brutal, not loving good, treacherous, reckless, swollen with conceit, lovers of pleasure rather than lovers of God, having the appearance of godliness, but denying its power. Avoid such people.”*  
2 Timothy 3:1-5 (English Standard Version)

This second letter to Timothy is the last recorded words of the great Apostle Paul. The one that started out persecuting God's people. The one at one time was against Christ, later became one of the greatest Apostles of all the disciples of Jesus Christ during that time.

With much going on during this letter, Paul is now at the end of his rope. His assignment is just about complete. The call home has been made. Paul is wrapping up what needs to be done before his departure. He is in prison and the Emperor was desperately aiming to stop the spread of the Gospel. The Apostle Paul reaches out to Timothy, who he considered a son, encourages him to remain strong. He sends Timothy these words about the signs of the times. He tells him *“in the last day there will come times of difficulty.”* Although they were going through hardship, tougher times were on the way. He wanted Timothy to remain strong and be of good courage. He didn't want Timothy to quit. He prayed that he would endure every trial and test that was about to come his way because he knew that he could not be there for him. The things he told him to watch out for were these signs:

*For people will be:*

- (1) lovers of self – they will care only about themselves and their own desires. Not concerned about others. They are selfish and demonstrate a behavior that is destructive.*
- (2) lovers of money – money itself is not evil; it is a person's desire of money that drives them to do anything to get money, which includes killing, lying, stealing, etc.*
- (3) proud – highly opinionated of one's self or achievements*
- (4) arrogant – egotistic; full of one's self*
- (5) abusive – cruel, violent, offensive or insulting (mentally, physically, and/or verbally)*
- (6) disobedient to their parents - refusing to take instructions and/or obey. They will not listen.*
  
- (7) ungrateful – possess a spirit/attitude of unthankfulness; lack or no gratitude*
- (8) unholy – ungodly; blasphemous*

- (9) heartless – displaying little to no consideration for another; cold hearted*
- (10) unappeasable – nothing can satisfy them*
- (11) slanderous – words spoken malicious with the intent to hurt or do damage to someone*
- (12) without self-control—no self-discipline; they do what they want to do and how*
- (13) brutal – savagely violent; lacking the ability to disguise their unpleasantness*
- (14) not loving-good – take pleasure in things that are wrong. Living life according to their own wrong desires.*
- (15) treacherous- having a backstabbing and two-faced character; guilty of being deception ,*
- (16) swollen with conceit- arrogance; a false sense of self-importance*
- (17) lovers of pleasure rather than lovers of God – love or have affections towards things and the pleasures of things wrong doings. Lovers of materialistic things, animals and other people but will not love God.*
- (18) having the appearance of godliness, but denying its power – they appear as representatives of the true light, they speak as if they have been redeemed, but they live according to the ways of the world and self guided. The TRUE GOSPEL has been rejected and refused by an individual and therefore their life has not been changed.*

The above list is just a short list of characteristics of those living in the last days. These are the signs that we should be looking for but never overlooked. The Bible clearly states what we will see and hear. It is a sign that those days have come and manifested themselves among us. I know for many years we have heard that we are living in the last days, but only GOD knows those last days which are at hand.

Many have witness all of the above taking place and it seems as if God is nowhere to be found, but He is patiently watching and waiting on his creation to repent and get right with Him.

The Apostle Paul is telling Timothy about the very nature of people and how bad they will be; not all, but many. He tells of them character by character. Although they are in the church and part of the church it doesn't mean that he (Timothy) would not encounter these people.

So it is today. We live in this time where all of the above is seen. Many have turned away from the church due to the wickedness and self-exalting people; the cruelty and the rejection of righteousness. Everything the Apostle Paul mentioned in his last and final letter we are now witnessing. How do we live in a world with such things taking place? How do we live in a society with everything going on and God is not glorified? The Bible tells us to pray without ceasing. We can't just pray for our leaders thinking they need to be prayed for and no one else. We were instructed that we should always pray and not faint. For us to pray one for another. For us to come together. For us to go and preach good tidings, but to also watch as well as pray.

Yes, we are living in a time where death is like air that we breathe. It is constant. Lives are taken just as quick as lives are birthed into the world. It seems like there are no barriers to what man shall do to one another. God saw not just right then but way down the line and into the coming years that the heart of man was deceitfully wicked. God was hurt by man's ways and lawlessness. God repented that he made man. Could you imagine how God felt? Could we imagine for one second how our Created looked upon man and was heart broken? God knew man before man knew himself. God saw everything and spoke it although man was too stuck in his own self to see it. Now the time has come upon us and the Word of God still stands. The word that was spoken years ago has manifested itself and is still manifesting itself. God is a God that can not lie. He will not lie. He warns us before the destruction comes. He does his best to draw us out of darkness into His marvelous light. It is up to us whether or not we will accept the Word of God in our life. Remember, If God has spoken it, it shall surely come to pass.

And the Word of GOD it is so!

A House Divided  
Claude A. Dangerfield II Th.D.

Our diversity as a nation is what makes us strong. The fact that we have a nation that is comprised of people from many nations, having the ability to live and learn cohesively speaks volumes. We cannot let the fear of a few who have not taken the time to learn from one another to broaden not only their perspective but their intellect push us back to a decisive way of living that will destroy what progress that has already been made.

Unity of any kind always scares the unlearned. The Bible shows us how unity is a place of strength when we are of one mind. So to the doubters and disbelievers to what has already been proven to be fact. Pull off the blinder of fear and open up your mind to understand the truth and facts, not yielding to lies, intimidation and the inadequacy that will continue to reveal themselves.

For a house divided against itself cannot stand. Check out the real truth of the one who is making all the false claims. They don't have the Midas touch as you have been lead to believe it is just the opposite. What they have done in the past is what they are trying to do now. Stand your ground, so that all this deception can cease. Cry loud and spare not, making them aware of the true will God.

We are called United for a reason. Think about it, that's what helped us rise to this level. Don't let one deceiver destroy it all, take off the shade and recognize what you have. You will find it is more valuable and proven, more so than the fear monger that spew hatred and malicious speech to insight greater fear.

Let yourself be found on the side of correcting such information and effectively educating the unlearned with proven facts that are not in any way found in gray areas to be argued in further ignorance to the truth.

When we stand on the Word of God we will prevail because it is clear that the Word of God will not come back void. No matter what application is applied against the truth it will fall. History of a victorious God has proven this time after time. We need to be obedient to the will of God and watch the power of God move and transform the situation. Making sure that integrity remain in tack as ambassador of Christ being lead by the Holy Spirit which leads and guides us to all truths. So be strong as a good soldier for the work and will of Christ.

# Come Home

*I have missed you it has been a while since we were together, didn't I tell you that I would be with you through all types of weather? I have seen the things that you are going through, I only want to clean you up wash away your sins and make your life new. Do you ever think about me or have you forgotten about me? I was beaten, Spit upon, and crucified so that you could be free. I love you more than you will ever know, hell was not created for you and that is a place that I don't want you to go. Come home, I miss you. You don't have to stay in the sin that you are in, let me live inside of you; so that you may have peace within. I have seen your problems hurt and pain, let me change your life and you will never be the same. Will you come home? Don't you want to be free? Remember that I love you and that I want you to live with me for all eternity. R. S. V. P. Please don't wait, do it today don't wait till it's too late.*
