Matthew: 12:39

Our world is rapidly changing and every news outlet is demonstrating Bible prophecy but most don't acknowledge the facts that are directly in front of them.

It appears that everything the Word of God warns us against mankind rushes toward with warped speed and no remorse.

Matthew 24

¹⁴And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come.

¹⁵When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:)

The Signs Of The Time

Dr. Horace Brooks

Here we are in the month of November. In Indiana, we have seen the trees leaves change colors. We've gone from watermelons to pumpkins. The hot summer weather has changed to cold. The signs of the time, of summer leaving, fall appearing, and winter is on the way.

Reading the signs of nature is something that God has enable mankind to do. We see in scripture where the Pharisees and Sadducees came, testing Jesus, demanding that He show them a miraculous sign from heaven to prove His authority. Jesus said, "You know the saying, 'Red sky at night means fair weather tomorrow; red sky in the morning means foul weather all day.' You know how to interpret the weather signs in the sky, but you don't know how to interpret the signs of the times!"

Keep in mind these are men who should have known all about the signs of the End Time. Even though, the Pharisees and Sadducees had different theological interpretations of some scripture, that put them at odds with each other. The two groups managed to set aside their differences, when it came to Jesus Christ demise.

Jesus goes on to say, "Only an evil, adulterous generation would demand a miraculous sign, but the only sign I will give them is the sign of the prophet Jonah." After telling them that, He left them and went away.

The study of Eschatology, or End Times events are in the bible not to scare us but to encourage us and prepare us for what's to come. Just like the Pharisees and Sadducees, people have different theological interpretations of scripture. Personally, as long as we believe that there is only one way to salvation, and that is through Jesus Christ. Our interpretations can sometimes be mute.

Here's one in Matthew 24:34 Jesus says, "Assuredly, I say to you, this generation will by no means pass away till all these things take place." Yes, this is only one verse, I have taken into consideration the verses above this and below it as well.

So, was Jesus saying that all end-time prophecies must be fulfilled during

the first century, as some say? I don't think so, my understanding of the scriptures, and study indicates that Jesus was saying that the generation who witness the signs stated, will be around when it's fulfilled. This is also true for the future remaining End-time prophecies.

Jesus told the Pharisees and Sadducees, "Only an evil, adulterous generation would demand a miraculous sign, but the only sign I will give them is the sign of the prophet Jonah." That generation witness the death, burial, and resurrection of our Lord and Savior Jesus Christ.

The birth pains, of the end of time has been going on, way before I was born. Nations against nations. We had The Revolutionary War, The Civil War, World War One, World War Two, The Korean War. I have witnessed The Cold War, Vietnam, and Desert Storm.

Parents turning against children, children killing their parents. The signs are all around us. Jesus return is imminent. Just like in the days of Noah we don't know when it will happen.

In my study of Eschatology, I'm not claiming to be an expert in it. But I am saying I was encouraged by it, and not frightened. The prophecies of the things to come is not there to scare us, but to encourage us and prepare us. So, we should be a prepared people for a prepared place. Because we don't know when Jesus is coming back to rapture us unto Himself. I came away from my studies with, we should be preparing ourselves and others for the one-by-one departure.

Looking at Matthew 24, Jesus disciples who came to him wanting to know what would, be the sign of His coming, and of the end of the age?" Jesus gives them End Time essentials in this chapter.

I want to use just one, that is great for End Time and now. Verse 4 Jesus said, "Take heed that no one deceives you."

Take heed to yourself. When you start seeing the signs of the times, when you start seeing the making of the one world government, when you start seeing a cashless society, people using EBT cards for food, when you start seeing the shadows of the Antichrist and his system. Know for sure everything that the Bible predicts will happen. The number

one thing that is essential for you is, take heed to yourself that no one deceives you.

I have seen people who started out with Jesus get bamboozled, hoodwinked, into believing other things, and rejecting the truth of Christ. The spirit of the antichrist is here.

Take heed, how's my relationship with Jesus? How's my passion for God? When I think about the Lord do I get stirred up? How's my life, do I just want to please Him? Take heed to yourself, am I consecrated? Am I living a life that I can live again? Am I picking up my cross and following Christ daily?

You know in 1st John it says that everyone that has this hope, that is the coming of the Lord's return purifies himself even as He is pure.

1st Thessalonians 4:13-18 Let's us know Jesus is coming back. If my body has returned back to the earth before Jesus returns. It will rise again when Jesus returns, to everlasting life with Him. If I'm still alive when He returns I will be caught up to meet Him in the air and be with Him forever more. Because someone of this generation, might see the return of Christ. I say take heed, and for those, who might get left behind. There is still hope. Revelation 7:9-13 lets us know that. But I would rather leave in the rapture.

The Signs of The Time is all around us, take heed.

THINK ABOUT IT

Don't be interested in meeting the persona of a person. Get to know and understand the essence that's the real individual in their true and purest form.

Health and Wellness for the Month of December

Sgt. Nate Griffin of Sgt. Nate Fitness

December is National AIDS Awareness Month:

AIDS is NOT a “GAY” disease.

AIDS is NOT a “POOR” person’s disease.

AIDS is NOT an “AFRICAN” disease.

AIDS is NOT a “Judgement of GOD” disease.

AIDS is an Acquired Immune deficiency disease. Look at it as such and treat it as such. The established church/religious community has been the biggest insult to the cross of Christ when it comes to compassion and service of mankind. Every disaster, devastation, or pandemic is always met with...”It’s the judgement of God”. And the unbeliever is left with...”Where do we go then”. So much for my soap box sermon.

Jesus said “I am come to seek and to save that which was lost”- Luke 19:10

Jesus said “They that are well, need not a physician, but those who are sick do. Luke 5:31.

If you need a blood transfusion, if you are single and sexually active (saved or unsaved), if you are in a relationship (trust but, verify), you would do well to get tested.

“The Workers Are Few”

Matthew 9:37 “Then he said to his disciples, ‘the harvest is plentiful but the workers are few.’ NIV

Neva Brooks

Two years ago, I retired from corporate America, as a Registered Nurse Executive. For more than 30 years I worked in an environment where I served others, put in “salaried” hours to make sure another person or persons’ mission and vision came to reality. As a nurse leader, there were times when the nursing shortages were critical. This was urgent because ultimately we were not able to provide the care our patients deserved. We always made it work, and I always felt responsible for delivering a better solution which would bring a more permanent resolve. Our nurses experienced compassion fatigue and burn out on a daily basis. After countless hiring fairs and recruitment efforts, on behalf of my organizations and our nurses, I turned to the tried and true recruitment strategy. In Matthew 9:37-38. Jesus said in verse 38 “ Ask the Lord of the harvest, therefore, to send out workers into his harvest field.”

Over the years God has developed this scripture, this prayer, into part of my frequent petition to him. I’d like to share this prayer with you.

“Father I honor you with my voice. You are awesome in all your ways, Where would I be without you? What would I do without you? I honor you because you are worthy. I adore you Abba Father because you are worthy. I humble myself before you in adoration. I worship you God, because you are worthy. Worthy are you, our Lord and our God to receive honor and power! You are great and greatly to be praised! I see the stars, the moon and hear the gentle rain and the rolling thunder, your power is unmatched and unlimited. How Great you are!

I pray for your forgiveness as I forgive those who have done me wrong. I know if I hold iniquity in my heart, you will not hear me. Lord, I am sorry. I know, and you know my transgressions and my sins. They have been against you—against you have I done evil things in your sight. I repent and turn away from the traps that seem to easily catch me up. My soul rejoices that you love me so much you forgive me and cleanse me from all unrighteousness. Thank you Lord! Teach me to love and forgive in a way that brings glory to you.

Thank you, your grace is sufficient, period. Your grace is truly more than enough today! Thank you because in every weak place of my life, your strength is made perfect. I bless your Name that your mercy has blocked the harsh punishments I deserved. Thank you that your mercy endures forever. I rest in the comfort of your words in Psalm 136...your mercy endures forever! God of Gods and Lord of Lords, your mercy endures forever! You do great wonders, you redeemed us from our enemies and your mercy endures forever!!! Hallelujah!

Lord I lift our very lives to you, thanking you for watching over us. I plead the blood of Jesus over our children and grandchildren. They are plentiful! The foster care and orphanage systems are overwhelmed throughout the land. We pray to YOU Lord of plentiful children to send more workers. Father, send parents who love you and will love and nurture your children. I pray for the mothers and the fathers who are contemplating giving their child to someone else. Point their hearts and minds toward you. The workers, the parents are few!

We pray as disease, disorders and plagues linger all over the world. Father God, the workers are suffering at their posts, walking away and leaving the fields abandoned, and dying while serving the ill and less fortunate. The workers are few!! We are your people Lord, we are called by your name! We lift our hands in total submission and humility to you as we pray and seek your face. God we repent and turn from all unrighteousness. We are listening and believing as you are healing! As your healing permeates every land, we pray to YOU Lord, send more workers. Those who have a heart to serve, those whose hearts are turned toward you. Give wisdom and compassion in the Name of Jesus. Send workers: doctors, nurses, teachers, law makers and enforcers, health care providers, therapists and every post and position who will participate in the healing process. The workers are few!!

Father, you have compassion for people, often like sheep without a shepherd. There are people who are looking for you, ready to believe. People who haven't heard of you but seek your light in dark places. The workers are few! I pray now according to your word, for your to send more workers into the harvest field. Plentiful are those who need and desire to know you, to understand the liberation of your peace. Plentiful are those who still need to know the plan and power of salvation through Jesus Christ. I pray to YOU, the Lord of the harvest to send more workers into the vineyard of the lost. The workers are few.

In your darling Son Jesus's Name. Amen"

I encourage you today, and everyday to be aware that the harvest is plentiful, but the workers are few. Are you a viable applicant? Have you signed up for the job fair. Do you stand to be recruited? Softly and tenderly, Jesus is calling YOU!

Your New START

Proverbs 18:21 Death and life are in the power of the tongue; and they that love it shall eat the fruit thereof.

True self-love is the commitment to objectively know yourself as you are, to fully experience life as it comes to you, and to honor your potential by continually seeking ways to grow.

In life, we will face many challenges that can cause negative influence to our minds, bodies, and soul. You may even find yourself talking negative more than positive. You may find

yourself feeling like quitting, or giving up, on your dreams or even your life. We have all made decisions based on negative influences from life's issues, circumstances, bad relationships, health, environment, jobs and so on. All of which may have put our thoughts in a negative space in which we now live in or call life.

This book was written to revive our minds, bodies, and our souls back to their healthy place where we will begin to experience joy, peace, love, good health, and even activate and live our dreams and purpose just by reciting daily, true affirmations based on life and the Word of God. My prayer is that once you have gone through these 31 days, that speaking life to yourself will be such a part of you that you will continue to not only speak life to yourself but others as well, as you see the change in you.

The Power to Self Love in 31 Days will help you increase in your belief of your own value and importance. It will help you to develop physically, mentally, and spiritually, resulting in personal growth.

*For a comprehensive journey through the
Word of God!*

What does it say about YOU?

Dr. C. A. Dangerfield II

When truth is standing right in front of you and you deny it's existence. What does that say about YOU? Everyone else's opinions and talking points, put aside the spotlight and focus is directly on you. What will you stand and be accountable for? This is the real question on the table and the ultimate one to be answered when we individually stand before our Creator. We are accountable for what we yield ourselves to follow and align with.

I constantly go back to this very important point and fact. We have gone lacking and slacking in the understanding of God's Word and His principles. Why would I say that because the evidence speaks loudly look at our conditions. We don't apply ourselves to the practice of studying the Word of God, but we skim and we fall short in many areas. We quote many scriptures out of context because we fail to read the full chapter, we'd rather mention a verse of thought without understanding. The full chapter bring the true and complete understanding. Sending us then in the intended direction towards the correct conclusion.

We aimlessly debate and argue points without merit and created wider divides between ourselves because we do not study. One of the most fulfilling experiences in life is to sit down with others who are eager to sit down together and go through the scriptures without any major time constraints, study and discuss the scriptures to gain a deeper understanding. Feed your spirit as well as you feed your natural body that he too might be strong and fulfilled.

A lot of what is happening today in a negative way is because of our misalignment with the principles of God. We keep seeing the results from the facts of this type of behavior, yet we hide the truth with excuses this has been the outcome for generations. The fact that there have been previous societies that were prominent in their times, that are now nonexistent, this doesn't appear to sound alarms or put-up red warning flags. The fact that we also are repeating practices that go against the principles of God and racing to the same rabbit holes meaning outcomes, should be alarming. God put the antidote within His word read 2 Chronicles 7th Chapter and get an understanding of conditions as God see them.

We have to start thinking singular when it comes to impactful decision regarding our contribution, not just surface but depth. Meaning are we truly lining up with what God has instructed us, because of its impacts now and ultimately later. Are we truly considering things with a complete understanding? Or are we blindly and aimlessly following the masses towards a very dark conclusion because of no pathway light illuminated by God's Word because we don't make ourselves available? Allowing ourselves to be consumed by everything else.

What does it say about YOU and even myself? Are we really that ruthless in our decision making or that selfish not to care? Hindsight in most cases displays a very unpleasant and disturbing picture that never should have been taken. Had we taken a proper and respectful time of consideration evenly weighing out all options and opportunities. We could have eliminated hardship rather than regret. Now we are saying if I could I wouldn't have, now I want to something different and I can't. Outcomes always lay in the balance and they are never a whim.

At the end of the day accountability is knocking at the door. Accompanied by its partner justification standing in judgement of our actions. Then truth shows up and shines a illuminating light to balance out everything. The question then becomes will the acknowledgement be presented by pride or humility?

This is considered a difficult topic because it really requires self-examination of our actions. Shines the light on what level of integrity as well as compassion we possess. As well as how reflective are we with living out the attributes of Christ in our life's. Are we saying ouch at this point because we truly recognize that we don't live up to the true potential of the measuring gauge. Wake up to realization we have much work to do and time is of the essence. If honesty says yes, we are on the road to recovery. If not, we are traveling into the reprobate mindset hopefully with stored up prayers for grace and mercy to purchase some redeeming time for a turn around.

Yes, it is my intent to stir up something, anything that will trigger some sort of repentance response in order to gain a breakthrough so that we will not be lost. Pray for yourself, family, community, country and world without ceasing. Being ready for the Lord's return. It's closer than it was.

The Subtle Invasion

Dr. C. A. Dangerfield II

Let's determine how observant you are and have been able to see the subtle distractions that eventually alter the things and people around you. Hopefully this article will help you become more aware of your surroundings as well as the environmental and atmospheric changes which we rarely pay attention to until something drastic occurs.

By God's grace we are delivered from our former selves and transformed into the person He had intended us to become. Unless we hold fast to humility we gravitate back towards our former selves. But that transition usually happens as a subtle draw that appears familiar and somewhat normal. That is why it is usually overlooked as it is happening. In that digression our disposition changes not always for the better. That is why we have to be conscious of our own nature knowing how to pray for ourselves and others. In this time in which we are living we cannot afford to be passive in nature, but diligent in truth. Our eternal life depends on our success in this area.

When we become too relaxed, we also run the risk of becoming negligent of our spiritual mans will being. We get caught up and pushed out of the place we should be in for a sense of artificial gratitude that causes us to miss our intended mark. Simply because a blockage or a detour has been placed as a distraction towards your ultimate destination. Having a clear understanding of your gifting's and spiritual abilities and their impact on others allows you to be as effective as God intended you to be. When you recognize that you are gravitating as well as justify digression back to your BC (*Before Lifestyle*) lifestyle. It is time to take evasive action to stop the slide.

The Bible instructs us to go back and do your first works over again. Because the return trip will give you addition passengers within your digression to make it harder to get back on the right track. Having you adapting to a reprobate mindset which is utterly challenging, because pride will come in and hold you hostage in so many ways. You won't be able to see or understand the aggression and hardship that you are inflicting on others. Because the shared humility and compassion you once shared with Christ you are abandoning not by choice at first, but by

the affiliation of being within the wrong environment where you have pick up residue.

I've always stated you'll either become like your environment, or your environment becomes like you. So, the question becomes really how spiritually strong are you or how mentally weak? The answer we all receive is reflective in our individual outcomes because that will demonstrate facts, which mirror actual truth. What truly motivates our motives? Are we actually diligent and sincere or manipulative in are action? This is the place for a self-assessment whereby the gauge uses the Principles of God to provide the honest answer. If any dark or gray areas are found. These are the areas of repentance and reconstruction of our foundation to begin the remodeling of our lives.

The world is subtly changing on a daily basis to most because they are not paying attention to the signs of the times as described throughout the Word of God. Mother against daughters, fathers against sons, nations fighting nations and men becoming lovers of themselves. Vanity, envy and jealousy are on the rise and in some cases man appears to be oblivious to the events as they unfold. Leading man into a reprobate mindset. However, repentance is the direction forward to redemption with in our lives. This is a continuous process, one of great importance.

Seeing the Signs Of The Times

By Elder Diane Harvell

Seeing the signs of the times today means seeing an increase in the evil character of man, the constant opposition of the knowledge and truth of God, an increase of warfare, plagues, pestilence, false powers, and natural disasters are all signs of an inevitable doom to come yet with all these things, they haven't proven to be enough to turn our hearts to God.

A soon coming Savior is evident that this world has changed and not for better but for the worse.

Most of the world is now worshiping the beast of immorality, sexual sins of homosexuality, and idolatry. Their favorite flavor or person of the week is their motivation for living.

Fear of consequences for sin and wrongdoing has long gone and the church seems to have lost its savor to effect or turn the hearts of men toward God.

Moreover, there seems to be a diabolical hidden agenda not to have a Christian nation is becoming more and more evident each day. If immorality continues, then the very mention of God, Jesus or Righteousness will be outlawed.

As Christians we should be writhing in sorrow and earnestly praying, seeking God's spirit to return and once again permeate the earth with His presence. As a human race, there should be an alarm ringing within us with fear at the sight of a world that accepts an anything goes, and I do what I want to ideology.

All the signs of the beginning of sorrows have been exposed. And according to the Canonical Texts that makes the bible totally authentic whether you are a believer or not. The Gospels declare that:

False Prophets will arise and deceive many

Wars and rumors of wars

Nation will rise against nation & kingdoms against kingdoms

Earthquakes in various places

Famines and troubles

Although these things have already taken place, the bible says these things are just the beginning of sorrows. So, between now and the time of the Lord's return, we still have hope, and we still have opportunity to repent.

The signs of the end times can clearly be seen. The question is can we touch the heart of God through our prayers and cause Him to honor His Word in II Chronicles 7:14? "If My people who are called by My name will humble themselves and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land."

We have the power to change the heart of God? According to His Word, yes, we do! All we must do is, humble ourselves, pray, seek His face, turn from sin, and then He will heal our land.

It's just that simple. Don't just see the sign of the times but be the example that will change the heart of God to heal our land.

May God Bless Us All!

Are You Paying Attention To The Sign Of The Time

Dr. C. A. Dangerfield II

At some point in our life's, we have heard many scriptures and even coined phrases which references many things we as a society are going through. The temperature of society is so volatile these days it feels as if we are on the verge of a violent eruption with a catastrophic impact. In just about every situation, it appears as if one has to tread lightly to consciously avoid any type of confrontation. The question in our minds should be "What entrance have I left opened to allow access to the enemy to come in?"

We are so caught up in the day to day that a subtle entrance could occur. Are we truly watching as well as praying when there is the least change to our environment? We know that prayer is our most effective weapon towards any attack. We clearly must understand have to effectively apply it. But we have to be observant to any and all climate changes within our atmosphere in order not to be consumed and devastated. We are in some very real times and can't afford to be nonchalantly moving about.

It is extremely important that we don't align ourselves up with things or people that will draw us away from the alignment we have established with God. Which will cause us to loss that important intimacy that we have been enjoying and favor we have been experiencing. Don't lose the ability to hear His voice and the warnings to which He gives through distractions. Most importantly do stop being accountable to yourself and others and allow pride to come in and consume your mind, remain humble at all cost. Your future depends on it.

In this day and time, it behooves us to be consciously mindful of the steps and directions we take. Don't tear down your house by getting caught up in a reprobate mindset and when you are able to come back to your real self, then become aware that everything which you had, has been totally and utterly destroyed. The thief comes only in order to steal, kill and destroy; I have come so that they may have life, life in its fullest measure. *Yochanan (John) 10:10 CJB*

The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly. *John 10:10 KJV*

Stay sober, stay alert! Your enemy, the Adversary, stalks about like a roaring lion looking for someone to devour. *1 Kefa (1 Peter) 5:8 CJB*
Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: *1 Peter 5:8 KJV*
Whether you gain your understanding from the original Hebrew text or the translated Greek text. No matter which one the warnings are the same.

Don't short change yourself on understanding by reading a single verse when the chapter provides the full intended understanding. It's like for the older generation buying a 45 single when the LP makes the experience so much better. For the new generation streaming one track gives you temporary fulfillment but the exposures to all the tracks will provide the needed experience to gain the real understanding. We are all not so different it's just within our programming that we run into obstacles. The bottom line is God's Word no matter what generation will not return to Him void.

Don't get caught out there acting as if the Word of God is old fashion and out of touch, irrelevant to today's times. Because, being that dismissive will buy you an experience in which your stubbornness towards the truth will cause you devastation or complete destruction. The Bible speaks about darkness and that is translated to mean ignorance. Not having the ability to know something. When truth is standing right in front of you and you deny it's existence. Light in the Bible refers to truth, wisdom and knowledge that is illuminated and brings forth great understanding. It places us safe in His arms. When we can clearly see and understand what true presence feels like it can be incredibly undeniable to say the least. So run towards Him and the know that He provides. Pick up His Word grab a pen and some paper and truly study and uncover who you truly are and begin to live your real life.
