Man VS GOD

I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing: therefore choose life, that both thou and thy seed may live:

"That thou mayest love the LORD thy God, and that thou mayest obey his voice, and that thou mayest cleave unto him: for he is thy life, and the length of thy days: that thou mayest dwell in the land which the LORD swore unto thy fathers, to Abraham, to Isaac, and to Jacob, to give them."

YEHOSHUA = YESHUA = JESUS!!!

Yeshua Hamashiach = Jesus the Messiah

Know where you are headed in 2025 and stay on course. This country is in chaos like you have never seen before. Stand on Truth because "We the People" are under attack from these crazy, malicious Billionaires trying to take over the Country we reside in and people act like they don't see it! Fear Not.....

GOD sees and He knows!

We have been in Spiritual Warfare with these demons for quite a while, but the Spiritually Strong, Prayer Warriors, Intercessors, Spiritually Connected in Relationship with GOD, are passing away, getting too old to fight like they used to!!! GOD does not want to see his people destroyed because of Lack of Knowledge. He does not mean Worldly Knowledge, He Means Knowledge of Him, his ways and his statues. How can you follow someone you don't know when your very life is at stake.

One thing I'm certain of is that he is the "Only One Who Knows the Way", that has been purposed for your individual life and the more you know about your purpose and how to fulfill that purpose the wiser, stronger, better You will become!! But GOD promised to open the windows of Heaven for Us, and I've seen him do it. The system of this world is designed to take as much of it back as they can.

We need our hedge in place, because the attacks are gonna come, our food, our jobs, our businesses, our income, our families, our minds, & our peace. We must watch their moves consistently, know where you and your loved one are being attacked the most and get to work on it in prayer, fasting, calling on GOD, then move with GOD, listen for directions and follow them, leaning NOT on your own understanding. Train yourself to be Obedient to GOD. Using the WORD of GOD as your conduit to the Throne of Grace!!

Project 2025 must be stopped or "We the People" will hate the outcome. These power hungry people cannot be trusted to care what happens to you and your family. Everyday LIES are being spread, about every race, and nationality, natural origin, sex & creed except for followers of the evil ones.

It is Spiritual Warfare, Satan is trying to win, don't let him destroy You. It's GOD's Earth. The people the devil (Satan) is using are going around the World, making enemies of our

Allies and threatening them if they don't pay-up. (sounds a lot like mafia talk), which is crazy in itself. These Foreign Leaders are not afraid of the American Leaders, they will retaliate and our Leaders will run, because they are bullies and cowards standing behind a wall of Men & gullible Women employed to do the dirty work, put their reputation and future on the line for promises that will NOT be kept.

Give me Yeshua to stand behind because the battle is not Ours' it is the LORD GOD Almighty's and he will not lose....

John 14: 1-31, should be read daily, as a reminder that we are Safe as long as we believe him, trust him, practice and apply the WORD to our lives.

GOD's WORD holds the benefits, the impact, the answers to our burning questions however, you have got to want to learn. You must take the promises of GOD seriously with expectation.

Yeshua said in John 17: 20-22, ²⁰ Neither pray I for these alone, but for them also which shall believe on me through their word; ²¹ That they all may be one; as thou, Father, art in me, and I in thee, that they also may be one in us: that the world may believe that thou hast sent me. ²² And the glory which thou gavest me I have given them; that they may be one, even as we are one:

There are so many lies, misinterpretations and false teachings out there, asking GOD to reveal only the Truth has been a life saver for me and many others. It requires that you pray for and practice discernment, it increases your prayer life and your understanding of many of his Promises and how to receive them in Your life.

This is my prayer for everyone that reads these words I've written, that Ephesians 1: 17-19 stays in your heart & mind. ¹⁷ That the God of our Lord Jesus Christ, the Father of glory, may give unto you the spirit of wisdom and revelation in the knowledge of him: ¹⁸ The eyes of your understanding being enlightened; that ye may know what is the hope of his calling, and what the riches of the glory of his inheritance in the saints, ¹⁹ And what is the exceeding greatness of his power to us-ward who believe, according to the working of his mighty power.

Fortify yourself in the WORD, Pray without ceasing, wait on the Lord and be of Good Courage. He promised to give Us "His Peace", so let not Your Heart be troubled, neither be afraid. He prayed for Us and ask the Father to give Us a Comforter that shall abide with Us forever. If you exercise that Spirit within it promises to lead and guide you into all Truth.

We must remain vigilant and actively engage in Prayer, keeping a close eye on what the evil one uses to destroy us, how he is attacking and how do we combat the attacks. Luke 21:36, ³⁶ Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.

I want to be ready when he comes, prepared and unafraid. Steadfast and unmovable utilizing Spiritual discipline to stay connected to GOD. We have a collective responsibility to be aware of the Spiritual state and condition of GOD's People and his Earth, Praying with purpose and intent to invoke the hand of GOD to move on Our behalf.... Being alert, attentive and guarding against Spiritual dangers, such as the snares of temptation and the schemes of the enemy.

The evil ones will attack you in many ways and even use people you love and trust to betray you, pray for them even though it hurts, seek GOD's guidance and strength through Prayer and he will provide peace so his will can be fulfilled in your life.

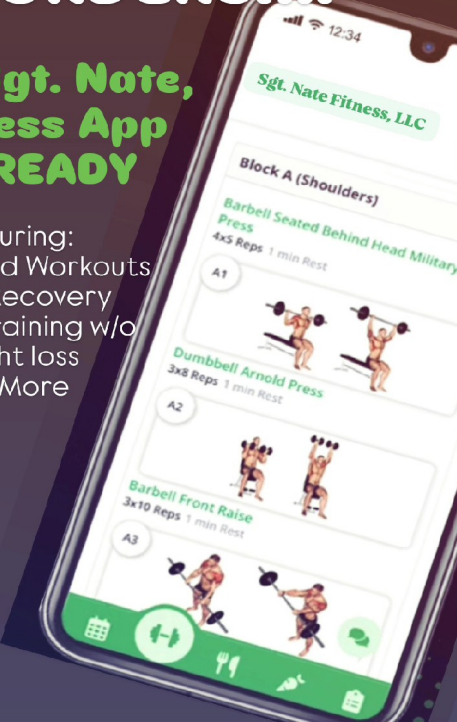

Pray for Me as I Pray for You and let us All Pray For GOD's Chosen People wherever they may be scattered.

Man's Misstep to God's Principles

Dr. C. A. Dangerfield II

Man's entitled attitudes and arrogance has led to God's judgement, yet man doesn't recognize or understand the actions are taking place. If you have applied time studying the scriptures, you will gain a great understanding of what is taking place around the world. Paying close attention to the details of events and the location of them you will gain a different perspective. Especially when it comes to man's dismissal to the Principles of God. Therefore, they push their agenda of what they feel they are entitled to even when it directly go against the Principles of God. As if the Will of God does not matter. Manipulation is a sin and because they are bold in their actions God will and is responding. Unfortunately, because of the lack of understanding and being consumed by distractions the deception is blinding and destroying the foundation of what has provided strength.

We watch the news daily and don't understand the move of God throughout the land. We see it but we are not privy to all of the outcome after the aftermath of the event. So, we fail to understand that God response in what we call natural events. We downplay it because we lack that understanding. Are we paying attention to where and when these events take place. The fires, floods, strong winds, earthquakes and land shifts. If we have been as instructed studying the Word of God, we would understand that God's is mightily responding to our behavior. These events are intensifying and occurring more rapidly. But we never really hear about the impact within those areas. Just by the initial impact we are alerted to and the devastation to the people's lives. How are we correcting our offenses? We is the actual compassion and care that was shown in the past after these events. The fact that no attention is consistently shown now it's as if it never happened.

But we are consistently shown the oppression rendered and greed of the entitled as they continue to push their merciless agenda as though it will fix a problem caused by their lack of compassion and understanding as others suffer from their actions. They are trying to flex muscle that they do not have. Just demonstrating that they are part of orchestrated chaos and confusion. Which is revealed in lack of maturity, ignorance, arrogance and, lack of knowledge. The Word of God will bring forth clarity. Trying to provide a notable understanding, however close books provide no understanding, because the wisdom is within in. 2 Tim 2:15 is a very relevant passage of scripture unless you are manipulator of others, because it doesn't speak to their agenda. Think about it, because when you do, you will fulfill your purpose. So, go gain back your strength and allow the Holy Spirit to guide you back to the place you were meant to be.

When We Cut Off Our Blessings

Dr. C. A. Dangerfield II

One of the strengths of this nation was the fact that we were always seen as a presence in times of trouble with our compassion. That's where our blessing and God's mercy was applied back towards us. Well, now because blind, arrogant and ignorance within leadership we have lost sight of as well as the understanding of following the principles of God, even as Jesus (Yeshua) taught His Disciples that was etched within their character and became part of who they were.

Since the beginning of this year these leaders have demonstrated and carried out the destruction of what the grace of God had created within the fiber of this nation. Now the blind leadership is turning their backs on the principles that were ingrained in our greatest policies that help aid mankind worldwide with understanding. The scriptures speak of the blind leading the blind and the consequences would be that they would wide up in a ditch.

This arrogant and entitled behavior comes with consequences that impact all due to the selfishness of a few. We cannot walk back the principles of God. We don't have that authority, and it is clear, that these individuals do not study the Word of God as we have been instructed. Because of their lack of knowledge, the people will suffer until we get realigned back with the Word of God.

The current issue is there is too much I talk and not enough understanding of what God's mandated for man. If you don't know it's past time to put your head in the scriptures and gain the much-needed knowledge. So, you will also understand God's response to our behavior.

Judgement has hit this land greatly, we are starting to experience sicknesses, and extreme climatic events throughout this nation creating destruction upon destruction floods, fires, tornados, extreme cold, drought, etc. When you dismantle stuff blindly without understanding impact, shrug your shoulders because it hasn't directly affected you. So, you go around still doing what you normally do, because you lack understanding of how harmful it is to other people who are already struggling.

When you have go around saying others need to understand what the rules are set by you. You are out of touch, because again it goes against the principles of God. Bullying isn't talking and reasoning or coming to a consensus. We are swiftly headed towards a brick wall that will damage or destroy this nation unless we put the brakes on or have a less impactful accident that we can apply repairs and get back on course that is in harmony with what God mandates.

Otherwise, the world will cut us off due to our arrogance and ignorance for a time until we humble ourselves. No one country is self-sufficient God is demonstrating at some point we all need each other and must find a way to do it as He wills. Or we will suffer the consequences until we comply. Man doesn't dictate to God how things will be. God does and that's how it's always been. Just obey for there is no other way.

History provides many examples, however when you choose to hide and manipulate so you can push an agenda that is totally contrary to the Word of God consequences will be the first warning and by Gods grace it won't be a collective rebuke but individualized to the disobedient and those who are knowingly in compliance to the misbehavior.

For those in doubt it is your individual responsibility to study the Word of God for yourself and not just take someone's word for it, Some scripture reference regarding our accountability and demonstrating God's intent for mankind to achieve measures of blessing by understanding exactly who you are when you adhere to the promises and principles. I've some scripture references but not written them out completely. This is to encourage you to open the Word of God and search them out, not just to read the single passage but to engage in reading and studying the entire chapter for greater comprehension and a deeper relationship with the Lord.

Divide, Conceal and Deceive a Necessary Reminder and Warning

Dr. C.A. Dangerfield II

Since the beginning of time man has been subjected to division, concealed truth and deception. These tactics have weakened his endeavors, minimized his knowledge and impeded his progress. When negative events occur at least one of these areas are a factor for such an event. Our family structure has been disseminated, and generational scares have been deployed upon mankind. It begins as a subtle attack and escalates to name calling and finger pointing and generation after generation becomes the hidden details and escalated fabrications. The biggest issue is that all facts are not allowed to be presented.

Everything occurs by cause and effect which brings forth a reaction or responses in any given situation. We must be reminded that within every situation there are three sides to every story each party and then there is God's who holds the ultimate truth. We are taught within the scriptures that within unity there is strength. Ephesians 4:3 KJV

[3] endeavoring to keep the unity of the Spirit in the bond of peace.

Unity provides an atmosphere of harmony, think on that for a moment.

Psalm 133:1-2 KJV

[1] Behold, how good and how pleasant it is for brethren to dwell together in unity!

[2] It is like the precious ointment upon the head, that ran down upon the beard, Even Aaron's beard: That went down to the skirts of his garments.

There is comfort when it is present and soothing.

Let's take into consideration that when a relationship is formed there is mutual respect, our ability to see and hear one another and exchange ideals and beliefs that enable us to forge an equal bond and travel a path together, based on the principles of God. Guidelines to help live a fulfilling life that is an intent from God.

The same tactic has been used on mankind since the beginning of time.

Divide and conquer which pushes the narrative of self-preservation. So, by any means necessary one chooses first to be seen in a positive light no matter what. The issue becomes the casualties due to deception and the first or most believable story. Then the collection of aliases that validate one's story even if they weren't present for the actual event. And the plot thickens as reputations are tarnished through misinformation this can be temporary or a lifetime. The longer the deception the greater the damage. Known and unknown. The blessing is that the third party who happens to be God will bring truth to light as it rises to the forefront.

Our failure is that we neglect to remember God is omnipresent which we are not. He does present opportunities whereby we can be open, honest and forthright setting the record straight. However, when pride stands in the way of truth. His Word will come forth to set the record. There is one scripture that says, "Vengeance is mine saith the Lord I will repay." When the allotted time of this elapses then the healing time begins, and the deceptions come to an end. Truth emerges fully and sets the records straight and also uncovers all of the other cover ups along the way.

We must really understand that our desire to be with Him requires accountability and repentance. Repentance is owning up to our behavior so that the pathway is clear of even residue that creates a new hindrance. Humility is our greatest allies throughout our life and the quicker we befriend it the better off we will be.

This One Is Directly For You That Are Wavering

Dr. C. A. Dangerfield II

I was just thinking about a few things and then I started to wonder what's wrong with the general population of men when I started to think about these things. Where actually is our faith and trust in God? We say we read the Word of God, but by the very nature of our actions it's apparent that we do not study to comprehend. Because we lack a great deal of knowledge and understanding. Seriously though if when we study, and it is revealed that the outcome of a situation leads to oppression or even death and destruction. With all that, it is bazaar why would we follow the same pathway?

True insanity is doing the same exact thing expecting a different result. Why do we apply stubbornness, disobedience and entitlement? Gravitating to not following in direction of principles but, following those who go against that which God says we should not be doing. As if they possess some great power over everything and their wrath matters. How much stupidity are we demonstrating when we go against the guidebook that was provided by the creator telling us exactly what will take place if we do? Are we that complacent, blind and ignorant that we can't even recognize the warnings, that we choose to participate in our own demise and destruction? Why are we so gullible, arrogant and full of foolishness? Then we sit around talking about it when we know we are in error and still don't change our direction and do what is right, are we that mentally damaged? That we destroy our own previously earned blessings to follow after wicked ways?

Well, I for one will not follow anyone who openly or unknowingly goes against God principles and commandments. I'll alert you of the error, but I will not participate in the disobedience because I fear God more than you. We have to stand for something rather than fall for anything. God grace and mercy will protect me, but what about you when you choose the path of resistance to His will? Open your eyes and cry loud and spare not, save someone from death, but don't follow them into it. The Word of God states that when the blind lead the blind they both will wind up in the ditch.

Turn back on common sense and don't abandon the principles you once had to follow in the ways of a deceiver, all it will do is bring you shame. Trust God from Him you have hope when you repent from your error. When you choose otherwise you lose the opportunity to avoid hardship, grief and death. What's your decision? This choice is not a group decision it only requires you. Choose ye this day whom you will serve God or man? This choice is completely yours. What will you do?

Death

Pastor Linda Guest

It doesn't matter what you believe, we have all been impacted by death in some shape or form. As a believer unless the rapture happens you're going to die.

Hebrews 9:27 King James Version

And as it is appointed unto men once to die, but after this the judgment;
Sometimes it can even seem unfair when death hits a child or someone we deem should have lived.

Even if a person is sick and death seems inevitable, it doesn't lessen the sting of a love one when they die.

For the Believer we have the assurance of
1 Thessalonians 4:13 New International Ver.

Believers Who Have Died

13 Brothers and sisters, we do not want you to be uninformed about those who sleep in death, so that you do not grieve like the rest of mankind, who have no hope.

14 For we believe that Jesus died and rose again, and so we believe that God will bring with Jesus those who have fallen asleep in him. 15 According to the Lord's word, we tell you that we who are still alive, who are left until the coming of the Lord, will certainly not precede those who have fallen asleep. 16 For the Lord himself will come down from heaven, with a loud command, with the voice of the archangel and with the trumpet call of God, and the dead in Christ will rise first 17 After that, we who are still alive and are left will be caught up together with them in the clouds to meet the Lord in the air. And so we will be with the Lord forever. 18 Therefore encourage one another with these words.

It's a great comfort to know our hope is in the Lord. A Believer in death is only sleeping, waiting for our Lord Jesus to return.

That comfort does NOT eliminate the grieving process. There is still the loss of that love one. The emptiness, the void and or the sadness is real. Don't allow people to dictate your process. How you grieve as well as how long is individualized.

I have a cousin who always says " feel what you feel, but know what you know.

Cry, scream, shout but allow yourself to grieve. If grief has overtaken you to where you can't function, you can't get out of bed, you can't think, then get some help to deal with your feelings and emotions so you can continue to live. It doesn't mean you forget about your love one or you go on as if they never lived. It simply means that you learn how to live with the emptiness and void.

I'm so grateful to God that He promises to send us the Comforter.

John 14:26 King James Version

26 But the Comforter, which is the Holy Ghost, whom the Father will send in my name, he shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you.

Have you taken the time to ponder on the last part of that verse? "And bring all things to your remembrance," One of the greatest comfort we have are our memories. When those moments come and wash over you, think of a funny moment or story, something that brings a smile to your face.

Watch how the Comforter comforts you.

What would you do if Jesus
came and you were **NOT** ready?

WARNING

A statement or event that indicates a possible or impending danger, problem or order of unpleasant situation.

Which also said, Ye men of Galilee, why stand ye gazing up into heaven? this same Jesus, which is taken up from you into heaven, shall so come in like manner as ye have seen him go into heaven.

Acts 1:11
