# Obtaining Your Breakthrough

By Apostle Jesse Griffin

[#KingdomReign](#)

## CAN'T GET A BREAKTHROUGH?

Maybe we are asking the wrong people to pray for us.

When Hannah was barren, she went to the temple and Eli blessed her.

1Samuel 1:17 Then Eli answered and said, Go in peace: and the God of Israel grant thee thy petition that thou hast asked of him.

Did you know there is a difference between having someone pray for you and finding someone in Authority who can command the blessing for you?

Sometimes a person cannot get a breakthrough because they are sitting asking the wrong leadership or asking the wrong people to pray for them.

When we can't get a break through, we need to find that one who can command a thing at the word of the Lord.

When Naaman had leprosy, he had to get out of his comfort zone and go to a place he did not think was worthy of him.

He had to be completely stripped of his pride in order to submit to the word of the prophet to receive his healing.

Could it be that the place that we think is least worthy of us is the place that holds our miracle?

2 Kings 5:10 And Elisha sent a messenger unto him, saying, Go and wash in Jordan seven times, and thy flesh shall come again to thee, and thou shalt be clean.

11 But Naaman was wroth, and went away, and said, Behold, I thought, He will surely come out to me, and stand, and call on the name of the LORD his God, and strike his hand over the place, and recover the leper.

Naaman had a thought on how things should go for him.

His pride said that the servant of the Lord should do this or that.

In vs 12 He says Abana Pharpar were much better for a miracle than the Jordan.

Jordan - means descent or descender.

*In order to get a miracle, he had to lower or humble himself in the place that the word of the Lord had directed him.*

Abana - means support.

Pharpar - means stone or stony

Naaman had thought his own land which had supported him was better.

A place where he felt he was standing on Solid Ground or firmly.

Support from family ... job ... culture ... nation ... church ... pastor ... is Honorable.

It is good to be able to stand confidently and feel secure.

At the same time we must not make it an idol.

Sometimes a person will miss their miracle because they stay stuck in the place, they feel supports them and they do not humble down or descend into the place that will grant them their breakthrough.

In order to receive a miracle, we must allow ourselves to be in a humble and broken place.

We must then become obedient to the word of the Lord.

In vs 13 Naaman's servants' reason with him and he humbles himself and in verse 14 he obeys the word of the prophet and is completely healed.

Could it be God is breaking our pride?

Where is the word of the Lord and where is that place, we need to become humbled?

Now go and get your miracle!

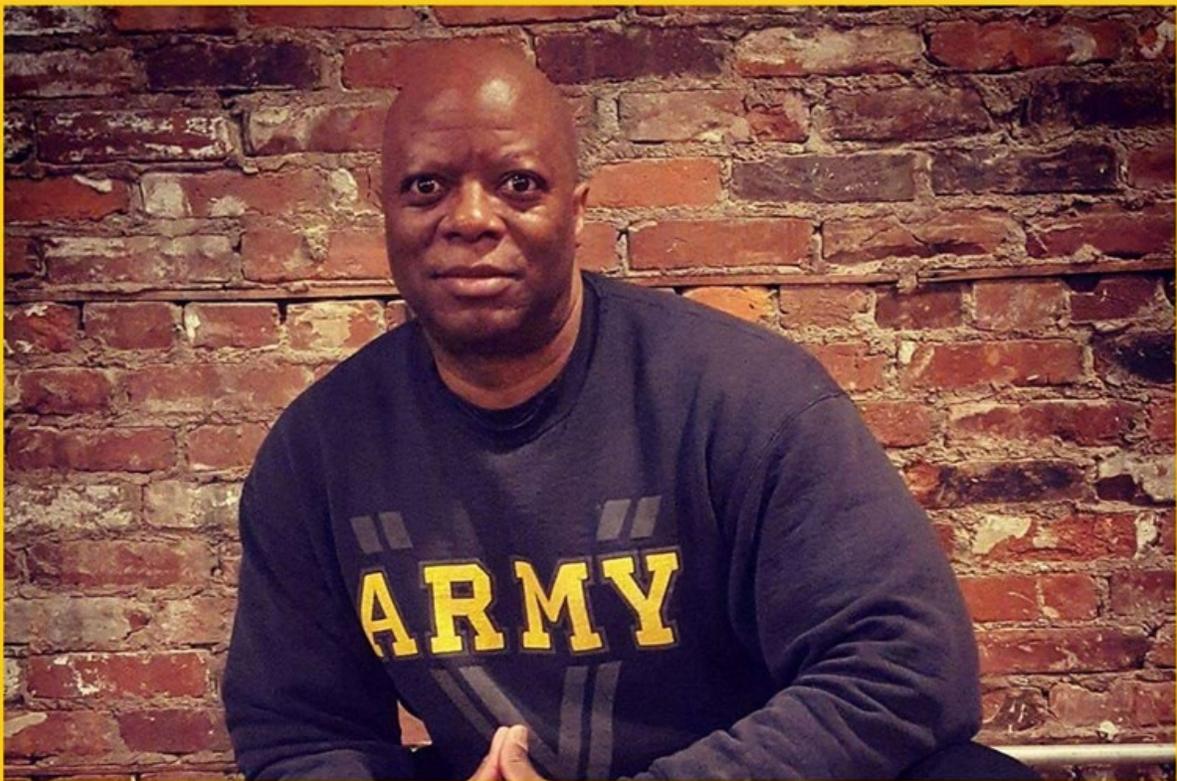

In His Love,

Apostle Jesse

Mark 12: 28-31

**28**And one of the scribes came, and having heard them reasoning together, and perceiving that he had answered them well, asked him, Which is the first commandment of all?

**29**And Jesus answered him, The first of all the commandments is, Hear, O Israel; The Lord our God is one Lord:

**30**And thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength: this is the first commandment.

# We Have Become BOLD In Our Defiance

Dr, C. A. Dangerfield II

It is alarming that when we read and study the Word of God our world is illuminated to the point of literally seeing our everyday issues being spot lighted in the Word. But we have to apply the antidote to our problems by complying with the principle of God. We have failed because we continue to give more power to sin rather than righteousness. Deceiving ourselves because we want to feel good about our status with in society failing to understand this world is not our home.

When we have Commandments and principles that we are aware of but we blatantly defy them by doing the complete opposite. Then take it even a step further by boldly soliciting others to join with the defiance pushing the agenda as though there will be no repercussions. Failing to understand the mandate of God's principles. Truthfully our society has fallen deeply into a reprobate mindset. So, in order to provide clarification here is the definition of the word reprobate as defined in Webster's:

as a noun adjective it's defined as

: an unprincipled or depraved person : SCOUNDREL, ROGUE

as adjective

: morally corrupt: DEPRAVED

: foreordained to damnation

: of, relating to, or characteristic of a reprobate *reprobate conduct*: expressing or involving reprobation *archaic* : rejected as worthless or not standing a test : CONDEMNED as a verb

: to condemn strongly as unworthy, unacceptable, or evil *reprobating the laxity of the age*

: to refuse to accept: REJECT: to foreordain to damnation

The Scriptures in the Word of God illustrates exactly what we are witnessing with our natural eyes as we are living today. Read it for yourself 2 Timothy Chapter 3, in the 8 verse of this chapter it tells of the rejection of man even to facts that are right in front of them. ***Now as Jannes and Jambres withstood Moses, so do these also resist the truth: men of corrupt minds, reprobate concerning the faith. 2 Tim 3:8.***

More illumination of the truth can be found in Romans Chapter 1 the whole chapter. In verse 28 it tells us what God will do because of man's behavior. ***And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient; Rom 1:28.*** Again more illumination of the truth can be found in the 1st Chapter of Titus the last verse 16 describes the outcome caused by a reprobate mindset. ***They profess that they know God; but in works they deny him, being abominable, and disobedient, and unto every good work reprobate. Titus 1:16***

These passages of scripture demonstrate the effects of cause and effect. They also answer the questions as to why we are having the impacts within society as we are experiencing today. But are required to correct our shortcoming that we identify with ourselves and to share the knowledge that we have obtain to help others too to overcome as we share our testimony of the truth. Remembering the scriptures say "All have sinned" There is no exclusion but there is a way to redemption and that is through repentance. Accountability for ourselves and a direct action to bring forth change. We all have the ability to become the example for those whom we love by our transparency which demonstrates hope as we strive for the perfection that can only be found in Jesus Christ.

It is extremely important that each one of us set aside time to really dive into the Word of God allowing the Holy Spirit to open our eyes and provide the wisdom and knowledge to get us to the intended place God has for us. Be honest with yourself, all of the processions and societal status is not at all fulfilling. Pushing and fighting to get all of this but when you die it remains. The fulfillment of aligning our spirit (essence) with God is what goes with us but also provides comfort for those who remain because it demonstrates hope and promises of God.

We also welcome your comments, questions and testimonies of fulfill as you grow in your understanding and experience with God. Then you too will understand what the disciples meant we they stated " Silver and gold have none but such as I have, I give unto thee." That relationship which is more than fulfilling! Your perspective on life will change drastically.

Do you find yourself being envious of others who are operating within their gifting? Then it's obvious that you have too much time on your hands and are unaware of your own gifts. # OVERCOMING GENERATIONAL CURSES

By Elder Diane Harvell

**Generational curses are negative spiritual traits passed down from a previous generation.** These are sinful spiritual strongholds that have controlled the attitudes and actions of your ancestors.

To overcome & break generational curses it must begin with you! Generational curses can dominate a region a person a family or a reputation! First you must admit the sins of your past (present and current) situations. Acknowledge your sin and take personal responsibility for any sinful practices in which you are engaged. Confess and repent of these sins (Ezekiel 18:20). If there is a long line in your family history of unrepented sin that must be acknowledged and given to God.

A stronghold is an area in your life where the enemy has established control. It may be a hold he has over your attitudes, behaviors, emotions, or your finances. Yes, even our finances can be affected by generational curses. If you have not been taught the values and principles of how to manage what you have, whether great or small, all that you receive will be insignificant and useless. Which will lead to other problems and circumstances in life that only God can heal including lack and disappointment.

The Lord is slow to anger and bountiful in love and forgiveness, yet the guilty will not go unpunished. He created man in his image. One of the things God hates is being disrespected, having his creation put other gods before Him and worshipped. God is a jealous God and why wouldn't he be? He created man to worship Him, yet man has rejected him as creator and worship other gods, (money, sex, people, etc.).

Today God's laws are seemingly obsolete, and the new gods of this world include the lust of the flesh, the lust of the eyes, and the pride of life and they are reigning in almost every aspect of life. Everything is accepted except the principles of our Heavenly Father. Jesus is no longer invited within our schools, our way of life, or our government on which this country was founded. Therefore, God is jealous and for every action there is a reaction.

He punishes the children for the sin of the fathers to the third and fourth generation. (Numbers 14:18). From generation to generation, each centennial has allowed more and more immorality and today we live in a land where anything goes. But what about those who elect to remain steadfast? There is a reward for each remnant. But without repentance, a generational curse survives and is passed to the children of disobedience. If a reoccurring sin seems to continually happen within a family's history, that's a generation curse that must be broken. Sins of murder, sexual deviance, witchcraft, addictive substances, and rebellion are all a result of spiritual generational curses in life. They were passed inherently because of rebellion and disobedience to a holy God.

**Generational curses can be broken through the blood of Jesus.** Galatians 3:13 says *“Christ redeemed us from the curse of the law by becoming a curse for us, for it is written: “Cursed is everyone who is hung on a tree.”* Jesus not only redeemed you from sin when He died at Calvary, but He also redeemed you from every curse.

So first, you must acknowledge and identify known sin, repent not just for yourself, but also for your ancestors’ sins who may not have repented before leaving this world. Repent and forgive unrighteous behaviors done by you and to you and your ancestors!

And then ask God through his powerful blood, the blood of Jesus Christ, to break every curse associated to you, your loved ones and family, past and present. I have done this, and my life has changed completely for the better. I encourage you as well to declare Deliverance from all evils concerning you and your future generations.

As we helplessly watch mass destruction of life in today’s world, we are never forsaken, because we are overcomers by the blood of the Lamb. Take the initiative, make sound choices for your life and your next generations, refuse to take part in curse causing generational curses. Speak Life over death and live!

Life and Death are in the power of our tongue just as it is within the choices we make. **Proverbs 18:21~Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof.**

# No Preconceived Knowledge

## Dr. C. A. Dangerfield II

One thing is for certain when we were born, we had no preconceived knowledge of what or who we would be encountering upon our entrance into this earth. With that understanding we also had no knowledge of the circumstance or situation that warranted our presence within earth. Were we a planned birth that was conceived through a desire and a plan? Or were we a oops by two individuals who were more about momentary gratification and lack of experience and went too far? You can debate those questions all day.

But how about going even a little deeper than that. Try understanding that nothing happens unless God allows. Focus for the moment on God and try to understand Him as purposeful. I have always believed that good things can come from not so good situations. Life is always responding to whatever situations and circumstance that we create by the choices we make. The initial decision to do something is on each individual person that is the free will God has provided along with His principle which provide the parameters in which we are to live by. God also makes covenants with us to fulfill purpose and desires. So, with that in mind it behooves us to maintain our alignment and fortify our relationship with God. This is our opportunity to be accountable to fulfilling His will.

Having the proper and correct knowledge goes a long way in understanding who we are and truly whose we are in it's true sense. Mankind has an overwhelming number of theories and opinions that truly draw us away from the simplicity of things that just basic commonsense is hard to understand. So due to all of the confusion we fight over opinions and circumstances escalate to the point of violence where no one has peace.

This is relevant because the Principles of God were given to be in complacence with God's Will and Purpose and they are reference with in the scriptures. The scripture clearly defines that God's Word will not come back void. When we study the Word of God all things are revealed and illuminated to the point of having the ability to literally see the events of the word rise off the page and seen clearly illustrated with in our history and current events. It is only when we deny that which we are seeing or compromise on the principles of God. We spiral away from the intended blessings of God.

Our delusion is that we look upon mortal men and women of today as though they have some mystical powers. But the truth of the matter is we all are faced with the same fate no matter what our social or political status may currently be. At the end of the day, we all will face one similar event and that is judgement. Coming down to our compliance of two simple rules are we one "Loving the Lord thy God with all of our heart and mind. Secondly, are we loving our neighbor as ourself. When we

seek to respond to these questions, they are met with hesitation that is because they are not fulfilled with a 100% certainty, we understand we move with reservation not complete eagerness and that is problematic.

It is problematic because we are leaving a crack in the door to seducing spirits which drive us away from the principles of God by presenting compromises. The Word of God teaches us to understand that our yea (yes) should be yea and our nay (no) should be nay. It's found in Matthew 5:37 But let your communication be, Yea, yea, Nay, nay: for whatsoever is more than these cometh of evil. It also instructs in James 5:12 But above all things, my brethren, swear not, neither by heaven, neither by earth, neither by any other oath: but let your yea be yea; and your nay, nay; lest ye fall into condemnation.

# Generational Curses?

**Dr. C. A. Dangerfield II**

Some people hear people speak of "Generational Curses" but clearly do not understand what is fully meant by it. A lot of times when it is stated or expressed no further explanation is given. So, some are still left in the dark.

Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me;

Exodus 20:5 KJV

One thing we must understand is the origin and impact of family and cultural traditions and rituals as they align with the Word of God. It is every person's responsibility to learn and understand the nature and whereabouts of various customs and trends that generate within our society.

Just doing something because it's the latest trend and popular can lead to you being mischaracterized as to supporting that which you totally disagree with because you failed to go all the way back to its origin to gain its initial intent.

Let me provide you some further explanation and illustration. My son came to me one day desiring to place an earring in his ear. To him it represented what he felt was a cool fashion statement and was a popular trend at the time. For me I viewed it as a teachable moment and an impactful life lesson on decision-making. My first question to him was why did he want to do it and I informed him that I did not want to hear that all his friends were doing it and he wanted the sense of feeling included to that which was viewed as popular.

So, I gave him the task of researching the origin of this practice further sharing with him that the wearing of the ear ring did have different meanings when you wore it in the right or left ear or both when it came to men and he needed to be certain of what it represented. So that those who had the understanding would recognize your intent and that he would not be offended by the approach or assumption to what you may be signaling. Being safe than sorry because this trend did create an invitation for some and definitely unwanted by others who lack the knowledge. I instructed him further to come back to me with that which he learned and also his decision.

Upon his completion he learned more than what he ever knew and his eyes were wide open. It also taught him to investigate further all of his decisions to ensure that he was understood and standing on the principles that best defined his character in his eyes and God's. It was on that day I felt I had instilled the right principles and instruction for him to pass on to his children as a valuable lesson.

When we fail in doing so, we become inadequate stewards to that which God has entrusted to our hands. Each generation will continue in that process until such time that someone's eyes are open to the fact that this is a mistake as well as a misalignment with the principles of God and a blessing blocker because of disobedience.

## **Overcoming Generational Curses**

### **Dr. C. A. Dangerfield II**

The bible defines and provides clear messages as does Romans 5:15 KJV  
Wherefore, as by one man sin entered into the world, and death by sin; and so  
death passed upon all men, for that all have sinned:

Just to be perfectly clear in the Hebrew translation it reads as:

Here is how it works: ***it was through one individual that sin entered the world, and through sin, death; and in this way death passed through to the whole human race, inasmuch as everyone sinned.***

***Romans (Rom) 5:12 CJB***

This passage is demonstrating the origin of sin goes back to Adam.

***Thy word have I hid in mine heart, That I might not sin against thee.***

***Psalm 119:11 KJV***

***I treasure your word in my heart, so that I won't sin against you.***

***Tehillim (Psalms) 119:11 CJB***

***Thou art my portion, O LORD: I have said that I would keep thy words.***

***Psalm 119:57 KJV***

***Adonai, I say that my task is to observe your words.***

***Tehillim (Psalms) 119:57 CJB***

***And it shall come to pass, that whosoever will not hearken unto my words which he shall speak in my name, I will require it of him.***

***Deuteronomy 18:19 KJV***

***Whoever doesn't listen to my words, which he will speak in my name, will have to account for himself to me.***

***D'varim (Deuteronomy) 18:19 CJB***

***After my words they spake not again; And my speech dropped upon them.***

***Job 29:22 KJV***

***After I spoke, they didn't talk back; my words were like drops [of dew] on them.***

***Iyov (Job) 29:22 CJB***

so is my word that goes out from my mouth — it will not return to me unfulfilled; but it will accomplish what I intend, and cause to succeed what I sent it to do.”

**Yesha 'yahu (Isaiah) 55:11 CJB**

**And it shall come to pass, that whosoever will not hearken unto my words which he shall speak in my name, I will require it of him.**

**Deuteronomy 18:19 KJV**

**Whoever doesn't listen to my words, which he will speak in my name, will have to account for himself to me.**

**D'varim (Deuteronomy) 18:19 CJB**

Deuteronomy chapter 18 instructs to gain the understanding of God's intent for those who say they come in His name to speak on His behalf it brings clarification of what is truly required. Mankind has presented God's Word in such a way that it appears to offer compromises to His will and has us operating in gray areas which is still darkness.

***Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.***

***2 Timothy 2:15 KJV***

***Do all you can to present yourself to God as someone worthy of his approval, as a worker with no need to be ashamed, because he deals straightforwardly with the Word of the Truth.***

***2 Timothy (2 Ti) CJB***

It is our intent to show the Greek (KJV) and Hebrew (CJB) translation of the Word of God which a lot have chosen to debate rather than obey and fulfill. It is this writer's intention to show that His Word is consistent when it comes to our expectations which is to be obedient and spread the Gospel and His intended instructions that none be lost but saved by grace.

Distractions, intended lies for the purpose of creating delusional outcomes and doubts, separating the unity that should be present to strengthen one another is our daily plague and curse. Our news feeds demonstrate and illustrate these events daily at times hourly. Our understanding of the messages has become skewed in our comprehension to the point of becoming greater divided even so within the Household of Faith. Render us ineffective on multiple fronts. Allowing the tactic of divide and conquer to have a stronghold on our very fragile society.

Until we get the blinder off of our eyes and consistently study and practice the principles of God and apply to ourselves individual first without the finger pointing at others and change our overall strategy we will continue to manifest the same outcomes generation after generation. We must get off of this hamster wheel mentality.

***David declared in the word of God "***

***I have been young, and now am old; Yet have I not seen the righteous forsaken, nor his seed begging bread.***

***Psalms 37:25 KJV***

***I have been young; now I am old; yet not once have I seen the righteous abandoned or his descendants begging for bread.***

***Tehillim (Psalms) 37:25 CJB***

When we choose a lifestyle of righteousness, we have the ability to be partakers of the benefits of righteousness. God's promises, wisdom and healing, and covering through His covenant through obedience with man. However, we must understand there is a requirement on our part. We have plenty of illustrations throughout the Word of God demonstrating what happens when we turn from our wicked ways this is defining hope for our obedience. The world has coined a cliché if you desire to hide something good put it in a book. Well God has provided us with a good book it is up to us individually to open it and claim our inheritance becoming the beneficiary that God intended us to be. God has our inheritance not man. God shall supply all of our needs. The question now because do we desire to live under continual generational curses due to lack of knowledge and disobedience. Or will we turn from our wicked ways allowing God to heal our land due to our obedience to His Word. By this we have the power for change.

We share passages of scriptures with you that you will become enlightened and the hidden knowledge that has been recorded to gain and true understanding of God's intent will be known unto you. But you first must understand that a personal relationship with God is what provides that deeper understanding. John Chapter 10 Jesus speaks to the Scribes and Pharisees of the day the church elite about the good shepherd but because they were so consumed with testing and trying to trick up His words they couldn't comprehend anything He was saying unto to them. Ezekiel Chapter 34 coincides with the John Chapter 10 demonstrating the attributes of a Good Shepherd from God's viewpoint. It will also help you and I when seeking fellowship with other leaders and believers. Study the scripture and get to know God for yourself and allow His spirit to draw you out of darkness which is our society's way of thinking. Which by the daily news we can realize it is in deep trouble. God's son Jesus offers the only true lighted way into life so you can see where you are going. Learn of Him experience Him without reservation and you will learn to trust His word. So you want just call only on Him when your trouble like you do now. But you will speak with everyday as a friend because you have a relationship.

Put your time in pay day is coming after while. Happy studying and may God Bless you!

# One Of The Most Devastating Curses

## C.A. Dangerfield II

One of the hardest and most devastating generational curses is divorce it has run rampant throughout families for centuries. The impact from it ushers in a whole lot of other issue that accumulate into other areas of deprivation expanding into what I view as other curses unforgiveness, abandonment, unmerited blame and strife, family division, bitterness just to name a few but there is a whole host more. This particular generational curse creates longsuffering issues within the children which are never really address or healed. Children missed out on a well-balanced lifestyle that God intended. Blame throwing takes place on each side. Since the children have not had the privilege of a balanced or rectified relationship of the parents 9 times out of ten time, they tend to repeat the same outcomes and depending on how deep of the wombs that have be internally created within the child the prospect of multiple failed marriage could be a factor. Since no resolution has ever manifested before their offspring are likely to repeat the pattern of failure. Other issues of low self-esteem, alcoholism, drug abuse, and physical abuse, and even homosexuality make entrance due to not having the ability to bring resolution at the initial causes.

So, each generation continues battling through numerous curses that have been created by man's disobedience to God's principles. If we look at just about every societal issues presence to man we see where a generation has broken a covenant, principle or disregarded a commandment. It is not a mystery as to why we have such turmoil in the land unless you are totally in the dark to every aspect of God's will and that is because one has not invested the time to seek His word for themselves and therefore, they do not have a strong foundational relationship with our Creator and do not know His voice as He speaks to us throughout life.

Man's interpretation of God's will have been skewed by man's motivate which creates overwhelming gray areas surrounding God's principles because we now are faced with modern day Scribes and Pharisees which are being exposed because they operate from their own principles of do as I say not as I do. Getting their hand caught in the so-called cookie jar.

The Word of God has always provided this information and forecast but we have become too busy to even complete the basic "Study to show thyself approved", "pray without ceasing", "watch and pray". We don't apply our God given defenses and we become weaken by the circumstances that come our way. Why does it surprise some when you suggest praying in the mist of situations? Because if we were truly studying, we would understand this is an effective remedy. Outcomes would be much different and true testimonies would be much greater than what they are.

Repentance and reconciliation are the direction for man when getting on the path that God intended. Doing our first works all over again, we must truly understand every aspect of our life begins and ends with God
