Lord of Lords

A white dove is shown in flight, its wings spread, against a background of a sunset or sunrise. The sky is a mix of orange, yellow, and purple hues. A semi-transparent dark box is overlaid on the image, containing the text of Psalm 113. The text is written in a white, serif font. The background image is slightly blurred, emphasizing the dove and the text.

Praise ye the LORD. Praise, O ye servants
of the LORD, praise the name of the
LORD. Blessed be the name of the LORD
from this time forth and for evermore.
From the rising of the sun unto the going
down of the same the LORD'S name is to
be praised. The LORD is high above all
nations, and his glory above the
heavens. Who is like unto the LORD our
God, who dwelleth on high, who
humbleth himself to behold the things
that are in heaven, and in the earth. He
raiseth up the poor out of the dust, and
lifteth the needy out of the dunghill; That
he may set him with princes, even with
the princes of his people. He maketh the
barren woman to keep house, and to be
a joyful mother of children. Praise ye the
LORD.

Right Now Faith!

By Diane Simms

With Love & Pure Concern

So many things he has done for us, so many ways he's made for us, so many doors he has opened that no man could close, we declare and decree GOD is "Everything" we will ever need on this journey called life. Walk in obedience and GOD will be the hedge around your life. We often ask to be covered under the blood, has he not done it? Of course he has, Obedience to GOD and taking him at his Word is a roadmap. In order to follow that roadmap you must study the scriptures, it is more important than eating food. Feast at the Masters table daily, hear the Word of GOD and act on it.

1 John 2: 1-12 is all about obedience and love for the people of GOD, All people not just those you like, or those who look like us, worship like us, preach or pray like us. If we allow GOD to be GOD we can rest assured he will take care of the evil and wicked among us Ecclesiastes 8:13-14. We get frustrated and even angry sometimes but remember you are working on your own Soul Salvation and obedience is better than sacrifice 1 Samuel 15:22.

Proverbs 23: 9 Speak not in the ears of a fool: for he will despise the wisdom of thy words. But rather Apply thine heart unto instruction, and thine ears to the words of knowledge Proverbs 23:12. Pray for them and turn them over to GOD, because he can do more than you can. Pray without ceasing for their understanding but Let not thine heart envy sinners: but be thou in the fear of the Lord all the day long! (Fear meaning reverence him, respect him).

Faith requires obedience, how can any of us believe in or have faith in someone or something we do not Trust? Proverbs 3: 5-6 How can you be certain it works if you don't try him and take him at his word. We function everyday of our lives trusting cars, planes, the food we consume, our boss, our friends and family until it comes to GOD then we question is it real, is it the truth.

Now more than ever before I hear people disputing the Scriptures, questioning his name, whether he was Jew or Hebrew, what color was his skin, which Bible if the most accurate, like YAHWEH (I AM) would allow the world he created to be totally deceived by beings he also created.

Yes I will agree that the KJV and many other translations have been tampered with but I am certain that if I seek truth, GOD will help me find his truth, If I knock GOD will open the door to my understanding because I BELIEVE GOD IS and he is a rewarder of those who diligently seek him!! I am not fond of commentaries but I love

historical writings, manuscripts, ancient first hand translations about GOD, creation, his Son and the world in which I live. I strongly believe we are Spiritual beings living a Natural experience. We should Seek to know and understand our Spirituality just as well as we know, understand, experience and live in the Natural.

The "I AM" does not slumber or sleep and he will direct your path if you ask him to. He does not want us to be ignorant, believing lies, false promises or tall tales. If you never pray, or learn to engage with him, how can he reveal anything to you? He loves you and he wants you to know him, he wants you to know your purpose, how to obtain the promises he has made to us all, how to love, how to live a life that is pleasing to him.

James 2: 14-26 What doth it profit, my brethren, though a man say he hath Faith and have not works? Can Faith Save Him? Keep reading, keep thinking, keep studying and reason these things out for yourself.

Pray for what you desire of GOD in Faith and Believe that you will receive it. Praying with humility and expectancy, acknowledging your sins, and learning all you can about GOD's character, his statutes, and his principles. Talk to him and then listen!! Exercise Your Faith Right Now because he Truly is Everything!!

Something To **THINK ABOUT**

A lack of understanding creates many fears. Fear generates the wrong reactions. So, in order to defuse the Fear which has been identified as False Evidence Appearing Real. Become wise enough to ask questions about what you are unsure of so that you don't have to apologize or make excuse for reacting in the wrong way creating regret for others and yourself. This is how we become wiser as we learn and grow.

A Sensitive Season

Dr. C. A. Dangerfield II

We are at a very sensitive season in this nation. Where everyone has an opinion even when they are looking at things that don't line up with the principal thing and that is the Word of God. With our opinions we create a lot of gray areas of compromise and justification. When that is not the intent, all out obedience is. We are double minded in so many areas that we consistently found ourselves in conflict with God's intent, that we make excuses for our behavior and reasoning. But even when two separate things on the spectrum creates chaos but literally can end up with the same result. We war with one another to justify our points on the matter. However, when it comes to the Word of God, we don't have justification when obedience should be the conclusion.

Yet we forge ahead getting off track heading in the wrong direction. Wasting time in hitting the intended mark because of our agendas and not His. We spend more time complaining and less time being obedient to the assignment that's placed before us. These types of behaviors and distractions are detrimental to our individual callings. Therefore, we miss our assignment and the intended impact that should have taken place is now delayed. Is this ringing the wake-up bell for you as it is for me.

It is God's grace and compassion for His hardheaded children that he chastises and chasten us back to obedience because He loves us that much. Strengthen your daily communication with the Father in order not to go astray. Refocus so you can press towards the mark which is in Christ Jesus. Remembering not my will, but thy will be done in earth as it tis in heaven. Realign ourselves with the principles of God lest we be distracted yet again from our purpose.

What does Jeremiah 29:11 remind us. For I know the thoughts I think towards you saith the Lord thoughts of peace and not of evil to give you an expected end. We are predestinated in Him when we follow the instructions of His voice when we are inclined to hear and be obedient and not self-centered then the intended impact can take place to His glory not ours. We are a servant to Him that obey. Therefore, our reward is eternal and not temporal

because we are seeking the approval of Man and not God. Think about that seriously because it's important and beneficial to how you, yourself chose to operate going forward.

Remembering " Be ye not conformed to this world but be ye transformed by the renewing of your mind that ye may prove what is that good acceptable and perfect will of God." Is this having a divine impact on you right now? That your desire is to do a spiritual wellness check on yourself to ensure that your alignment is in tack and not off by any means. Because if you are not sure it will wear you out and have you sitting on the side of the road because of equipment failure because you neglected to do pay attention to the details and do proper maintenance. In our case that is to study to show thyself approved unto God a workman that needeth not to be ashamed rightfully dividing the word of truth and easily lied astray. Pray without ceasing and just run off but lay before the Lord and get your instructions. It's not just about your long request list, it's also about your understanding.

In all thy getting get an understanding. My sheep hear my voice and a stranger they will not follow. In all thy ways acknowledge Him and He shall direct your path. Thy Word is a lamp unto my feet and a light unto my pathway. Are you truly understanding what is being instructed here and why you are actually reading this right now? It's amazing how God's chooses to get His message across to us, I'm writing it in obedience and He speaking to me and you're reading it and prayerfully He is speaking to you, and we are comprehending this lovely message to us both. We are that important to the Father let's adhere to the instructions because we have work yet to do. To God be the Glory for this thing right here and that He has done!

Speak to my heart Holy Spirit give me this Word that will bring forth new life. Words on the wings of a morning, the dark night will fade away. Speak to my heart. If I can't hear from you, then I won't know what to do
I won't go alone I'll never go on my own. Just let Your spirit guide and let Your word abide. This should be our request. I love you with the love of the Lord as we strive and endeavor to be obedient and do His will. Remembering we are labors' together in the work of the Lord. I speak strength, wisdom, knowledge and understanding as you go forth in Him, Blessings!

Golden Nuggets and Missed Opportunities.

Dr. C. A. Dangerfield II

God everyday transitions people of influence in our lives and some of us miss the unique opportunity to glean from them. So, they go into their rest with value nuggets of wisdom that would have been beneficial. Some lose out simply because of their own arrogance and pride thinking that they know everything but have been here only a minute themselves. Other just miss out because they never took the opportunity or timeout to avail themselves to sit around the warmth of the wisdom fire and learn the valuable information.

The saddest thing is when people obtain a certain age the younger generation allows themselves to be robbed of the blueprints of life showing them how to avoid pitfalls. Gaining and understanding this information helps you fortify your foundation as well as enhancing and building on it to strengthen it more. Since we become close minded, we miss out and later in life we have regrets. Saying or thinking I wish I would have known, or I wish they would have told me shifting the blame when we know they may have tried but we were too stubborn to listen and apply. Think about for a minute we missed out and so has our future generations because the nuggets are buried and gone. The richness of knowledge that could have really impacted our life's we allowed our inheritance to occupy the graveyard instead.

Now wondering why, we struggle so much. Stubbornness, arrogance, pride and disobedience to name a few. But acknowledgement and correction of one's mindset can generate hope, a repenting heart can bring about grace for a new opportunity through a different avenue to regain some nuggets of wisdom. But we must keep in mind that humility is the forerunner to God's grace. So, demonstrating this characteristic is pivotal and required to obtain this blessing or one will continue to miss out. Not because of others but because of the one we face in the mirror every time we look at ourselves with vain intent. Not having the ability to comprehend we are blocking and killing our future always wondering and complaining that we are being surpassed. Not understanding that blame starts with our selves.

We must make that hard decision for change to become a part of our future and growth to become our reward. It's a matter of God's principles, because of our lack of knowledge we may never know. Basic instructions before leaving earth (the Bible) has the answers. It requires that we study, sit down remove all distractions open the book read the instructions and apply. For anything to manifest we have to follow the directions they are there for a reason to provide the desired results. If you want to build something you have to adhere to the instructions for the full benefit. There are really no shortcuts when going from A to B. Just direct steps.

Discipline and obedience will help in obtaining the desired outcome without compromise. This ensures that you gain the whole and not half of something missing out of the vital parts.

So, the takeaway here is to obtain patients which can lead to great rewards. Learn how to store up obtainable knowledge because it will become useful in the long run. Don't be so short sighted because you can miss out or delay future blessings due to the fact that you are unaware and unprepared due to your lack patience and ability to understand what might currently be standing in front of you and you took off too fast before obtaining all that was there to get. So, you wind up late to the destination because you had to return back to obtain the missed instructions. You controlled the narrative of how that played out. Recognize this excuse "I know but..." a commonly use phrase when we think we know it all. God has a way of changing that narrative since he is the author and finisher of our fate. So, we need to acknowledge this truth and fact for what it is. There is nothing to hard for God and the power belongs to God. So, relinquish your control to receive the ultimate outcome. Learn to listen without interruption no matter how much you think you know. Gain the ability to hear the whole matter and receive the complete intended blessings.

You Are Everything

by Elder Diane Harvell

Psalm 89:11-The heavens are Yours, the earth also is Yours; The world and all it contains, You have founded them.

Psalm 24:1-A Psalm of David.

The earth is the Lord's, and all it contains,
The world, and those who dwell in it.

Psalm 50:10-"For every beast of the forest is Mine,
The cattle on a thousand hills.

Daniel 2:20-Daniel said,

"Let the name of God be blessed forever and ever,
For wisdom and power belong to Him.

Moses said to God, "Suppose I go to the Israelites and say to them, 'The God of your fathers has sent me to you,' and they ask me, 'What is his name?' Then what shall I tell them?" -Exodus 3:13

God said to Moses, "I AM WHO I AM. This is what you are to say to the Israelites: 'I AM has sent me to you.'" -Exodus 3:14

God also said to Moses, "Say to the Israelites, 'The LORD, the God of your fathers—the God of Abraham, the God of Isaac and the God of Jacob—has sent me to you.' "This is my name forever, the name you shall call me from generation to generation. -Exodus 3:15

God was telling Moses He is EVERYTHING and answers to no one.

God is:

He is the creator of all things, the Alpha and the Omega.

He is omnipotent, omnipresent, and infinite.

He is holy, just, sovereign, and righteous.

He is truth and He is love.

He is my Savior and He is my redeemer.

He is my healer.

He is my provider.

He is my protector.

He is my wise counselor.

He is my strength in every weakness.

He is merciful to me, faithful, patient, compassionate, and gracious.

He is my hope, my peace, and my joy.

God is my EVERYTHING. The great I AM.

Stress from this modern world loads us down daily. But God is able to take care of anything and everything we encounter. Just take a moment and meditate on who God is to you. And if you don't know who He is, like Moses ask Him. He will reveal Himself to you and love you through every process of life. Knowing Him in every aspect of your life, makes life easier because we always have someone, we can trust who will never leave us or forsake us! Hebrews 13:5.

God is our answer to EVERYTHING!

May God Bless You All!

Why Are GOD's People Hated

Written by: Diane Simms
With Pure Love & Concern!

To deny or ignore a person's heritage, their ancestry and natural origin because you don't want it to be true will not change the truth in it!

Now that the Negro has doctors, historians, researchers, and the world to travel to and learn, it is being realized that we are indeed Spiritual beings living a Natural experience. Lies and distortions have devastated a large segment of society here in the USA and the people are kept busy trying to get ahead or survive everyday living.

The Scriptures and historical writings are proof positive that the darker races of people played a significant role in the world. Discovering why it has been white-washed, lied about, hidden, even many failed attempts have been made to destroy it. But GOD

I have come to realize that jealousy, envy, evil & hatred has infiltrated the hearts and minds of many being here in the devil's playground. I was taught "resist the devil, and he will flee from you". Understanding that he (the devil) has his own kind here on earth, just like GOD has his children here.

Since the fall of the son of the morning (Lucifer), he has been at odds with GOD and the people of GOD. GOD's people have become complacent and lulled to sleep because they are tired of fighting. Putting on the WHOLE Armor of GOD is the weapon we need to use to live out the promises of GOD for our lives. The devil has limited power over us, remember resist the devil and he will flee, rebuke him, beat him down by applying the principles, the statutes, the character of Yeshua Hamashiach (Jesus the Messiah) and live a blessed and anointed life.

We will all have test and trials in life but if our commitment to GOD is a sincere commitment he will direct your path, he promised and he does not lie!!

Because we have precious promises we can refer to, being told to take GOD at his word and try him our confidence in him sores and trust surrounds us daily as we face every fiery dart the evil ones throw or shoot at us.

John 16: 33 "I have told you these things, so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world."

The people with melanin in their skin are the original creation of mankind who

were created from the dust of the earth, did you know that everything that GOD created has melanin, the grass, the trees, the birds, the animals, the fish and creatures of the Sea all are melanated.

But because Mankind became exceedingly disobedient, listening to, sleeping with, marrying and bearing children with the devils spawn. After GOD told us not to do it, he still provided ways of escape as he promised, however we kept being disobedient wanting to live life as we chose. This behavior kindled the anger of GOD and he punished us for it. Just as you do as a parent chastise your children, GOD chastised us.

Deuteronomy 28: 1-68 explains why we (GOD's People) are in the predicament we are in today, why we were enslaved, why we were sold to our enemies. It is all because of disobedience. But yet again GOD in his infinite wisdom has provided a way of escape.

It is mandatory that we return to GOD or be destroyed with the evil ones. The earth is being ruled by the devil and he hates the children of GOD. Take the scriptures seriously and trust GOD to win the fight for all of his people. STOP with the race thing, STOP with the color issue these are the devils tools. NOT once is race mentioned in Scripture or any historical writing.

Spend your time walking with GOD, learning how to live this life you were given, how to prosper and be in health as your soul prospereth.

The Scriptures are a history of the world, the history of mankind, and the history of the battle Lucifer has waged against GOD and his people.

Paying attention to the details, it will make you stronger, wiser and much better at life and your journey through it.

I know genealogy can be boring, it is also interesting to finally know what life means and where we came from, who our true ancestors are and how we got to where we are now, so we will know where we are to go from here!

I have enjoyed learning, living, applying what I've learned, actually walking out the word of GOD and receiving his promises. It is great to know when blessings come, because you prayed for them. I am not bored, there is plenty of work to do for GOD everyday of your life and it's rewarding.

We can't stop the devil or his spawn from hating, we can resist it's affects with power and authority using GOD's Word!!!

I want to list a few books, and media, to better familiarize yourself with GOD's ways, principles, standards and directions.

Holy Bible KJV – Book of Jasher – The Apocrypha – The books of the Maccabees – The book of Jubilees – The Torah – The Hebrew Dictionary – The Ethiopian Bible – The Quran – Youtube – GOOGLE and many more.

Pray over your studies and ask GOD for insight and revelation, ask him to only allow truth to remain with you, and to reveal more and more because you want to know him. Let him know your desire to know and understand the TRUTH so we can be free to love and worship him as we are commanded to do.

Something To **THINK ABOUT**

What we can learn through Observation!

When we truly learn to fully observe it teaches one not to jump to the wrong conclusion or opinion. In some cases, it can be life changing without uttering a word. It provides a greater understanding when it is narrated by God.

GYM SAFETY AND GYM ETIQUETTE

By: Sgt Nate Griffin of Sgt. Nate Fitness LLC

GYM ETIQUETTE

It's Monday morning and you walk into your favorite gym to get a good sweat on and there it is. Someone left their sweaty remains on the machine you were bout to use. Yuk!!! The germs, the bacteria, the possibility of contracting MRSA or some other communicable disease. What's even worst, if that could ever be. Is when someone goes to wipe a machine down, and barely moistens the cloth and to a one-two wipe job, and consider it done. You can imagine how they wipe themselves (excuse the bluntness).

Every gym displays in plain site, wipes for machines along with spray bottles for each member to use after every machine use. To minimize your chances of contracting anything from the use of the machines. I recommend wiping down machines before as well as after every use. This includes the handles, seats, back boards, and anything else that other people may touch. If it makes you feel even more safer, feel free to bring your own cleaning solutions to use.

We will be going into the colder season soon. And it would be good to get ahead of the germs that may be passed around by others who are not so careful. You may feel comfortable wearing a mask while working out as a precaution.

In the locker room is another place to find some of the most shocking sites known to man. Aside from the ultra-comfortable who have no shame in walking freely exposed throughout the locker room. You have those who will walk about without shower shoes. This is not recommended. The floor and mats carry dirt, germs, bacteria, and other evil goodies just waiting to get a hold of your tender footies. Try not to gasp when you see a gym member fresh from the shower, drop down and have a seat on the bench without using a towel. Yeah, you can imagine the site of that. Please use a towel as a barrier between you and the bench. Not everyone washes themselves well or wipe themselves well. It's just a fact people. Be ware of the counter tops in the toilet areas. And never flush the toilet before you use it with the door open. Micro-debris comes flying out of there in the form of undetectable feces and other unmentionables that you don't want to pick up.

So, yes, approach your local gym as you would a large petri dish, with extreme caution. It doesn't matter if it's a ritzy corporate center or a \$10 per month, budget center. It's not the facility, it's the facilitators.

GYM SAFETY

If you haven't yet, you will soon see video clips of people in various gyms doing some of the most unrealistic, unnecessary, and dangerous things for "likes" on their social media sites. For example. Someone standing on a BOSU ball doing a barbell squat. Where in life will they ever need that skill? Before you say, Cirque de Soleil. I'm quite sure none of them are with the organization. You will see people use machines for other purposes than what it was intended for. They may use a leg press for a shoulder press machine. Or a prone leg curl machine for hip thrust. The major problem with this is, that leaves a machine occupied for something it's not used for and the intended machine unoccupied.

It would be good to have solid fitness program instead of winging it. It's not as simple as many would lead you to believe when it comes to designing a fitness program. The average person will feature body parts that are their favorites instead of composing a program that will feature the whole body. Without proper guidance, you run the risk of over training a body part or creating a muscular imbalance that will come back to haunt you in the later years in the form of arthritis or severe tendonitis. I recall watching an episode of Will and Grace. Grace was in the gym watching a trainer and their client workout. She didn't want to pay for sessions and thought she could get by copying their routine. She quickly found out it was giving her what she didn't want and none of what she wanted. You will need help in selecting the best program that will give you the best results.

Instructions on how to use the machines are posted throughout the gym or there are floor attendants available to assist you.

If you're new to the various machines at the gym. Start off by taking a class or two. This will give you guided instructions on how to use the weights and workout safely. Then, when you have become more acclimated to the gym life, you can delve into the weight room, ooh.

When you are ready to use the free weights and machines in the main theater, lol. Remember to go slow. Control the weights when lifting and when lowering them. Avoid the disease of "ego" lifting. Don't try to impress, strive to do your best. If you have any questions. Seek out the services of the training staff. They are more than happy to help you. You can inquire about their personal training services to help keep you motivated and on point. You don't have to go it alone. For many the gym can be very intimidating. This could be one of the reasons some start but, then quit soon thereafter. Yes, there are a lot of people there. And yes, some may even be watching you. But you deserve to be there. And you are there for yourself. Who knows, in years to come, you too may become a 'gym-rat' as we say in the trade.

There you have it people. Now go forth, keep it clean and stay safe. Soldier on!

We are at a very sensitive season in this nation. Where everyone has an opinion even when they are looking at things that don't line up with the principal thing and that is the Word of God. With our opinions we create a lot of gray areas of compromise and justification. When that is not the intent, all out obedience is. We are double minded in so many areas that we consistently found ourselves in conflict with God's intent, that we make excuses for our behavior and reasoning. But even when two separate things on the spectrum creates chaos but literally can end up with the same result. We war with one another to justify our points on the matter. However, when it comes to the Word of God, we don't have justification when obedience should be the conclusion.

Yet we forge ahead getting off track heading in the wrong direction. Wasting time in hitting the intended mark because of our agendas and not His. We spend more time complaining and less time being obedient to the assignment that's placed before us. These types of behaviors and distractions are detrimental to our individual callings. Therefore, we miss our assignment and the intended impact that should have taken place is now delayed. Is this ringing the wake-up bell for you as it is for me.

It is God's grace and compassion for His hardheaded children that he chastises and chasten us back to obedience because He loves us that much. Strengthen your daily communication with the Father in order not to go astray. Refocus so you can press towards the mark which is in Christ Jesus. Remembering not my will, but thy will be done in earth as it tis in heaven. Realign ourselves with the principles of God lest we be distracted yet again from our purpose.

What does Jeremiah 29:11 remind us. For I know the thoughts I think towards you saith the Lord thoughts of peace and not of evil to give you an expected end. We are predestinated in Him when we follow the instructions of His voice when we are inclined to hear and be obedient and not self-centered then the intended impact can take place to His glory not ours. We are a servant to Him that obey. Therefore, our reward is eternal and not temporal

because we are seeking the approval of Man and not God. Think about that seriously because it's important and beneficial to how you, yourself chose to operate going forward.

Remembering " Be ye not conformed to this world but be ye transformed by the renewing of your mind that ye may prove what is that good acceptable and perfect will of God." Is this having a divine impact on you right now? That your desire is to do a spiritual wellness check on yourself to ensure that your alignment is in tack and not off by any means. Because if you are not sure it will wear you out and have you sitting on the side of the road because of equipment failure because you neglected to do pay attention to the details and do proper maintenance. In our case that is to study to show thyself approved unto God a workman that needeth not to be ashamed rightfully dividing the word of truth and easily lied astray. Pray without ceasing and just run off but lay before the Lord and get your instructions. It's not just about your long request list, it's also about your understanding.

In all thy getting get an understanding. My sheep hear my voice and a stranger they will not follow. In all thy ways acknowledge Him and He shall direct your path. Thy Word is a lamp unto my feet and a light unto my pathway. Are you truly understanding what is being instructed here and why you are actually reading this right now? It's amazing how God's chooses to get His message across to us, I'm writing it in obedience and He speaking to me and you're reading it and prayerfully He is speaking to you, and we are comprehending this lovely message to us both. We are that important to the Father let's adhere to the instructions because we have work yet to do. To God be the Glory for this thing right here and that He has done!

Speak to my heart Holy Spirit give me this Word that will bring forth new life. Words on the wings of a morning, the dark night will fade away. Speak to my heart. If I can't hear from you, then I won't know what to do
I won't go alone I'll never go on my own. Just let Your spirit guide and let Your word abide. This should be our request. I love you with the love of the Lord as we strive and endeavor to be obedient and do His will. Remembering we are labors' together in the work of the Lord. I speak strength, wisdom, knowledge and understanding as you go forth in Him, Blessings!
